City Council Rejects \$10 Million Bid For Civic Center Property During Special Meeting

By Rob McCarthy

Hawthorne's City Council struck down an offer from Councilman Haidar Awad's uncle to purchase a portion of the Civic Center land Tuesday night during a special meeting.

Ali Awad had put in a bid to purchase nine parcels of property including the the lot adjacent to the Civic Center which currently houses the Hawthorne Historical Museum and other buildings for a sum total of \$10 million.

"Due to the inability to successfully negotiate the terms of the purchase and sale agreement, pursuant to the basic terms of the RFP (Request For Proposal), the City Council determines that Mr. Awad's negotiations were not in good faith and there is no reason to continue this negotiation," City Attorney Russell Miyahara said.

Miyahara added that the City Council had directed him to cease negotiations with Mr. Awad and that based on the fact that there were no other timely responsive bids received by the city, the city has elected to terminate this RFP process.

"The Council will not be considering the purchase and sale agreement on tonight's agenda," Miyahara said.

The Council had taken Mr. Awad's offer into consideration during a previous meeting in March, but decided to delay their decision in order to allow citizens a chance to voice their thoughts on the offer.

Needless to say, citizens took to the mic to voice their disapproval of the proposition.

"I can't let this pass without my feelings for this," resident Lynn Vaughn said. "A civic center is the heart soul of any city. It houses the fundamental buildings and services that make up a community."

Vaughn continued saying that there might have been a class action case against the Council if they had agreed to sell the land

away.

"It's the heart, it's the soul of the city. I feel betrayed by a handful of people who don't have vision. As soon as you put the money into the general fund, everybody will want a raise and the money will be gone," Vaugh continued adding that if the city was in such dire straits , they should declare bankruptcy to buy time to get their finances in order rather than selling off an important piece of land.

"It's the heart, it's the soul of the city. I feel betrayed by a handful of people who don't have vision."

Even those who saw some benefit in the transaction voiced concern.

"Eventually the civic center will need to be upgraded with modern designs and expanded facilities. The civic center must be a place of grand stature," resident Gordon Michael Mego said. "The people in Hawthorne are concerned that publicly owned land in other parts of the city are not being sold first."

Mego added that in previous years when the city had sought to sell land, there had been multiple bidders, thus raising the competitive stakes.

Others voiced concern that the City Council was being short-sighted in entertaining the idea, especially with land and property values rising over the past couple of years.

"Are we undervaluing this to fill a need? Have we done everything first to exploit that there are other pieces of land in the city. The city has been plain strapped for many years but our staff has always found a way to somehow to keep the city floating along. Is

it worth more than \$10 million? I think it is," Thierry Lubenec, president of the Hawthorne Historical Society said.

Lubenec added that in the long run the money might help solve some immediate needs but that with it being a one-time payment, it didn't seem like a smart move to go through with the deal.

"That money may pay off some bills, but it will be tapped in to and probably within the next three to five years," Lubenec said. "We'll be pretty much where we are today, but with one big piece of land less that will have been sold to a group that will be able to do what they want with it, but will it benefit the city of Hawthorne?"

Meanwhile, residents like Frances Stiglich pointed out that if the city is looking to sell property, they should look into the neighborhoods to see what buildings and properties might not be making the city any money.

"We have three buildings that belong to the city," Stiglich said of structures in her neighborhood including a senior center. "I don't know if they're making any money or not. Why not sell them?"

Councilman Awad excused himself from the closed session process citing that despite not having a conflict of interest but rather because, " there is a perception or appearance of a conflict of interest," adding that, "I never had a financial interest with Ali Awad who is my uncle."

The city also approved a motion to accept bids for Hawthorne Municipal pool repair. The city will take bids until April 26 at which time, they will make a decision on which bidder to proceed with to complete pool repairs.

The City Council will meet again next Tuesday, the 12th for their regularly scheduled meeting. •

The undersigned caused said Notice of Default and Election to Sell to be recorded in the county where the real property is located. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are

the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (844) 477-7869 or visit this Internet Web site WWW.STOXPOSTING.COM, using the file number assigned to this case 014860-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. News for the ‘City of Good Neighbors’

From City Clerk Norb Huber TOO TOXIC TO TRASH

There will be a household hazardous waste and e-waste roundup on Saturday, April 9th from 9 a.m. to 3 p.m. over at the Betty Ainsworth Sports Center's parking lot, located at 3851 W. El Segundo Blvd, (corner of El Segundo and Doty Ave.) So, clean out your garage, bring in your old computers, tv's, printers, cell phones and old paint cans. You can't bring in explosives, tires, refrigerators or other appliances. Here is your chance to make more room around your house.

