Arts and Fitness Programs Fortified at Wiseburn Schools

By Haleemon Anderson

The Wiseburn Board of Trustees focused on extracurricular programming at its meeting last week, approving youth fitness and art programs to be provided by outside contractors.

The Board approved a Youth Fitness Program, which will cover Juan de Anza students from grades 1 through 5, and grades 3 through 5 at Peter Burnett. The activities will be provided by the Westchester YMCA during regular school hours.

The board authorized an agreement with P.S. Arts to continue providing visual and performing arts classes at the elementary level. Superintendent Tom Johnstone explained the district has contracted with the non-profit organization for three years. The arts organization generally acts as coordinator of all programming, scheduling and personnel for the schools it serves. Board Vice President JoAnne Kaneda asked for clarification on the role of coordinator, and that motion was tabled.

“They provide a pretty comprehensive arts program,” said Johnstone, noting P.S. Arts has increased services and full time music programming to 3rd grade. P.S. Arts was founded in response to continued cuts to arts programs and funding throughout the state. It operates arts programs as far north as Fresno and Greenville, California, providing yearlong arts education in dance, music, theater, and visual arts to every child during the regular school day.

P.S. Arts’ website features Wiseburn, noting... “The Wiseburn Unified School District has a long history of having arts-rich schools and P.S. ARTS is proud to be serving 3 of its schools with arts programs. Juan de Anza’s and Peter J. Burnett’s 3rd-5th graders receive music classes and Juan Cabrillo’s students have had visual arts for the past 3 years.” Other local school districts that also contract with P.S. Arts include Compton, Hawthorne, Inglewood, Lawndale, LA Unified and Santa Monica.

Students from Juan De Anza Elementary, along with Principal Albert Paredes, were

present in the boardroom. The students demonstrated mobile devices built in class and an interactive game. The board and audience members at the meeting were invited to log on to the game using their smart phones and play along as the students showed off their skills at Kahoot. Game play was displayed in real time on the overhead projector and board members were quite competent at the game, although a student ultimately won.

“The Wiseburn Unified School District has a long history of having arts-rich schools and P.S. ARTS is proud to be serving 3 of its schools with arts programs”

The learning platform allows students to create their own games using multiple choice questions. The game fosters friendly competition and according to the website getkahoot.com, “Kahoots are best played in a group setting”...where they create a “campfire moment--encouraging players to look up”...at the large screen display to find out how other players are doing.

Phase two construction at the Wiseburn High School site is projected to start on December 19, said Johnstone. With approval from the state architect’s office, bids can be accepted starting November 18 until the 29th.

Director of Facilities Vince Madsen clarified two proposals up for board approval. In the phase one scope, additional funding of \$20 thousand is needed for the theatre building, for geotechnical monitoring and soil testing. In addition, a design survey is needed at the parking lot site. Now that the area has been cleared, the survey is a precaution to avoid potential sinkholes before the lot is filled, said Madsen. Both proposals passed unanimously.

Board member Nelson Martinez acknowledged the work of Maintenance & Operations Manager Bill Denney, who was on hand at the meeting. “The schools look phenomenal,” said Martinez. “It’s one of the many reasons I’m proud to be a part of this

board and this school district.”

VP Kaneda also thanked Denney and his team, saying, “The district’s schools just seem to glow. It’s something to be truly proud of.”

Board Member Neil Goldman reported on the arts commission and said he was happy to get it going and moving toward getting the director position filled.

Board Member Roger Banuelos attended 6th grade camp. He acknowledged the weekend programming was a change and thanked everyone who participated. He also reported on the area-wide anti-bullying event at the Forum.

Martinez also attended the event and reported Wiseburn 6th graders attended. He said it would be worthwhile to share the information with other grades, and asked if the event was taped for simulcast. Assistant Superintendent Chris Jones said over five thousand students were in attendance.

Chief Business Officer David Wilson reported a surplus of \$1.3 million from one-time state funds for 2015-16, will result in \$515 thousand in surplus this year. Wilson also reported that rentals of the district’s sports facilities to local volleyball clubs and other teams nets \$30 thousand in profits yearly, putting Wiseburn’s gym accounts at \$118 thousand. The board funds Wiseburn sports programs through the account and also provides upkeep and maintenance on the Dana Gym. Jones reported that all available sports fields and gyms are getting maximum usage with Harmony, AYOS and volleyball coming in on Saturdays.

Board President Israel Mora, who participated in the meeting via phone, thanked the board for their patience and assured everyone he will return to the boardroom in two weeks.

It was announced the Dana Middle School yearly Spooktacular will take place on Friday, October 28th from 5:00-7:30 p.m.

