Superintendent Swears In Board Members, Board Conducts Annual Reorganization

By Cristian Vasquez

In a crowded boardroom and during the final school board meeting of the year, Superintendent Dr. Helen Morgan administered the oath of office for seated board members Cristina Chiappe and Alexandre Monteiro.

The meeting was started with Chiappe and Monteiro, who were still board president and vice president respectively, retaking their seats on the board after being reelected to office.

“I want to take one second to thank you all for your support,” Chiappe said to everyone in attendance after her taking her oath. “For me it is a real pleasure and an honor that I take very humbly to serve my community. Another four years of trust means so much to me and I am really pleased to serve with four wonderful board members that are on the same page: we have the kids as a priority.”

Chiappe and Monteiro were school board members when the economy took a downward spiral, forcing school districts across the country to function with significantly reduced budgets.

“This is my third term as a board member and it has been a pleasure and it has been fun,” Monteiro said. “Since 2007 we have had some turbulence with the economic downturn but we survived and this district has strived. This district has been great: when we go to conferences from San Francisco to San Diego, there are people talking about Hawthorne.”

The Dec. 9 meeting also hosted the board’s annual reorganization efforts, which requires that the trustees reorganize by nominating

and appointing different board members to serve as president, vice president and clerk from its members. The reorganization also requires the trustees appoint a board secretary for the upcoming year.

“It’s not easy because we know that our children have a lot of challenges but we faces these challenges every single day and we have been very successful.”

Monteiro was nominated and unanimously approved for the 2015-2016 organizational year as president of the board; Dr. Eugene Krank was appointed by his colleagues as vice president the board while Board Member Sergio Mortara appointed clerk. Superintendent Dr. Morgan was appointed board secretary.

Both Chiappe and Monteiro acknowledged that much of the board’s success is based on cooperation among all parties throughout the school district.

“It’s not easy because we know that our children have a lot of challenges but we faces these challenges every single day and we have been very successful,” Monteiro said. “We all work together as a team, but I always say that it is you, the teachers, the administrators, the principals and the custodians, all of you are the pillars of this district. Without you we don’t shine and all of you guys have been making us shine every single day.”

“This is my fourth term but I can still feel the butterflies,” Chiappe said. “That’s because I still feel passionate.”

School District To Implement Uniform Policy

A second public hearing on implementation of school-wide uniform policies at Kornblum Elementary and Ramona Elementary Schools, as well as Hawthorne Middle, Prairie Vista Middle and Bud Carson Middle Schools was set for January 6, 2016.

“While many of our schools have had a uniform dress policy in place for several years, we are expanding the practice to all of our schools,” Dr. Morgan stated through her ‘Message from the Superintendent’ on the district homepage. “Each school has gone through the process of working with their School Site Councils to make a recommendation to the Hawthorne School District Board of Trustees for adoption.”

If the board votes to implement the policy, students will be required to begin wearing school uniforms as of Jan. 11, 2016. During the public hearing at the Dec. 9 board meeting there weren’t any members of the public present but Dr. Morgan shared that district officials have hosted multiple parent conferences to discuss the implementation of a uniform policy.

School uniform policies have been a long-standing method for schools to identify their student body on and off campus, during school hours. Persons interested or with concerns are encouraged to contact their school office, or to attend the Jan. 6 public hearing. •

News for the 'City of Good Neighbors'

From City Clerk Norb Huber

CITY COUNCIL SETS UP PROCEDURE TO FILL VACANT SEAT

The Hawthorne City Council met Tuesday night to talk about how the vacant seat left by new Mayor Alex Vargas was going to be filled. The council has the power just to appoint a resident of Hawthorne to finish out the two remaining years on the four year term that Mr. Vargas won in 2013. With his election to mayor, the council was left with an open seat. The council decided to begin an application process to fully make their work as transparent as possible. Qualified voters of Hawthorne can submit an application that will be reviewed by the council. You may call the City Clerk's Office for more information, 310-349-2915.

PREPARING FOR THE WET WEATHER

Rain is on the way. We have had a few showers here and there, but all the forecasts call for many days of wet weather in the coming months. That is why I have a small project that I invite you to participate in. I received a \$250 grant of seed money to do something charitable in my community. With the seed money we would like to secure jackets and blankets for the homeless of Hawthorne. We would like to distribute these during the upcoming holiday period. If you have some larger jackets or rain ponchos in your closet that you do not plan on wearing and you would like to contribute to our cause, then you can drop them off at the Hawthorne Museum. (If the museum is not open then just place them in front of the door and we

will come by to pick them up.) If you would like to make a financial donation then make checks payable to Hawthorne Historical Society. You can drop your check off during museum hours, Tuesdays and Saturdays from 11 a.m to 2 p.m. or mail it to the Hawthorne Historical Society 12622 S. Grevillea Avenue, Hawthorne, CA 90250.