TEST DRIVE A LINCOLN RAISE MONEY FOR PARKS

On Sunday, April 17th, you can help to raise funds for the Hawthorne Parks Foundation by simply going down to South Bay Ford on Rosecrans and the 405 freeway and test driving a Lincoln. The times are from 11 a.m. to 2 p.m. and there is room for 300 people to drive the new car. The dealership will have up to ten cars available to test drive. There is no obligation for you to buy a car. The foundation will receive \$20 for every test drive. The money raised from the event will go to support our Hawthorne parks.

SPRING BREAK
I know some of you missed me last week, all five of you. Since it was spring break at my school, I was blessed to be able to spend last week in “the South”. My wife and I flew to Atlanta and drove to Savannah, Charleston, Myrtle Beach, and Durham/Chapel Hill before flying back out of Charlotte, North Carolina. The people were friendly, the food was great, the old houses were beautiful, and the weather was mild. The white flowers of the dogwood trees and the purples of the blooming azaleas were great to see. We saw many historical sites of both the Revolutionary War and also the Civil War. Religion is a big part of life in those parts, with churches everywhere. We even saw Rev. Billy Graham's library just outside of Charlotte. Slavery and the civil rights movement were well documented at the museums. Being a basketball guy, I was excited to see the home basketball arenas on the campuses of both Duke and North Carolina Universities. It's great living in and traveling to see the USA!

SPRING HAS OFFICIALLY BEGUN
With the beginning of April, major league baseball has begun. I love baseball. Until the season begins, it just

doesn't seem like Spring has arrived. I am a Time Warner customer, so I can watch the Dodger games every night. I find it rather amazing that 70% or more of Dodger fans do not get to watch their favorite team on their big screen televisions. After two years of this frustration you would think an agreement could have been worked out. I'm a Giant fan, so it really doesn't bother me much.

BASEBALL'S ORIGINS – OUR NATIONAL PASTIME

Here's a little article I came across that documents baseball's beginnings. Contrary to popular lore, Abner Doubleday did not invent baseball in Cooperstown, New York. Doubleday never claimed to be the inventor, and there is no reliable record connecting him to the game. Who did invent baseball, then? Lots of people, over many years. It apparently developed from an old English game called rounders, which New Englanders played in colonial days. In rounders, players hit the ball with a bat and ran around bases. Fielders threw the ball at runners, and if it hit a runner who was off base, he was out (a custom known as “soaking” or “plugging” the runner). In the early days of the republic, Americans gradually transformed rounders into a game sometimes called “town ball” (because it was played on town greens in New England), “barn ball,” “base ball,” and several other names. Exactly how the game was played varied from place to place. New York City businessman Alexander Cartwright (pictured above) is often called the father of organized baseball. In 1845 he founded the Knickerbocker Base Ball Club of New York and wrote a set of rules for the game. After the Civil War the soldiers from both sides took the sport home with them, and Americans went crazy for it. Soon baseball clubs were forming all over the country, and the game quickly became the national pastime. (The American Patriot's Almanac, William J. Bennett, 2008)

Metro Eases Traffic

Everyone knows that congestion is bad, but we really *can* improve the way we get around. Right now, Metro is easing traffic by delivering 1.4 million rides each day. And we're planning future relief all over LA County by adding more bus and rail service, fixing freeway bottlenecks, funding local road improvements and updating our strategic transportation vision. We've come a long way in a short amount of time, but we still have so much more to do. Let's get it done, together. Learn more about The Plan at metro.net/theplan.

Hawthorne Remains Unbeaten by Outlasting Gardena

Article and photos by Joe Snyder

On March 29, Hawthorne High’s baseball team traveled to Gardena in a battle of two surprisingly unbeaten teams. In the end, the Cougars improved to 8-0 with an eight-inning 3-2 victory over the Panthers.

