City Approves Use of Middle School, Local Park for American Cancer Society Events

By Cristian Vasquez

Members of the Inglewood City Council approved the use of Darby Park on Saturday, Feb. 28 for Bark For Life, as well as designating Crozier Middle School as the site for this year's Relay for Life event scheduled for Saturday, June 6 to Sunday, June 7, where free mammograms will be offered.

Both events are part of the American Cancer Society's efforts to raise funds and awareness to combat cancer. The Bark for Life event to take place at Darby Park is scheduled from 10 a.m. to 1 p.m. and honors the contributions made by canine caregivers. Simultaneously, through Bark for Life organizers seek to raise awareness for the community to attend this year's Relay for Life at Crozier Middle School.

"We are trying to get the word out for people to get tested for the various types of cancers; breast cancer for women and prostate cancer for men," Staff partner for Inglewood Relay for Life Kimberlee Smith said. "We also want to get more survivors to come out to the relay in order to honor them. Right now we have more than one hundred survivors that we honor, but the more survivors that we have the bigger that the event will be."

To date, the Relay for Life has nine teams registered and money is already being added to the fundraising efforts. The city's sponsorship of this year's Relay for Life includes \$3,750 from the general fund that will primarily fund equipment rental for the day's activities. During the Relay for Life different teams commit to walk during an entire 24-hour period in order to raise money to combat the deadly disease, while raising awareness on prevention and early detection efforts.

"It is a challenge to get men out here to get tested for something like breast cancer

since many men think they can't get it or that they won't get it," Smith said. "I tell people that even though women are the ones known for getting breast cancer, men can get breast cancer as well so they need to get checked for prostate and breast cancer yearly."

The City of Inglewood has been hosting the Relay for Life for 11 years during which time \$220,000 have been raised for the American Cancer Society. In 2014 the Inglewood community raised \$40,000 and earned the city recognition for its outstanding participation.

The 2015 Relay for Life is being organized by a committee of volunteers from within the community, which includes three city staff members, who also volunteer for the effort. This nationally recognized and celebrated event dates back to 1985 Tacoma, Washington where Dr. Gordon Klatt took it upon himself to walk around a track during a 24-hour period, which allowed him to raise \$27,000 for the American Cancer Society. Since it's 1985 inception, Relay for Life has raised more than \$4 billion.

"It weighs heavy but it also gives me that extra push because you don't want anyone close to you to tell you they have cancer," Smith said.

Every Relay for Life event kicks off with a victory lap by cancer survivors. This lone lap honors those who have beaten the disease. There is also a moment in which caregivers are recognized for their selfless effort and commitment.

"It is different when you deal with someone who has gone through it [cancer] than when you haven't experienced it yourself," Smith said. "As a caregiver you have a different view of cancer than a patient. As a caregiver you

want to make sure the patient is taken care of so that they can focus on their treatment and focus on getting better."

In addition to the strong community support local leaders such as Inglewood police officers, the local chamber of commerce, management associations and the local Rotary Club among others have been ardent supporters of this life-saving event.

"We are grateful because we have the participation of the city council as a whole and from the mayor; all four council members have teams within their districts promoting this," Smith said. "Inglewood is a great partner with us and the councilmembers have all been supportive of the event and brought awareness to the residents of their districts. When people come to the event there will be information about where to go for support, there will be cancer facts and treatment locations."

Smith, who became involved with the Relay for Life in 2004 as a volunteer, remains committed to the mission and the cause of the American Cancer Society and is hopeful that this year's Relay in Inglewood will be the biggest one to date.

"The American Cancer Society has an 800 number that is open 24 hours a day, seven days a week, 365 days a year: it never closes," Smith said. "People can call this number and find out the resources available in their area."

To participate in the Inglewood Relay for Life, persons interested can visit: www.relayforlife.org and search for the Inglewood relay. For questions, persons interested can contact Smith at: kimberlee.smith@cancer.org or by calling (310) 346-8968. The American Cancer Society 24-hour phone number is 1-800-227-2345. •

El Camino Submits Accreditation Eligibility Application for ECC Compton Center

The El Camino Community College District Board of Trustees recently accepted the Accreditation Eligibility Application for ECC Compton Center. El Camino College submitted the document to the Accrediting Commission for Community and Junior Colleges (ACCJC) for its ECC Compton Center. El Camino Community College District Superintendent Thomas Fallo and Compton Community College District Special Trustee Thomas Henry personally delivered the application to the ACCJC.

Faculty, staff, administration and students have worked diligently to achieve the eligibility standards, paving the way for El Camino College to apply for eligibility status of the ECC Compton Center. The eligibility application process is based upon ECC Compton Center meeting the 21 ACCJC eligibility standards.