Thanks in advance for your help reaching out to our large homeless population.

CRAZY WORLD – HOW TO MAKE SENSE OF IT ALL

We are living in a crazy world. It's hard to make any sense out of it all. If you think things are going to get better, you better think twice. If you think that our law enforcement can crack down on the bad guys and our military can strike down every enemy, you better not get your hopes up too high. We live in a world where some do not value life. Hatred and killings have been with us since man fell into sin. It is into this dirty world that a perfect baby was born. Jesus was born in a dirty manger. He came to be with us. He came to give us life, a new, clean life, free from the dirt of the world. Christmas is about bringing hope and joy to us. The crazier the world gets, the more we realize what our faith means to us. We can never be safe here on earth, but we can know that God is in control and He cares for us and will bring us to a safe home with Him. Just like the angels appearing to the shepherds out in the field, we too can stand and hear the great choir singing, "Joy to the World". God bless you and your family with a very Blessed Christmas! •

Leuzinger Falls to Brentwood in Overtime

By Joe Snyder

Leuzinger High's young boys' basketball team finished the Beverly Hills Tournament in 14th place after losing a 59-55 overtime contest to Brentwood School in the 13th place final last Saturday.

The Olympians, who fell to 3-5, held an eight-point halftime lead at 28-20 at halftime, but saw the Eagles outscore them 19-9 in the third quarter to grab a 39-37 edge. Leuzinger came back to outscore Brentwood (4-4) 16-14 that included a three-point basket by Rodrigo Saldana with 15 seconds left in regulation. The Eagles missed a go-ahead shot as Leuzinger rebounded but the Olympians' Terell Williams missed a layup at the buzzer that sent the contest in the overtime with the game tied at 53. The four-minute overtime period saw Leuzinger muster just two points as Brentwood scored six as the Eagles prevailed.

"This was a tough tournament," Leuzinger first year head coach Arturo Jones said. "Our goal was to go 2-2. We had a missed layup at the end of regulation and we lost the game. This was a winnable game for us."

Davion Crowder led the Olympians with 14 points, followed by Kavon Fair and Tyler Ridley, each with 10. Terell Williams added eight points. The Olympians went 1-3 in the classic with their only win over Los Angeles-Palms District Hamilton 49-44 last Thursday. Against the Yankees (0-4), Leuzinger jumped out to a 16-5 first quarter lead but Hamilton

made it tighter outscoring the Olympians 24-17 in the second and third periods, combined, cutting Leuzinger's lead to four (33-29). The Olympians, behind Damani Washington's game-high 23 points, were able to hold off the Yankees. Hauser Clark added 15 points for Leuzinger. Louis Wilker led Hamilton with 19 points.

The Olympians lost the first two games of the Beverly Hills Invitational, one of the oldest running prep boys' basketball preseason tournaments in California that was held since 1942 at its unique Swim Gym, where the basketball court covers a swimming pool below, to Mar Vista Windward 52-48 on December 7 and 54-35 to Montebello Cantwell-Sacred Heart on December 8.

Hanson Clark and Williams each scored 10 points against the Cardinals, who are expected to be strong contenders in the prestigious Del Rey League that includes Torrance Bishop Montgomery that is one of the top squads in the state, a very good L.A. Cathedral squad and Gardena Serra. Serra was also in the tournament finishing 11th after downing Santa Monica Crossroads 69-48 on Saturday. The Cavaliers, however, were shorthanded as two of their transfer players have to sit out until early January.

Washington led Leuzinger with 17 points in its loss to the Wildcats. Kavon Fair and Tyler Ridley each chipped in eight points. In the Rose City Classic at Maranatha High

in Pasadena two weeks ago, Leuzinger split four games. The Olympians finished seventh in the classic by topping John Muir High of Pasadena 49-44 on December 5. Damani Washington sparked Leuzinger with 15 points and 11 rebounds. Williams contributed 10 points and 10 rebounds.