The next regular meeting of the Wiseburn Unified School District Board will be held on October 27 at 7 p.m. The board meets every second and fourth Thursday, unless otherwise announced; the meeting is preceded by a one-hour closed session. •

West Basin Water Harvest Festival 2016 Celebrates a Water Wise Lifestyle and Decades of Water Recycling

West Basin Municipal Water District (West Basin) will host its annual Water Harvest Festival on Saturday, Oct. 22 from 10 a.m. to 2 p.m. at its Edward C. Little Water Recycling Facility in El Segundo. The family-friendly event features more than 30 educational booths, water-related activities including fun games and stage shows, along with a kids costume contest, face painting, reptile petting zoo, photo booth and an opportunity to win a grand prize giveaway. Water Harvest activities, demonstrations and shows encourage, promote, and focus on water wise living, environmental stewardship, and water conservation by demonstrating how to use water efficiently in and around the home. The Discovery Science Founda-

tion's Discovery Cube will also provide youth interactive learning programs. West Basin will host tours of the water recycling facility every 15-minutes throughout the event. Visitors can get an inside look at the process of converting wastewater into five different types of "designer" waters for non-potable uses. Tour guests even have the opportunity to taste the recycled water, which is purified to drinking water quality. Since the facility was first built more than two decades ago, it has produced over 175 billion gallons of recycled water, conserving potable water and keeping 40 million gallons of wastewater from the ocean each day. Provided by West Basin Municipal Water District. •

News for the City of Good Neighbors from City Clerk Huber

COMMUNITY BBQ DINNER – THIS THURSDAY

The Hawthorne Presidents’ Council will be hosting their annual Community BBQ Dinner this Thursday, October 20th at the Memorial Center. Tickets are only \$5 for adults and \$2.50 for children. The kitchen will be open from 5 to 6:30 p.m. Bring your cash to buy raffle tickets. Donations all go to help the Presidents’ Council purchase food baskets and toys for community families during the upcoming holiday season. Members of the LA County Fire Department will be there to share safety tips to protect your family and home.

Pancake Breakfast and E-Waste Roundup and Shredding Event

The Ramona Neighborhood Association is planning a pancake breakfast to be held on Saturday, October 29th at Ramona Park from 9-11 a.m. It is free to Ramona Neighborhood Association members and only \$2 for non-members. On that same day, Allied Waste is holding an E-Waste Roundup and Shredding Event at the Memorial Center.

“MY BROTHER’S KEEPER” SUMMIT

A large crowd turned out for the kick off to a very important program regarding saving our youth from falling through the cracks and into trouble. My Brother’s Keeper-Hawthorne Summit was a gathering of many city leaders and educational types who worked on networking and strategies to help save our youth. The meeting held this past Tuesday night at Hawthorne High School was only the beginning of our push to meet the challenge put forth by President Obama. I’m sure we will be hearing much more concerning these efforts to help kids from preschool on up.

DON’T MENTION IT

How’s the weather? How are you doing? That would be small talk. We usually make casual conversation just to be nice to a coworker or fellow churchgoer. But, no one wants to go further than that these days. No one wants to mention the “E” word, the E standing for “Election”. A better question is how are you coping with it? Are you watching the Dodger games and trying to forget about our national mess? Are you just wanting it to be over soon? Are you going to vote for President or are you just going to leave that space blank? It seems like the whole nation is in a dilemma. Most election years, people would want to advocate for their candidate. This year, more people are voting against a candidate than for a candidate. Then we have too many measures on the California ballot to really deal with. Should we legalize pot? Should we ban plastic bags? Should

adult film stars be required to wear protection during filming? It gets to be overwhelming. We live in a sin filled world and politics seems to bring out the worst of our world. It seems like ALL elected officials are crooks, except of course for city clerks who talk about cold ones and God and their old lady keeping them in line and how they get

high on life and black coffee. Who needs pot? Live the high life; just don’t mention the E word.

DROP OFF YOUR ABSENTEE BALLOT AT CITY CLERK’S OFFICE

We have an official election drop off box in the city clerk’s office in city hall. You can personally drop your absentee ballot into the ballot box during our regular office hours which are from 7:30 a.m. to 5:30 p.m. Monday thru Thursday. The LA County Register’s Office will be collecting the ballots and counting them prior to November 8th.