The Eligibility Application marks a significant step in the process for ECC Compton Center to become an

accredited college. The application is available here: <http://www.compton.edu/campusinformation/accreditation/Compton%20Center%20Eligibility%20Application%201.15.2015.pdf>.

Barnes & Noble Recognizes Favorite Teachers

Barnes & Noble will be recognizing local teachers with the My Favorite Teacher Contest. This nationwide contest provides middle and high school students with the opportunity to tell their communities how much they value their teachers. These students will write an essay, poem, or thank-you letter describing their favorite teacher and how that person has influenced and inspired them. Our local winner will be entered into the regional and national contests. The national winner will be honored in a ceremony at their local Barnes & Noble store and will receive a \$5,000 cash prize and their school will receive \$5,000 as well. Entry forms and additional information are available at BN.COM/myfavoriteteacher. Entries are due to Barnes & Noble in Torrance by March 1. •

I'm Concerned About Identity Theft, How Do I Protect Myself?

By Sid Kato, Array Systems, Inc.

Identity theft for your business is different than identity theft for an individual. Rules governing your business are stricter which could result in greater exposure. Here are a few tips to follow to protect your business:

Review your banking agreements. There are shorter timelines for fraudulent activity on business accounts. In some instances, if you don't notice fraud until you reconcile your checking account at month end, it will be too late. Other activity like wire transfers require reporting almost immediately!

Implement two-factor authentication (two people) for any outgoing wire transfers. Even better, implement multi-factor authentication, using different people and different facilities (email, fax, telephone or special tokens).

Utilize online banking and increase your reconciliation frequency, especially if your transaction volume is high. Along with online banking, implement an electronic alerting system, i.e. email alerts that will notify you of potential fraudulent activity.

Use a different computer, than the one

you use for email, when accessing your account online. The best set-up is to use one computer only for financial transactions and connect it to your network when you need to access online banking. Make sure that this computer has all the latest security patches and virus upgrades.

Enroll in Positive Pay with your financial institution. Positive Pay requires a financial institution to process transactions only if information regarding the payee and amount has been provided by the account holder in advance of each transaction.

Use high security checks and always keep your check stock, deposit slips, and authorization materials in a secured location.

It's better to be safe than sorry in today's world. If you would like to better educate yourself on Identity Theft, access the website: www.businessidtheft.org.

Lawndale overcomes loss at BH by routing Hawthorne, Culver

By Joe Snyder, photos by Joe Snyder

Lawndale High's boys' basketball team suffered a setback in a 57-56 loss to host Beverly Hills in an Ocean League showdown on January 26, but bounced back with a pair of easy wins over Hawthorne and Culver City last week. In a Centinela Valley High School District rivalry on January 28 at Lawndale, the Cardinals were off and running for an easy 79-45 win over the Cougars. The Cardinals then began the second half of Ocean play at Culver City and rolled over the Centaurs 90-46.

Lawndale, then, tested itself against small schools power Price Christian High from South Los Angeles as the Cardinals fell short 68-62 in a Fairfax State Preview Showcase on Saturday. In the unique but famous Beverly Hills Swim Gym, built in 1939 where a gym floor covers a swimming pool when basketball, volleyball and other sports are held requiring the floor, the game was close most of the way but the Cardinals entered the fourth quarter with a 43-37 lead.

Lawndale stretched its lead by as many as 11 points early in the final periods but the Normans finished off with a run to pull the game out. "They executed better than we did," Lawndale head coach Chris Brownlee said. Chimezie Metu led the Cardinals (15-8) with a game-high 16 points, followed by Deandre Snedeer with 12. D'Lano Beckles added nine points.

With the win, then defeating El Segundo 57-25 last Friday, the Normans are 6-0 in league and are one game ahead of second place Lawndale (5-1). The game was made up from one that was originally scheduled for January 20 but had to be postponed due to a reported bomb scare at Beverly Hills.

Two days after the league loss, the Cardinals returned home for their rivalry with Hawthorne. Lawndale got things going quickly by amassing 39 points in the first quarter to nine for the Cougars and by midway in the second period, the Cardinals already got what they needed for their easy win.

Lawndale led 58-16 at halftime before allowing Hawthorne to outscore the Cardinals, playing mostly reserves, 29-21 in the second half. Lawndale used its balanced attack with 10 players scoring, four in double figures. David Broaster led the Cardinals with 15 points. Quincy Pinkard and Beckles each

Hawthorne's Duyuan Jackson shoots under pressure of Lawndale's Chris White in last week's Ocean League boys' basketball rivalry.

chipped in 11 points, followed closely by Metu with 10.