The Olympians hosted Hawthorne in their cross-town rivalry last Tuesday. Leuzinger, then, will play in the Oaks Christian Tournament in Westlake Village, beginning Saturday at 4:45 p.m. against John Burroughs High from Burbank. Next Monday, the Olympians face Cleveland High from Reseda at 3:15 p.m., then will take on San Gabriel Academy Tuesday at 5 p.m. The finals are next Wednesday.

HAWTHORNE WINS ONE OF THREE AT ARTESIA

After winning the Los Angeles Harbor Classic during Thanksgiving Week, Hawthorne High's boys' basketball team found the Artesia Tournament tougher as it took just one of four games for 14th place in the 16-team classic.

The Cougars began the tournament on December 7 with a 58-49 loss to Marina High from Huntington Beach. A day later, Hawthorne fell to North Torrance 58-52. Last Friday, the Cougars topped Locke High from South L.A. 60-55, but Hawthorne fell to South Gate 59-54 in the 13th place game on Saturday. Hawthorne took a 30-20 lead

but saw North outscore the Cougars 38-22 in the second half to pull out the game.

After visiting cross town rival Leuzinger last Tuesday, Hawthorne (4-3) hosts Vista del Lago from Moreno Valley in a non-league game on Friday at 6:30 p.m. before taking off to Sacramento for a tournament, opening against Granite Bay Saturday at 9 p.m. The tournament runs through next Wednesday.

LAWNDALE FALLS IN FINAL

After advancing to the CIF-Southern Section Division IIAA and Southern California Regional Division II finals last season, Lawndale High's boys' basketball team is faced with rebuilding but started well by placing second in the Blue Pride Tournament last week at Montebello High.

The Cardinals (3-1) began the classic by crushing Aspire Olin University Prep from Huntington Park with a school record 126 points to 29 on December 9. The previous was 114 in 2006 when Lawndale lost a wild game to North Torrance 129-114. Last Thursday, the Cardinals defeated host Montebello 55-40. On Friday, Lawndale outlasted Temple City 67-66, then lost the final to Hacienda Heights Los Altos 69-62 on Saturday.

Lawndale travels to Sacramento to play in the St. Hope Elite Hoop Classic beginning on Saturday at 4:30 p.m. against Oak Ridge from El Dorado Hills. The classic lasts through next Wednesday. •

WINTER WATERING TIPS FOR OUTDOOR LANDSCAPING

Golden State Water Company thanks you, our customers, for the steps you have taken to reduce water use during the drought, and is offering these tips to help you maximize your water-use efficiency this winter.

- ❖ Winter should bring rain and cooler temperatures, presenting an opportunity to scale back irrigation.
- ❖ Turn off lawn irrigation systems during rainy periods, and avoid watering during and 48 hours following measurable precipitation.
- ❖ Install water-efficient sprinkler heads, and check to make sure your sprinklers are positioned to irrigate the lawn and not your sidewalk, driveway or gutters.
- ❖ Survey your lawn irrigation system and fix any sprinklers, valves and lines that may be damaged or leaking water.
- ❖ While hand watering your lawn, focus on dry spots and pay close attention to avoid runoff.
- ❖ Avoid watering your lawn on windy days to limit overspray and evaporation.

We are looking for volunteers to help with our pet adoption fairs which are held every Saturday at the Petco located at 537 N. Pacific Coast Highway Redondo Beach 90277, from noon-3: 30 p.m. If you are interested in volunteering and can commit to at least one Saturday a month, please contact us at info@msfr.org. You can also visit all of our Miniature Schnauzers & Friends rescues at the adoption fair or check out our website, www.msfr.org, if you have any questions about a particular dog's availability you can email us at info@msfr.org. Schnauzers! Bet you can't adopt just one!

They call me **Bubbles** and I think it's from all the shampoos I had during my treatment

for demodex mange. Not to worry it's all gone and I'm so looking for the only thing I want for Christmas – my forever home. I was rescued from a LA county shelter after I got lost and I was mess so it's not surprise no one wanted to adopt me. I'm a 1-year old, female Schnoodle (Miniature Schnauzer and Poodle mix) who has a lot

to offer. In addition to all of the puppy shenanigans, I'm very bright and extremely affectionate. I love other dogs and I sure hope I can find a home with another doggie pal. At 14 pounds I'm still very "transportable" so you can take me everywhere! If you are interested in Bubbles, please email info@msfr.org for more information.