After a 1-1 tie through seven innings, Hawthorne pushed over two runs to take a 3-1 lead in the top of the eighth. After Bernardo Robles struck out, Kealoha Noguchi beat out an infield single. Andres Cordova flied to right before Andy Monarrez walked, then both advanced on a wild pitch. Charles Phelps proceeded to single in both runners. Gardena attempted to rally in the bottom of the eighth. Daniel Herrera singled before Roberto Chavez walked. Daniel Storey hit into a fielder’s choice forcing Chavez out at second as Herrera went to third. Herrera proceeded to score when Jorge Avila grounded to shortstop. Andy Ibarra walked but Monarrez got Pedro Trejo to strike out ending the threat as the Cougars won their eighth straight contest. Hawthorne scored first in the top of the fourth when Peter Girgis scored on a base hit from Monarrez. Chavez drove in the tying run on a single in the bottom of the sixth. Although it was a close game, the two teams combined for nine errors as the Cougars committed five and Gardena (4-1) made four.

“The game was ugly,” Hawthorne head coach J.C. Randolph said. “We still won and we’re unbeaten.”

The two teams were to play another game, probably during this week, according to Randolph. The Cougars begin the Ocean League with a more challenging one as they visit Santa Monica next Tuesday at 3:15 p.m. The Vikings are expected to be one of the favorites, along with El Segundo and Culver City, in league play.

“If we can stay healthy, we can compete with anybody,” Randolph said. “I feel we can match with them (Santa Monica).”

LAWNDALE AND MORNINGSIDE SPLIT

During last week, the Lawndale and

Lawndale High’s Tyler Bonsky steals home in last week’s non-league baseball game against Morningside. The Cardinals split two games with the Monarchs, winning at home 11-4 on March 29 and 17-2 at Morningside last Thursday.

Morningside High baseball teams played a pair of non-league games as home team won each of those contests. At Lawndale on March 29, the Cardinals downed the Monarchs 11-5. Morningside, then, hosted Lawndale last

Thursday and the Monarchs thrashed the Cardinals 17-2.

At Lawndale, the Monarchs, who are 4-5 overall, jumped out to a 3-0 lead but the Cardinals (5-5) used a seven-run third to take the lead for good. Julian Diaz gave Lawndale the lead for good with a two-run single. The big inning was also highlighted by Isaac Galan and Tyler Bonsky both stealing home. Michael Zembrano also had a run-scoring double and he scored on Jesus Sanchez’s single. Alberto Gomez had a bases cleaning double and Galan added a run scoring base hit to highlight the Cardinals’ four-run fifth inning. Hermilio Diaz also drove in Gomez on a sacrifice fly.

“We came together as a team,” Lawndale assistant coach Frank Martinez said. “The kids ran great.”

For Morningside, Gerardo Carrillo had two hits and two runs batted in. Roberto Ramirez had a two-run single and Leo Morales singled in a run.

The Cardinals, who won an El Segundo Tournament game over host Mayfair 7-3 last Saturday in Lakewood, have two games with Hawthorne Math and Science Academy this week. After hosting the Aviators on Tuesday, Lawndale visits Hawthorne Math and Science at Holly Park Little League Field today at 3:15 p.m. The Cardinals, then, travel to Culver City for their 3:15 p.m. Ocean League opener next Tuesday. The Centaurs, who are one of the top contenders for the Ocean League crown, are led by Major League Baseball prospect and current UCLA commit pitcher Nolan Martinez.

Morningside begins the Bay League against Peninsula High in Rolling Hills Estates this week. After visiting the Panthers on Wednesday, the Monarchs host Peninsula Friday at 3:15 p.m. Morningside, then, visits a 13-0 Redondo team next Wednesday at the same time. The Sea Hawks are the defending CIF-Southern

Section Division III champions who were also ranked number-one in the poll as of last week.

LOCAL HOOPSTERS VIE IN ALL-STARS

Several prep boys’ and girls’ basketball players played in last Friday’s Annual South Bay All-Star Classic at South Torrance High. It started with the girls’ game that saw the Red team defeat the Blue stars 78-65. In the boys’ contest, it was the Blues that won a “Showtime” type contest over the Reds 141-129.

