Lawndale Receives Approval to Transfer Funds and Reopen DeOro Lane

By Nancy Peters

The Lawndale City Council met on Monday, February 2 for its regular scheduled meeting with all elected officials present and seated on the dais. The agenda for the evening contained only a few items for consideration.

The use of grant funding for the modular building that provided temporary shelter for community services during the building of the Lawndale Library and the Hofmann Community Center has been causing a conundrum for several years since the completion of the two building projects at the Civic Center. The modular building and its location causes DeOro Lane to be closed to vehicular traffic. The city is prepared to reopen that street to restore traffic circulation patterns in the Civic Center area along Burin Avenue and 147th Street. The terms of the Los Angeles County Regional Park and Open Space District ("District") grant funding received originally in 2003 in the amount of \$272,100.87 required the money be used for a capital project for recreation purposes for 10 years. The use of the grant for the modular building required approval from the granting agency and the Los Angeles County Board of Supervisors. With the city, the County, and the District requiring many factors to be considered, the right project being designated for the use of the funds, and the approvals all around for the designated project, there is now a solution to conundrum.

The city will reimburse the County \$244,890.78 of the original grant amount that made the modular purchase possible. The grant will then be reassigned to the Frank T. Hogan Park Improvements Project, increasing the grant for that project to \$522,100.87. The modular will be removed from DeOro Lane and moved to the Hogan Park Project, fulfilling the requirements placed on the grant and the use of the modular building will remain under the heading of "recreational purposes." The city will be allowed to remove the modular at an appropriate time by auctioning the building to the highest bidder and reimbursing the

General Fund for the grant reimbursement. However, the full process of the approval of the transfer of the funds; the receipt of the reimbursement by the County/District; the receipt of the matching appropriation to the Hogan Park Project; the removal of the modular; the completion of the street work to reopen DeOro Lane; the auctioning of the modular; and the completion of the Hogan Park Project will be done over a nine (9) month period.

The City Council voted unanimously to approve this plan and accept the recommendation of the staff to proceed with reimbursing the County and arrange for the modular building to be removed and auctioned as an asset.

The administration of the Community Development Block Grant program, handled by MDG Associates, Inc., since 2004, as well as providing services for the former Redevelopment Agency. Due to that program ending in February 2012, the services of MDG were not renewed three years ago. Residual administrative tasks are continually required, however, for those who are part of the old program. Both residential and commercial façade programs have active loans and these were being handled by a staff member until that position was recently vacated. With work to be administered, the services of MDG are being contracted once again with an approved contract to expend a maximum of \$9,180 for a period of six months to be in effect until June 30, 2015. The funding will be shared by the Housing Authority and Successor Agency budgets.

The City Council approved the two contracts for appraisal services with Ellis Group, Inc., dba Integra Realty Resources, and Donna Desmond Associates, for the properties impeding on the right-of-way for the right turn lane portion of the Inglewood Avenue Widening Project. In addition, the appraisals will determine the just compensation to the parties affected for the takes and temporary construction easements that can be paid by

the city. Both properties are commercial in nature and will be impacted.

In the Public Safety report offered by Captain Steven Sciacca of the Los Angeles County Sheriff's Department, it was announced that four (4) juvenile suspects were arrested in the fire, which damaged windows and a classroom, set on the campus of Lawndale High School in December. The suspects are all residents of Redondo Beach and their arrests were the results of work between the Lawndale School Resource Deputy and the Sheriff's Arson and Explosives Detectives. An investigation of a strong-arm robbery and an assault at a home in Lawndale resulted in a detective using his revolver to subdue a large dog in the home as it charged at the detectives, growling and barking, and not retreating, fearing they would be mauled. A dispute at a 7-11 store at the Redondo Beach Boulevard and Hawthorne Boulevard intersection resulted in an arrest of a suspect who was observed stealing items and whom the store clerk attempted to detain until deputies arrived. Another customer assisted the store clerk in detaining the suspect. Investigation showed that the entire incident and the stealing of the items were all recorded on the surveillance security video.

The Mayor and City Council sent sympathies to the family whose dog was killed by the Sheriff's detective. The City Council also will be honoring the store clerk and the customer at the 7-11 Store thanking them for their actions and bravery.

The City Manager announced that there will be no street sweeping on the federal holiday on Monday, February 16 and parking restrictions are lifted as well.

The next meeting of the Lawndale City Council will be held on Tuesday, February 17 at 6:30 p.m. in lieu of the regular meeting on the third Monday to accommodate the observance of President's Day on Monday, February 16 when City Hall will be closed. At this special Tuesday meeting the permits for Fireworks' Stands will be granted. •

You Don't Always Get What You Pay For When Buying Eyeglasses Online

(BPT) - With busy lives and tight budgets, Americans continuously try to find ways to save time and money, which is why online shopping has become so common. However, some purchases are better taken offline to help ensure a person's health and safety, especially when it comes to your vision.