My name is **Tracey** and I've asked Santa for one very special gift. A forever home with a doggie pal! If not a doggie pal, then I'd love a household where someone is home most of the time to keep me company – I don't like being alone. I'm a 6-year old, male, purebred Miniature Schnauzer with lots of affection to give my new family. When I was rescued from a Inland Valley Empire shelter I had a huge tumor on my back that was removed. I'm all better and so looking forward to spending the rest of my life loving my people and being the best companion ever. I'm super sweet and not very big, only 16 pounds, so I can easily accompany you wherever you want to take me. If you are interested in Tracey, please email info@msfr.org for more information.

Hi there I'm **Esmeralda** and I know the perfect family will agree that I've had a rough couple of months. First, my owner dumped me suddenly at a LA city shelter. Then I was going to be adopted by a family but that fell through when the shelter Vet, who was going to spay me, discovered that I had tumors on my uterus. That's when the MSFR people rescued me and took me

A black and white photograph of a small, scruffy dog with long, dark, shaggy fur. The dog is looking directly at the camera with dark, round eyes and a dark nose. It is standing on a light-colored wooden floor.

to their Vet. They took x-rays that revealed I was pregnant and the tumor was really a puppy! A week after that surprise I started feeling terrible so back we went to the Vet and found that the puppy was no longer alive. The Vet had no choice but to immediately spay me. When they were doing the procedure they found that my uterus had burst – no wonder I was feeling so crummy – so I had to stay with the Vet for three days before I was well enough to go home. I'm happy to report that I'm completely healed and ready to resume the best life ever for a 6-year old, female, purebred Miniature Schnauzer. Aside from being a stunning, parti-colored lady, I'm a petite gal at only 12 pounds. I get along fine with other dogs but will be just as happy with a people only family. If you are interested in Esmeralda, please email info@msfr.org for more information. •

Happy Tails

A close-up photograph of a Schnauzer dog's face. The dog is wearing a festive Santa hat with a red band and white fur trim. It has its mouth open, holding a large, green, round Christmas ornament decorated with gold and red patterns. The dog's characteristic wiry grey fur and prominent white whiskers are clearly visible. The background is a soft-focus green, suggesting a Christmas tree or foliage.

Congratulations to **Bosley** and his new family. Christmas definitely came early for all of them! Bosley is the senior Miniature Schnauzer rescued mid July. He is a special needs dog with Irritable Bowel Disease, which requires a special diet for the rest of his life. He is also a geriatric guy with a heart murmur who has been through quite a bit since he was rescued. He's had many teeth extracted, a huge benign lump removed from his chest and a bad bout of pancreatitis. At the time we thought we might lose him but his indomitable will and a lot of TLC pulled him through. All of his health issues were explained to his adopters but they were undeterred. His adopters are extraordinary people with huge hearts and compassionate spirit to match. You just don't find many people who are willing to adopt an older dog with health issues to make certain that the dog's last years are their best. His adopters understood he may not have a lot of time but for as long he will be around, Bosley's life will be filled with love and happiness. Wishing you many happy adventures. •

Bosley is home for Christmas!

Pasta with Grapes and Chicken Sausage

Makes 6 servings

Ingredients

- 6 ounces spicy Italian chicken sausage, casings removed
- 2 teaspoons extra-virgin olive oil
- 1 large red onion, thinly sliced
- 3 cloves garlic, minced
- 3/4 cup low sodium chicken broth
- 1/2 cup non-fat half and half
- 1/4 cup grated Parmesan cheese
- 2 cups red California grapes, halved
- 1/2 teaspoon each salt and freshly ground black pepper
- 12 ounces dry pappardelle or fettuccine
- 1/4 cup chopped Italian parsley

Preparation

1. Set a large pot of water on high heat. At the same time, brown the sausage in a large skillet over medium-high heat, breaking it up with a spoon. Once cooked, remove to a plate.
2. Add the olive oil to the empty skillet, then the onion and cook until softened, about eight minutes. Add the garlic and cook one minute more. Stir in the broth and simmer until reduced by about half, about five minutes.
3. Add the half-and-half, and bring to a simmer. Stir in the Parmesan and return the sausage to the pan. Add the grapes and parsley and turn off the heat. Season with salt and pepper.
4. Add the pasta and salt to taste to the boiling water. Cook until al dente; drain and transfer to the skillet. Pour the drained pasta into the skillet, toss and serve.