The Blue stars led virtually the entire boys’ game that saw 28 players score with 15 of those in double figures. The Blues were led by Inglewood’s Jordan Bell with a game-high 22 points. His Sentinel teammate Chance Hunter added 10 for the winners. The Blues had nine players score in double figures. For the Reds, two other Inglewood standouts, Terrell Gomez and D’Angelo Smith each chipped in 18 points and were tied for the second on the team behind St. Bernard’s Julian Ross with 20. Ross helped the Vikings win the CIF-Southern California Division V championship over Rancho Christian from Temecula, a team that defeated St. Bernard for the Southern Section Division VA crown. St. Bernard lost to St. Joseph-Notre Dame from Alameda 55-50 in the California State Division V Championship on March 26 at the Sleep Train Arena in Sacramento. Hawthorne’s Christian Brown also had a fine game with 13 points for the Reds.

In the girls’ game for the Reds, Brianna Anderson (Hawthorne), Cheyenne Tannen (Leuzinger, eight points) and Taylor Hall (Lawndale, seven points) made good contributions. Local players on the Blues included Talia Jones (Hawthorne), Talia Ward (Lawndale) and Jalyn Riggs (Leuzinger). Riggs had eight points for the Blues. •

Hawthorne High center fielder Shawn Lofton throws ball to the infield in last week’s non-league baseball game against Gardena. The Cougars edged the Panthers 3-2 in eight innings.

Solar Storms Ignite X-Ray “Northern Lights” on Jupiter

By Bob Eklund

Solar storms are triggering X-ray auroras on Jupiter that are about eight times brighter than normal over a large area of the planet and hundreds of times more energetic than Earth’s “northern lights,” according to a new study using data from NASA’s Chandra X-ray Observatory. This result is the first time that Jupiter’s auroras have been studied in X-ray light when a giant solar storm arrived at the planet.

The Sun constantly ejects streams of particles into space in the solar wind. Sometimes, giant storms, known as coronal mass ejections (CMEs), erupt and the solar winds become much stronger. These events compress Jupiter’s magnetosphere, the region of space controlled by Jupiter’s magnetic field, shifting its boundary with the solar wind inward by more than a million miles. This new study found that the interaction at the boundary triggers the X-rays in Jupiter’s auroras, which cover an area bigger than the surface of the Earth.

A series of composite images show Jupiter and its aurora during and after a CME’s arrival at Jupiter in October 2011. In these images, X-ray data from Chandra (purple) have been overlaid on an optical image from

the Hubble Space Telescope. The left-hand panel reveals the X-ray activity when the CME reached Jupiter, and the right-hand side is the view two days later after the CME subsided.

The impact of the CME on Jupiter’s aurora was tracked by monitoring the X-rays emitted during two 11-hour observations. The scientists used that data to pinpoint the source of the X-ray activity and identify areas to investigate further.

The dramatic findings complement NASA’s

Juno mission this summer which aims to understand the relationship between the two biggest structures in the solar system—the region of space controlled by Jupiter’s magnetic field (i.e., its magnetosphere) and the region controlled by the solar wind.

“There’s a constant power struggle between the solar wind and Jupiter’s magnetosphere,” explained William Dunn, lead author and PhD student at University College London’s Mullard Space Science Laboratory “We want to understand this interaction and what

effect it has on the planet. By studying how the aurora changes, we can discover more about the region of space controlled by Jupiter’s magnetic field, and if or how this is influenced by the Sun. Understanding this relationship is important for the countless magnetic objects across the galaxy, including exoplanets, brown dwarfs and neutron stars.”

NASA’s Juno spacecraft, launched in 2011, will investigate Jupiter’s relationship with the Sun and the solar wind by studying its magnetic field, magnetosphere and aurora. The UCL team hopes to find out how the X-rays form by collecting complementary data using the European Space Agency’s X-ray space observatory, XMM-Newton, and NASA’s Chandra X-ray observatory.