Purchasing prescription eyeglasses online

may offer convenience to consumers, but the American Optometric Association (AOA) warns that the consequences of making an incorrect or uninformed purchase could end up costing you more time and money in the long run.

An AOA study published in 2011 with the Optical Laboratories Association and The Vision Council reinforces the drawbacks of online orders. The study revealed:

- Of 200 glasses ordered online, only 154 pairs were received;
- 44.8 percent had incorrect prescriptions or safety issues;
- 29 percent had at least one lens fail to meet required prescription;
- 19 percent of adult lenses failed impact resistance testing; and
- 25 percent of children's lenses failed impact resistance testing.

Eyeglasses are an investment in a person's

health and must be custom-fit not only to be comfortable, but also to meet particular prescriptive needs. Before purchasing eyeglasses it's worthwhile to do some homework and consider the following factors:

The Fit and Material of the Eyeglasses

How eyeglasses fit is critically important. - If the fit is incorrect a patient can experience discomfort, such as pinching, headaches and additional vision problems. Consumers also need to consider the various lens options available, and determine what is best for their particular prescription and lifestyle. Other considerations include the different coatings and treatments available such as non-glare coatings and photochromic lenses.

The Accuracy of the Prescription

Just because eyeglasses "look right" on a person's face doesn't mean the measurements are correct. People need the help of an eye doctor to measure the pupil distance (PD) to

determine where to place the center of each lens in eyeglass frames to customize the optics and prescription to each patient's eyes.

The Policies of Online Retailers

If prescription eyeglasses are ordered online, it's important to be familiar with the online retailer's policies, including returns, warranties, shipping, pricing, insurance and maintenance.

Whether consumers shop on the Internet or use the services of an eye doctor, it's important to be informed, so you can make the necessary selections and measurements to enhance your vision with a look that fits and provides comfort. •

"Establishing a budget, saving, staying on top of credit and insurance, and shopping smart all take some work," Harper points out. "But the rewards to your personal and household bottom line are well worth the effort."•

I'm Concerned About Identity Theft, How Do I Protect Myself?

By Sid Kato, Array Systems, Inc.

Identity theft for your business is different than identity theft for an individual. Rules governing your business are stricter which could result in greater exposure. Here are a few tips to follow to protect your business:

Review your banking agreements. There are shorter timelines for fraudulent activity on business accounts. In some instances, if you don't notice fraud until you reconcile your checking account at month end, it will be too late. Other activity like wire transfers require reporting almost immediately!

Implement two-factor authentication (two people) for any outgoing wire transfers. Even better, implement multi-factor authentication, using different people and different facilities (email, fax, telephone or special tokens).

Utilize online banking and increase your reconciliation frequency, especially if your transaction volume is high. Along with online banking, implement an electronic alerting system, i.e. email alerts that will notify you of potential fraudulent activity.

Use a different computer, than the one

you use for email, when accessing your account online. The best set-up is to use one computer only for financial transactions and connect it to your network when you need to access online banking. Make sure that this computer has all the latest security patches and virus upgrades.

Enroll in Positive Pay with your financial institution. Positive Pay requires a financial institution to process transactions only if information regarding the payee and amount has been provided by the account holder in advance of each transaction.

Use high security checks and always keep your check stock, deposit slips, and authorization materials in a secured location.

It's better to be safe than sorry in today's world. If you would like to better educate yourself on Identity Theft, access the website: www.businessidtheft.org.

Lawndale overcomes loss at BH by routing Hawthorne, Culver

By Joe Snyder, photos by Joe Snyder

Lawndale High's boys' basketball team suffered a setback in a 57-56 loss to host Beverly Hills in an Ocean League showdown on January 26, but bounced back with a pair of easy wins over Hawthorne and Culver City last week. In a Centinela Valley High School District rivalry on January 28 at Lawndale, the Cardinals were off and running for an easy 79-45 win over the Cougars. The Cardinals then began the second half of Ocean play at Culver City and rolled over the Centaurs 90-46.

Lawndale, then, tested itself against small schools power Price Christian High from South Los Angeles as the Cardinals fell short 68-62 in a Fairfax State Preview Showcase on Saturday. In the unique but famous Beverly Hills Swim Gym, built in 1939 where a gym floor covers a swimming pool when basketball, volleyball and other sports are held requiring the floor, the game was close most of the way but the Cardinals entered the fourth quarter with a 43-37 lead.

Lawndale stretched its lead by as many as 11 points early in the final periods but the Normans finished off with a run to pull the game out. "They executed better than we did," Lawndale head coach Chris Brownlee said. Chimezie Metu led the Cardinals (15-8) with a game-high 16 points, followed by Deandre Snedeer with 12. D'Lano Beckles added nine points.