AN INTERIM URGENCY ORDINANCE OF THE CITY OF HAWTHORNE, CALIFORNIA, EXTENDING THE MORATORIUM ON MASSAGE ESTABLISHMENTS IN ANY ZONE FOR AN ADDITIONAL 12 MONTHS
WHEREAS, on January 1, 2015, Senate Bill 731 ("SB 731"), which was adopted by the Legislature and signed by the Governor in 2008, sunset SB 731, which enacted Business and Professions Code Section 4600 et seq., preempted many local government controls relating to massage establishments;
WHEREAS, The Legislature's adoption of Assembly Bill 619 ("AB 619") and Senate Bill 1238 ("SB 1238") in 2011 and 2012 respectively amended various provisions of Section 4600 et seq. of the Business and Professions Code, further limiting local governments' abilities to regulate massage establishments;
WHEREAS, The Legislature's adoption of SB 731, AB 619 and SB 1238 resulted in the unintended consequence of a proliferation of massage establishments throughout California, many of which were or are believed to be fronts for prostitution or human trafficking;
WHEREAS, in September of 2014, the Governor signed into law Assembly Bill 1147 ("AB 1147"), which returned the authority to more strictly regulate massage establishments to local governments. SB 1147 took effect on January 1, 2015 and authorizes local cities and counties to enforce their zoning requirements on massage establishments, even if the same requirements do not apply to other professional service providers, which was expressly prohibited by SB 731;
WHEREAS, on December 16, 2014, the City Council of the City of Hawthorne unanimously adopted Interim Urgency Ordinance No. 2084, which imposed an initial 45-day moratorium on the issuance of any business license, use permit or any applications for massage establishments in any zone, effective January 1, 2015 and expiring, unless further extended, on February 14, 2015;
WHEREAS, on December 16, 2014, the City Council of the City of Hawthorne further directed City staff to study appropriate modifications to the City's massage establishment and zoning ordinances, consistent with the provisions of AB 1147, to reduce and mitigate negative secondary effects created by the number, location and unlawful use of massage establishments and make recommendations to this City Council regarding the expansion, development or operation of new and existing massage establishments in all commercial zones within the City;
WHEREAS, as required, a written report describing the measures taken to alleviate the conditions which led to the adoption of the aforementioned Interim Urgency Ordinance No. 2084 was issued by the City Council on January 27, 2015, which was at least ten (10) days prior to expiration of the Interim Urgency Ordinance No. 2084, in compliance with State law;
WHEREAS, pursuant to Government Code Section 65090, a public hearing was conducted on January 27, 2015, notice issued at least ten (10) days prior to the date of the hearing,

at which time the City Council considered extension of the Interim Urgency Ordinance No. 2084, a 45-day moratorium on massage establishments, for an additional 10 months and 15 days;
WHEREAS, on January 27, 2015, the City Council the City Council of the City of Hawthorne considered the written and oral testimony provided at the public hearing and extended the moratorium on massage establishments for an additional 10 months and 15 days, to expire December 29, 2015;
WHEREAS, Government Code Section 65858(a) provide that, after notice pursuant to Government Code Section 65090 and a public hearing, the City Council may extend the interim ordinance for up to one additional year, if necessary;
WHEREAS, pursuant to Government Code Section 65090, a public hearing was conducted on December 8, 2015, notice issued at least ten (10) days prior to the date of the hearing, to consider extension of the moratorium for an additional one year;
WHEREAS, the City Council finds that there is a continued need to study existing and potential land uses within the City to assure compatibility between the location of massage establishments and surrounding properties, and to consider revisions to the City's zoning ordinance, consistent with the City's General Plan, that adopt new regulations designed and intended to ensure that an appropriate mix of businesses are established in the City's commercial zones;
WHEREAS, the Council desires to extend the moratorium expiring on December 29, 2015, to December 30, 2016, .
NOW, THEREFORE, the City Council of the City of Hawthorne does hereby ordain as follows:
SECTION 1. Recitals. The foregoing recitals are true and correct.
SECTION 2 Findings. The findings contained in Interim Urgency Ordinance No. 2085 continue to exist and are hereby incorporated herein by this reference. The City of Hawthorne further expressly finds that:
A. Pursuant to Government Code Section 65858(a), this Interim Urgency Ordinance No. XXXX shall be adopted by not less than a four-fifths vote of the City Council and shall be in effect for one year from expiration of the 10 month and 15 day moratorium adopted by Interim Urgency Ordinance No. 2085. The moratorium adopted by Ordinance No. 2085 shall expire on December 29, 2015.
B. Based upon the findings incorporated by reference in Section 2 of this Ordinance, the City Council finds and determines that there continues to be a current and immediate threat to the public health, safety, or welfare, and the establishment of additional or expanded massage establishments in the City after the effective date of AB 1147 will result in a continued threat to public health, safety or welfare in the City. This Ordinance is therefore necessary for the immediate preservation of public health, safety and welfare pending the completion of studies and the adoption of an ordinance that establishes appropriate operational and zoning regulations for massage establishments in the City.