“Comparing new findings from Jupiter with what is already known for Earth will help explain how space weather is driven by the solar wind interacting with Earth’s magnetosphere,” said Professor Graziella Branduardi-Raymont, supervisor of the study at UCL. “New insights into how Jupiter’s atmosphere is influenced by the Sun will help us characterize the atmospheres of exoplanets, giving us clues about whether a planet is likely to support life as we know it.” •

Bids shall be received in the Office of the **Hawthorne School District at 13021 S. Yukon Ave, Hawthorne, California 90250** and shall be opened and publicly read aloud at the above state time and place. Any bids received after the time specified above or after any extensions due to material changes shall be returned unopened. Minimum contract term is one (1) year. Quoted prices must stay in effect for one (1) year after award of bid and may be extended upon mutual consent of District and Contractor for an additional four (4) years in accordance with provisions contained in Education Code Section 117596 and the bid documents. CONTRACTOR should consult the General Conditions, Supplementary Conditions, and General Requirements regarding Milestones and Liquidated Damages. Bids shall be received in the place identified above, and shall be opened and publicly read aloud at the above-stated time and place. Please allocate additional time due to parking restrictions in the area. Each bidder shall be a licensed contractor pursuant to the California Business and Professions Code, and be licensed to perform the work called for in the Contract Documents. The successful bidder must possess a valid and active **Class C7 and/or C10** License at the time of bid and throughout the duration of this Contract. The Contractor’s California State License number shall be clearly stated on the bidder’s proposal. Subcontractors shall be licensed pursuant to California law for the trades necessary to perform the Work called for in the Contract Documents. Each bid must strictly conform with and be responsive to the Contract Documents as defined in the General Conditions. In accordance with California Public Contract Code Section 22300, the Owner will permit the substitution of securities for any moneys

withheld by the Owner to ensure performance under the Contract. Each bidder’s bid must be accompanied by one of the following forms of bidder’s security: (1) cash; (2) a cashier’s check made payable to the District; (3) a certified check made payable to the District; or (4) a bidder’s bond executed by a California admitted surety as defined in Code of Civil Procedure section 995.120, made payable to the District in the form set forth in the Contract Documents. Such bidder’s security must be in an amount not less than ten percent (10%) of the maximum amount of bid as a guarantee that the bidder will enter into the proposed Contract, if the same is awarded to such bidder, and will provide the required Performance and Payment Bonds, insurance certificates and any other required documents. In the event of failure to enter into said Contract or provide the necessary documents, said security will be forfeited.

Prevailing wages are applicable to the Project. The Contractor and all subcontractors shall comply with the requirements set forth in Division 2, Part 7, Chapter 1 of the Labor Code. The District has obtained from the Director of the Department of Industrial Relations the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work in the locality in which this work is to be performed for each craft, classification or type of worker needed to execute the Contract. These per diem rates, including holiday and overtime work, as well as employer payments for health and welfare, pension, vacation, and similar purposes, are on file at the District and are also available from the Director of the Department of Industrial Relations. Pursuant to California Labor Code Sections 1720 et seq., it shall be mandatory upon the Contractor to whom the Contract is awarded, and upon any subcontractor under such Contractor, to pay not less than the said specified rates to all workers employed by them in the execution of the Contract. A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in the Labor Code, unless currently registered and qualified to perform public work pursuant to Labor Code section

1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded. The Contractor and all subcontractors shall furnish certified payroll records as required pursuant Labor Code section 1776 directly to the Labor Commissioner in accordance with Labor Code section 1771.4 on at least on a monthly basis (or more frequently if required by the District or the Labor Commissioner) and in a format prescribed by the Labor Commissioner. Monitoring and enforcement of the prevailing wage laws and related requirements will be performed by the Labor Commissioner/ Department of Labor Standards Enforcement (DLSE). All bonds (Bid, Performance, and Payment) must be issued by a California admitted surety as defined in California Code of Civil Procedure section 995.120. Where applicable, bidders must meet the requirements set forth in Public Contract Code section 10115 et seq., Military and Veterans Code section 999 et seq, and California Code of Regulations, Title 2, Section 1896.60 et seq, regarding Disabled Veteran Business Enterprise (“DVBE”) Programs. Any request for substitutions pursuant to Public Contract Code section 3400 must be made at the time of Bid on the Substitution Request Form set forth in the Contract Documents and included with the bid. No telephone or facsimile machine will be available to bidders on the District premises at any time. Separate payment and performance bonds, each in an amount equal to 100% of the total Contract amount issued by a California admitted surety as defined in California Code of Civil Procedure Section 995.120, are required, and shall be provided to the Owner prior to execution of the Contract and shall be in the form set forth in the Contract Documents. It is each bidder’s sole responsibility to ensure its bid is timely delivered and received at the location designated as specified above. Any bid received at the designated location after the scheduled closing time for receipt of bids shall be returned to the bidder unopened. Bid Security. Each Bid Proposal shall be accompanied by Bid Security in an amount Ten Percent (10%) of Maximum amount of Bid. Failure of any Bid Proposal to be accompanied by Bid Security in the form and in the amount required shall render such Bid Proposal to be non-responsive and rejected by the District. No Withdrawal of Bid Proposals. No Bidder shall withdraw its Bid Proposal for a period of ninety (90) days after the award of the Contract by the District’s Board of Education. During this time, all Bidders shall guarantee prices quoted in their respective Bid Proposals. Substitute Security. In accordance with the provisions of California Public Contract Code §22300, substitution of eligible and equivalent securities for any monies withheld by the District to ensure the Contractor’s performance under the Contract will be permitted at the request and expense of the Contractor. The foregoing notwithstanding, the Bidder to whom the Contract is awarded shall have thirty (30) days following action by the District’s Board of Education to award the Contract to such Bidder to submit its written request to the District to permit the