With the win, then defeating El Segundo 57-25 last Friday, the Normans are 6-0 in league and are one game ahead of second place Lawndale (5-1). The game was made up from one that was originally scheduled for January 20 but had to be postponed due to a reported bomb scare at Beverly Hills.

Two days after the league loss, the Cardinals returned home for their rivalry with Hawthorne. Lawndale got things going quickly by amassing 39 points in the first quarter to nine for the Cougars and by midway in the second period, the Cardinals already got what they needed for their easy win.

Lawndale led 58-16 at halftime before allowing Hawthorne to outscore the Cardinals, playing mostly reserves, 29-21 in the second half. Lawndale used its balanced attack with 10 players scoring, four in double figures. David Broaster led the Cardinals with 15 points. Quincy Pinkard and Beckles each

Hawthorne's Duyuan Jackson shoots under pressure of Lawndale's Chris White in last week's Ocean League boys' basketball rivalry.

chipped in 11 points, followed closely by Metu with 10.

The Cougars, who fell to 5-14 overall and 1-5 in league after a 61-51 home loss to Santa Monica last Friday, were led by Duyuan Jackson with 14 points. Christian Brown contributed 10 points, eight of those in the third quarter.

At Culver, Lawndale had little trouble with the smaller Centaurs outscoring them 43-17 in the first half and continued to pour it on in the second half. It was Lawndale's second easy win over Culver after opening

league with a 70-27 home victory on January 14. Metu led the Cardinals with 25 points, followed by Beckles with 18.

Last Saturday, Lawndale could not quite keep up with a very good Price team that already has three California State championships in the school's history.

The Cardinals have a brutal week this week. After visiting always tough Santa Monica on Wednesday they come home in effort to avenge the one-point loss to Beverly Hills on Friday at 7:30 p.m. Lawndale already owns two wins over the Vikings, defeating them

73-65 on December 29 in the Torrey Pines Under Armour Classic and 89-65 in league on January 16 at Lawndale. The Cardinals host El Segundo next Tuesday at 7:30 p.m.

Hawthorne played Santa Monica tough but a cold shooting second quarter that saw the Cougars muster just four points prevented Hawthorne's hopes of pulling the game out last Friday. The Cougars hosted Beverly Hills Wednesday and visit El Segundo Friday at 7:30 p.m. Hawthorne is at Culver City for another 7:30 p.m. Ocean game Tuesday.

INGLEWOOD RALLIES TO STUN REDONDO

Inglewood High's boys' basketball team overcame a seven-point halftime deficit to upset Redondo 57-54 in a key Bay League game last Friday at Inglewood. The Sentinels were down 27-20 at halftime before using a 17-10 third quarter to tie the game then outscored the Sea Hawks 20-17 in the final period for the win. Inglewood was led by junior guard Terrell Gomez with a game-high 23 points and seven assists.

For Redondo (ranked fourth in the CIF-Southern Section Division IAA and a top candidate for the prestigious Southern Section Open Division playoffs), it was its first league loss in three years and the first for head coach Reggie Morris, Jr., who is in his third season with the Sea Hawks. Redondo (5-1 in Bay action and 17-5 overall) still holds a one-game lead over co-second place squads Inglewood and Mira Costa (each 4-2) with four games remaining. The Sents are 12-10 overall. The Sea Hawks were led by junior guard Leland Green with 19 points and seven rebounds.

At Morningside on January 27, the Sentinels defeated their crosstown rival Monarchs 64-53. After hosting Palos Verdes Tuesday, Inglewood visits Mira Costa Friday at 7:30 p.m., then is at Peninsula next Tuesday at the same time. Inglewood lost a home game to the Mustangs 60-55 on January 20 and defeated the visiting Panthers 50-38 three days later in previous league action.

Morningside, which lost at Peninsula 52-47 last Friday, visited Redondo Tuesday. The Monarchs host Palos Verdes Friday and Mira Costa next Tuesday in 7:30 p.m. league games. Morningside lost to the Sea Kings 41-33 on January 20 at P.V. and topped the host Mustangs 64-59 on January 23. •

Donations Needed

These two little sweeties were seen being dumped and abandoned, in a beach parking lot, in Downtown Long Beach. They were rescued by my neighbor, fellow dog lover and Good Samaritan Mia Bonadona. We think they may be mother and daughter. They are very sweet, gentle and completely devoted to each other. We were hoping that they would be adopted together.

Mia found a family to adopt them, but they live in Seattle and we need help paying for

transportation. Mia's friend, Tamra, set up a website listed below for donations, that has a goal of \$550. Any additional funds will be used to buy their carrier, send them to their new home with flea meds and a year of health insurance for the dogs. Any additional donations after that, will go to "Hope for Paws" or "Rescue from the Hart", because they rescue other dogs that have been dumped by their owners, just like these two.