SECTION 3. Extension of Moratorium. The City Council of the City of Hawthorne hereby extends the moratorium on the establishment of new massage establishments or expansion of existing massage establishments in all zones within the City for an additional one year, to take effect immediately after the expiration of the 10 month and 15 day moratorium, which expires December 29, 2015, to December 30, 2016.
SECTION 4. Moratorium Defined. Notwithstanding any other ordinance or provision of the Hawthorne Municipal Code, no person shall establish a massage establishment, as such use is defined herein, and no application for a business license, expansion of a business, building permit, development plan, conditional use permit or any other entitlement for the establishment of a massage establishment shall be approved during the term of the moratorium established in Section 3 of this Ordinance.
SECTION 5. Definitions. For purposes of this Interim Urgency Ordinance No. 2105, the following terms shall have the following meanings:
A. "Massage" shall have the meaning set forth in Section 5.58.010 ("Definitions") of Chapter 5.58 ("Massage Establishments") of Division II ("Business Regulated") of Title 5 ("Business Regulation and Licenses") of the Hawthorne Municipal Code.
B. "Massage establishment" shall have the meaning set forth in Section 5.58.010 ("Definitions") of Chapter 5.58 ("Massage Establishments") of Division II ("Business Regulated") of Title 5 ("Business Regulation and Licenses") of the Hawthorne Municipal Code.
SECTION 6. Term of Moratorium. The term of the moratorium shall commence on December 30, 2015 and shall terminate December 30, 2016, which is one year from the date of expiration of Interim Urgency Ordinance No. 2085.
SECTION 7. Existing Massage Establishments. During the term of this moratorium, the provisions of Chapter 5.58 ("Massage Establishments") of Division II ("Business Regulated") of Title 5 ("Business Regulation and Licenses") of the Hawthorne Municipal Code shall remain in full force and effect with respect to existing, non-expanded massage establishments.
SECTION 8. Penalty. A violation of any provision of this Ordinance shall constitute a misdemeanor and shall be punishable by a fine not to exceed \$1,000 or by imprisonment for a period not to exceed 6 months, or by both fine and imprisonment. Each and every day such a violation exists shall constitute a separate and distinct violation of this Ordinance. In addition to the foregoing, any violation of this Ordinance shall constitute a public nuisance and be subject to abatement as provided by all applicable provisions of law.
SECTION 9. CEQA Finding. The City Council hereby declares that this Interim Urgency Ordinance No. 2085 is also exempt from CEQA based on the following findings:
A. This Ordinance is not a "project" within the meaning of Section 15378 of the State CEQA Guidelines, because it has no potential to result in a direct physical change in the environment, and it has no potential to result

in any reasonably foreseeable indirect physical change in the environment. The Ordinance will impose greater limitations on development in the City because the moratorium will temporarily halt the opening of any new massage establishments and the Ordinance will thereby serve to reduce potentially significant adverse environmental impacts.
B. This Ordinance is also categorically exempt from CEQA under Section 15308 of the State CEQA Guidelines, because this Ordinance is a regulatory action taken by the City in accordance with California Government Code Section 65858 to assure maintenance and protection of the environment pending completion of contemplated revisions of the massage establishment and zoning ordinances.
C. This Ordinance is also covered by the general rule that CEQA applies only to projects that have the potential to cause a significant effect on the environment. For the reasons set forth in Subsections (A) and (B) of this Section 2, it can be seen with certainty that there is no possibility that this Ordinance will have a significant effect on the environment, and therefore, this Ordinance is not subject to CEQA. The Ordinance is therefore exempt from CEQA review pursuant to Section 15061(b)(3) of the State CEQA Guidelines.
SECTION 10. Severability. If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Ordinance, or any part thereof, is for any reason held to be unlawful, such decision shall not affect the validity of the remaining portions of this Ordinance or any part thereof. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof, irrespective of the fact that any one or more section, subsection, subdivision, paragraph, sentence, clause or phrase be declared unlawful.
SECTION 11. Posting of Ordinance. This Ordinance shall be posted and published by the City Clerk in accordance with State law and applicable City regulations.
PASSED, APPROVED, AND ADOPTED this 8th day of December, 2015.