HUMAN TRAFFICKING

As a secondary school educator, I am concerned for the students. I see that some of them are addicted to their electronic devices. I discovered some scary statistics recently: Children 8 to 18 years of age spend 7 hours and 38 minutes in front of a screen on an average day. There are over 1 million predators lurking on the internet at any one time looking for underage boys and girls to groom into coming over to the dark side. The dangers that our technologically advanced world brings right to the pocket of our teens is unbelievable. Most parents are unaware of the great risks their children face by being active on the internet. Here are some stats: 95% of teens are online, 90% use social media. 76% use Instagram and 59% are on Twitter. 87% of teens send text messages at least occasionally. On average 18 to 24 year olds, send 130 texts a day or 3,853 a month. Finally, 91% of our teens post a photo of themselves on the world wide web. That means their image is out there for the world to see. With location finding data, the bad guys now can determine exactly where a person lives or travels to. If you have a child, you may want to read this book entitled, “Seduced – The Grooming of America’s Teenagers” by Opal Singleton. She has done the research and now conducts workshops for parents, educators and law enforcement on America’s youth and human trafficking. It only takes one post and you can lose your bright, young child to prostitution and gangs. The problem is no longer international, it is right here on main street America. •

Financial Tips: 5 Ways to Digitize Your Life and Save Even More

(BPT) - Technology evolves and improves seemingly every time you blink. From apps to virtual reality and voice assistants to robots, technology affords us the ability to make life easier so we can enjoy what matters most to us. And when it comes to managing finances, digitizing your life can actually have a bonus effect on your wallet.

Digital Lifestyle Expert Katie Linendoll teamed up with Capital One to share simple tips to digitize your life and save even more. “We live in a day and age where new technologies afford us the ability to improve our lives in new, offbeat ways,” Linendoll says. “By applying that same principle to our personal finance routines, we’re better poised to cut unnecessary costs while saving precious time and hard earned money, too.”

Whether you’re budgeting for back-to-school season, saving for your next vacation or simply just “tech curious,” Linendoll’s tips offer a great way to employ modern technology to aide your bottom line.

1. Make Your Home Smarter. Strengthening your financial IQ begins at home. Enhancing your home life with smart products can save

you time, energy and money. By switching to a smart thermostat, which can turn on and off when you need to, you’ll save up to \$145/year.

2. Cut The Cord. The average cable bill per household is around \$99 per month, and most people only watch a handful of those

channels. A one-time purchase of a media streaming device costs about the same as a single month of cable. Subscribe to your favorites and you can save around \$1,000 a year.

3. Leverage Cutting Edge Technology. Voice-activated technologies hold a lot of

promise to make our lives easier. For example, with the Capital One Skill for Amazon Alexa, you can use any Amazon Alexa-enabled device like the Amazon Echo to access your Capital One accounts and check your balance, make a payment and manage your account - all using just your voice.

4. Trade In Your Old Tech For Cash. Have some old phones and tablets lying around? They could be worth a couple hundred bucks. Many internet trade-in sites and retail stores will offer gift cards and even free shipping for your old tech through something called “recommerce,” aka reverse commerce. If you can make money off old things lying around, do it!

5. Take Charge Of Your Spending (and saving). Many Americans struggle to come up with emergency expenses, which makes having the flexibility to bank more ways all the more critical. Enroll with a bank like Capital One, which offers great digital tools and services - such as Online BillPay, Enhanced Transactions, Mobile Check Deposit and Personalized Alerts - which ultimately work harder for you and your bottom line. •

Notice to Potential Bidders If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a Trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a Trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same Lender may hold more than one mortgage or Deed of Trust on the property. Notice to Property Owner The sale date shown on this Notice of Sale may be postponed one or more times by the Mortgagee, Beneficiary, Trustee, or a court,

pursuant to Section 2924g of the California Civil Code. A black and white photograph of two fried eggs on corn tortillas, garnished with salsa, cilantro, and lime wedges, served on a wooden board. The eggs are sunny-side up, with the yolks intact. They are placed on a dark wooden cutting board. The tortillas are topped with a thick layer of salsa, fresh cilantro leaves, and thin slices of onion. Two lime wedges are placed on the board next to the eggs. In the background, there are whole tomatoes and a patterned cloth. The overall composition is rustic and appetizing.

1. Bake tortillas in a single layer on a large baking sheet in preheated 400-degree oven for 7 to 10 minutes or until crispy.
2. For sunny-side up, over-easy or over-hard eggs: heat half the butter in a large nonstick skillet over medium-high heat until just melted. Break 4 eggs and slip into skillet one at a time. Immediately reduce heat to low.
3. Cook eggs about 5 minutes or until whites are completely set and yolks begin to thicken but are not hard. Serve as is or flip eggs carefully with turner and cook second side to desired doneness. Sprinkle eggs lightly with salt and pepper if desired. (Repeat method with remaining butter and 4 eggs, or prepare all 8 at once in 2 large nonstick skillets or on one large flat griddle.)
4. Spread warm refried beans evenly over tortillas. Spoon tomatillo salsa over half the tortillas and tomato salsa over remaining half. Top each tortilla with 1 fried egg. Transfer one of each salsa-topped tortilla to 4 dinner plates and garnish evenly with red onion and cilantro. Serve immediately.