substitution of securities for retention. The failure of the Bidder to make such written request to the District within said thirty (30) day period shall be deemed a waiver of the Bidder’s rights under California Public Contract Code §22300. If the Contractor submits a valid request, securities equivalent to the amount withheld shall be deposited with the District, or with a state or federally chartered bank as the escrow agent, who shall then pay such moneys to the Contractor at the expense of the Contractor. Upon satisfactory completion of the Contract, the securities shall be returned to the Contractor. Waiver of Irregularities. The District reserves the right to reject any or all Bid Proposals, make multiple awards, or to waive any irregularities or informalities in any Bid Proposal or in the bidding. Award of Contract. In accordance with the California Public Contract Code section 20118.1, the District may contract with one of the three lowest responsible bidders who best meet the needs of the District as set forth in the Bid Documents. The Contract for the Work, if awarded, will be by action of the District’s Board of Education to the responsible Bidder submitting one of the three lowest responsive Bid Proposal. If the Bid Proposal requires Bidders to propose prices for Alternate Bid Items, the District’s selection of Alternate Bid Items, if any, for determination of the lowest priced Bid Proposal and for inclusion in the scope of the Contract to be awarded shall be in accordance with this Notice and the Instructions for Bidders. Inquiries and Clarifications. The Bidder is advised that all inquiries and clarifications about the Bid Documents, Drawings, Specifications, etc., shall be submitted to the District in writing at least Eight (8) days before the bid opening date. The District will respond at its earliest possible opportunity. Verbal communication by either party with regard to this matter is invalid. Inquiries shall be sent in writing to Aneska Ines Kekula at ikekula@hawthorne.k12.ca.us or mailed to Ms. Kekula at Hawthorne School District, 13021 S. Yukon Ave. Hawthorne, CA 90250. All inquiries must be received by **April 19, 2016, at 4:00 PM.** The District will not respond to any inquiries after this time. Bidders are solely responsible for ensuring their written inquiry is received prior to this deadline and the District is not responsible for any delays or errors in delivery. The District will issue responses to all inquiries through its website at <http://www.hawthorne.k12.ca.us/>. Bidders are responsible for reviewing the District’s website and incorporating any and all clarifications provided therein into their Bid. It is each bidder’s sole responsibility to ensure its bid is timely delivered and received at the location designated as specified above. Any bid received at the designated location after the scheduled closing time for receipt of bids shall be returned to the bidder unopened.

Pacific Coast Highway Redondo Beach 90277, from noon-3:30 p.m. If you are interested in volunteering and can commit to at least one Saturday a month, please contact us at info@msfr.org. You can also visit all of our Miniature Schnauzers & Friends rescues at the adoption fair or check out our website, www.msfr.org. If you have any questions about a particular dog's availability you can email us at info@msfr.org. Schnauzers! Bet you can't adopt just one!