Their new family has spent 20 years rescuing

Chihuahuas. These pups will be their first dogs in three years and they are keeping them as their own. We couldn't have a happier ending. Their new names will be "Edie" and "Andy".

Pets Without Partners

Nyla

Adopt a "pet without a partner" and give a homeless pet a second chance in life.

Please note...due to our strict spay/neuter ordinance with the City of LA (they hold our kennel license) Nyla, Bink and his siblings will each need to be adopted into our immediate area, the South Bay or the north Orange County beach cities, since they are not spayed / neutered yet. They will need to come back to us for shots and to be spayed or neutered in May. They are all current on their vaccinations, dewormed, microchipped, fine with other dogs and cat safe.

Nyla is a darling little girl and to us she resembles an Airedale Terrier puppy, but she could be a mix as well. Nyla is happy-go-lucky in her personality, loves to play and has a great disposition. She is not housebroken and is starting her teething phase, so please be sure you have the time and energy to raise a puppy properly for the next several months before you make a decision on a 13-year commitment.

The owners of this litter of eight puppies were out in front of a local veterinarian's office giving them away. One of our volunteers brought the last 3 puppies into our rescue. We also committed to "fix" the mom and the dad of the litter, which the family has agreed to in order to prevent more unwanted litters and help curb pet overpopulation in the shelters. Their dad is a medium-sized

white fluffy Terrier/Poodle mix and mom is a medium-sized brown Shepherd mix with a black muzzle. All the puppies look completely different; they were born November 15, 2014.

Bink is a great little fellow, so sweet and playful. He has shorter little stubby legs so far, beautiful coloring and is the most colorful of the litter. **Spinner** is a darling girl with a beautiful black and white coat that resembles a Border Collie's coloring.

Hodor is a great little fellow, playful and lovable, and a beautiful charcoal gray coloring with a white blaze down his chest and white socks on each paw. These puppies have had no training and will need to be housebroken, and are currently in their teething phase of puppy hood. Please make sure you are in a position in your life right now with time and energy to raise a puppy for the next 4-5 months and then being able to commit to a lifetime of love.

To learn more about these and other wonderful dogs, visit our website at www.animalsrule.org. If a dog is on our website, it's available. Come to our Saturday adoption events from 11 a.m. – 3 p.m. at 305 North Harbor Blvd., San Pedro (just off the 110 near the cruise port). •

Purrrfect Companions

Looking for your purr-fect match? Kitties of every color and size are waiting to meet you.

Minkus is a not-quite 3-year-old orange tabby who can be a little shy, but is very snuggly and affectionate when he gets to know you. Once he knows you're his buddy, he asks for belly and chin rubs. He's used to living both alone and with another cat. As far as dogs go, he hasn't spent much time around them and he gets a little nervous/shy. He's very playful and loves wands, anything that rolls, and anything that dangles. Sunny spots are his favorite when he's feeling brave, and closets or blankets are his favorite spots when he's scared. Minkus will thrive in a calm,

upon the people or other cats in the house. From the moment she entered the home of her foster mom, Connie was respectful of the house and furniture; she does her business in the cat box only, and she doesn't scratch the furniture. This smart girl showed a remarkable degree of responsiveness within the first few days of being in her new foster home. Connie will come and hop up on the couch with her foster mom or daddy when called, just like a dog!

These kittens are available for adoption through Kitten Rescue, one of the largest cat rescue groups in Southern California. All of our kitties are spayed/neutered, microchipped, tested for FeLV and FIV, dewormed and current on their vaccinations. For additional information and to see these or our other kitties, please check our website www.kittenrescue.org or email us at mail@kittenrescue.org. Your tax deductible donations for the rescue and care of our cats and kittens can be made through our website or by sending a check payable to Kitten Rescue, 914 Westwood Blvd. #583, Los Angeles, CA 90024.

On Saturdays, we have adoptions from noon to 3:30 p.m. in Westchester at 8655 Lincoln Blvd. just south of Manchester Ave. and also in Mar Vista at 3860 Centinela Ave. just south of Venice Boulevard. Our website lists additional adoption sites and directions to each location. •

Genieve is soft and cuddly.

loving home – could he find it with you?

Genieve was left behind by her owner when the person moved out. Just a kitten, she found her way to our rescue and is now searching for a forever home where she will never have to fear being abandoned again. Genieve has very soft fur and is a bit more outgoing than her sisters. She loves to play with her toys and cuddle with the other kitties. She is not a fan of dogs and would prefer a calm household with another kitty to romp and cuddle with. **Connie** is a confident, curious, intelligent and very well behaved 3-year-old female domestic short hair. She's a delightful companion to live with as she's alert and aware, has a sweet disposition, she wants to know the 'goings on' in the house, and doesn't make any demands