Hi there, my name is **Donald** and I'm a lovable, 17-pound, 5-year-old, male purebred Miniature Schnauzer who has had a pretty eventful life. One night I was out for a stroll and the next thing I knew I was in a LA county shelter. I was told that I ended up there after sustaining some nasty injuries when a car hit me. Since I was a stray and injured I wasn't going to be adopted so I was very lucky to be rescued by the MSFR folks. They took me to their Vet who took x-rays and found that that I had several fractures in my pelvis. The surgery, on Feb. 10, to repair my pelvis required a plate and six screws. I have completely recovered from surgery and am now on a mission to find my forever home. My visit to the groomer has transformed me into quite a good-looking guy. My eyes and my natural tail are my best features but my sweet temperament is

what will win you over. If you are interested in Donald, please email info@msfr.org for more information.

If you're looking for a quiet girl, who has good manners and gets along with everyone, just come to adoptions and ask for **Lainey**! I'm a 6-year old, female purebred Miniature Schnauzer. I was rescued from an inland empire shelter after the adoption coordinator contacted the MSFR folks inquiring if they would rescue me. I had a hernia that needed surgery and the shelter knew my best chance

Lainey

to find a forever home was to be rescued. My hernia was repaired and I had a dental resulting in the extraction of four teeth. I have a beautiful, natural tail and even though I'm a "full figured" gal, 21-pounds, there's just more of me to love. I'm looking for someone to love me as much as I would love them back. If you are interested in Lainey, please email info@msfr.org for more information.

The call me **Gibson** and I am a most unique looking little guy. I'm a 2-year old, male "Schnoodle" (Schnauzer/Poodle) mix.

Lorena

Folks think that the "mix" could be a touch of Lhasa Apso but we really don't know for certain. Whatever my questionable heritage is everyone thinks I'm cute as a button with a personality to match. I was rescued from an LA county shelter where they called me a stray. I'm an absolute delight to have around and I'm considered a real treasure. I'm super sweet and I get along splendidly with everyone. I have to admit that I am a bit on the shy side and a tad submissive but when you're only 13 pounds, I call that being cautious. If you are interested in Gibson, please email info@msfr.org for more information.

My name is **Lorena** and I'm a friendly, easy-going, female Pit mix. I was rescued from a high-kill Inland shelter where I was called a stray. The reality is that I got lost trying to run away from all of the noise on July 4 and never made it home. The folks at the shelter thought I could be about 5 years old but my foster Mom said I'm closer to 3-years old. I am a good-natured gal and I'm very teachable because I want so much to please. I'm pretty smart and have learned some great manners. I'm crate trained, well behaved in both the house and the car and I'm super great on the leash. I would be happiest in a home as an only dog. I know that I will make an excellent companion and bring years of happiness to the family who is lucky enough to adopt me! If you have questions or are interested in Lorena, please email emread@verizon.net. •

Happy Tails

A "Very Special Happy Tails" for Tracey!

Often times our rescues come to us, via shelters, after being abandoned by their owners when the dogs become old and/or are in failing health. While there are plenty of these heartless, contemptible people in the world, there are also some who are the exact opposite. That's why this is a Very Special Happy Tails for a dog who, despite a terminal medical problem, captured the hearts and now the home of some truly wonderful people.

Tracey is our 6-year-old boy who was rescued in November. We removed a huge melanoma tumor on his back but because of narrow margins, there were no guarantees the cancer wouldn't reoccur. Follow up x-rays and test results continued to provide good news and kept us hopeful. A few weeks ago all that changed when nodules appeared and the biopsy showed that the cancer was back and had spread. There isn't anything medically we can do for this little guy because it's so aggressive but he's still very active and happy.

His adopters have been in constant communication with MSFR since they first spotted Tracey on our website. They immediately wanted Tracey and even after hearing the latest news, nothing could change their minds. These folks have huge hearts, generous spirits and a never-ending compassion for these unwanted dogs. They are previous adopters and most, five of the six, dogs they adopted have been seniors or special needs, who probably never would have been adopted, adored and loved beyond belief for the remainder of their lives. These extraordinary people know that he's in "hospice" care and may only have 6-12 months left but they are determined to make those the best years of his life. In addition to his Mom and Dad, Tracey joins MSFR 2012 alumni Atticus (now named Buddy).

Being in rescue, you meet some despicable, selfish, uncompassionate people but then when you meet the ones like Tracey's adopters – well, it restores your faith in humanity. •