The Cougars, who fell to 5-14 overall and 1-5 in league after a 61-51 home loss to Santa Monica last Friday, were led by Duyuan Jackson with 14 points. Christian Brown contributed 10 points, eight of those in the third quarter.

At Culver, Lawndale had little trouble with the smaller Centaurs outscoring them 43-17 in the first half and continued to pour it on in the second half. It was Lawndale's second easy win over Culver after opening

league with a 70-27 home victory on January 14. Metu led the Cardinals with 25 points, followed by Beckles with 18.

Last Saturday, Lawndale could not quite keep up with a very good Price team that already has three California State championships in the school's history.

The Cardinals have a brutal week this week. After visiting always tough Santa Monica on Wednesday they come home in effort to avenge the one-point loss to Beverly Hills on Friday at 7:30 p.m. Lawndale already owns two wins over the Vikings, defeating them

73-65 on December 29 in the Torrey Pines Under Armour Classic and 89-65 in league on January 16 at Lawndale. The Cardinals host El Segundo next Tuesday at 7:30 p.m.

Hawthorne played Santa Monica tough but a cold shooting second quarter that saw the Cougars muster just four points prevented Hawthorne's hopes of pulling the game out last Friday. The Cougars hosted Beverly Hills Wednesday and visit El Segundo Friday at 7:30 p.m. Hawthorne is at Culver City for another 7:30 p.m. Ocean game Tuesday.

INGLEWOOD RALLIES TO STUN REDONDO

Inglewood High's boys' basketball team overcame a seven-point halftime deficit to upset Redondo 57-54 in a key Bay League game last Friday at Inglewood. The Sentinels were down 27-20 at halftime before using a 17-10 third quarter to tie the game then outscored the Sea Hawks 20-17 in the final period for the win. Inglewood was led by junior guard Terrell Gomez with a game-high 23 points and seven assists.

For Redondo (ranked fourth in the CIF-Southern Section Division IAA and a top candidate for the prestigious Southern Section Open Division playoffs), it was its first league loss in three years and the first for head coach Reggie Morris, Jr., who is in his third season with the Sea Hawks. Redondo (5-1 in Bay action and 17-5 overall) still holds a one-game lead over co-second place squads Inglewood and Mira Costa (each 4-2) with four games remaining. The Sents are 12-10 overall. The Sea Hawks were led by junior guard Leland Green with 19 points and seven rebounds.

At Morningside on January 27, the Sentinels defeated their crosstown rival Monarchs 64-53. After hosting Palos Verdes Tuesday, Inglewood visits Mira Costa Friday at 7:30 p.m., then is at Peninsula next Tuesday at the same time. Inglewood lost a home game to the Mustangs 60-55 on January 20 and defeated the visiting Panthers 50-38 three days later in previous league action.

Morningside, which lost at Peninsula 52-47 last Friday, visited Redondo Tuesday. The Monarchs host Palos Verdes Friday and Mira Costa next Tuesday in 7:30 p.m. league games. Morningside lost to the Sea Kings 41-33 on January 20 at P.V. and topped the host Mustangs 64-59 on January 23. •

Toffee and Almond Fudge Cookie Cups

Cookies, cupcakes or candy? How to choose which one to make? Why choose at all? These cookie cups marry the sweetest of all worlds in a single treat sure to win the heart of any loved one.

Servings: Makes 48 servings

Ingredients

- 2 packages Pillsbury(TM) Ready to Bake!(TM) refrigerated sugar cookies
- 1/4 cup milk chocolate toffee bits (from 8-ounce bag)
- 1 can (14 ounces) Eagle Brand(R) Fat Free Sweetened Condensed Milk
- 1/3 cup Jif(R) Creamy Almond Butter
- 1/2 teaspoon Watkins(TM) Pure Vanilla Extract
- 1/4 cup sliced almonds, finely chopped
- 1 can (6.5 ounces) whipped cream topping (in aerosol can)

Preparation

*Prep time: 25 minutes
Total time: 1 hour 15 minutes*

1. Heat oven to 375 F. Spray 48 nonstick mini muffin cups with cooking spray. Place one cookie-dough round in each muffin cup. Sprinkle 2 tablespoons of the toffee bits evenly over cookie-dough rounds. Bake 13 to 18 minutes or until light golden brown. Cool in pan 15 minutes. Loosen with tip of knife and carefully remove from pan to cooling rack. Cool completely, about 15 minutes.
2. While cookies cool, heat sweetened condensed milk and almond butter in a 1-quart heavy saucepan over medium heat for 5-6 minutes, stirring constantly, until mixture begins to bubble. Remove from heat and stir in vanilla. Cool 2 minutes. Spoon one heaping teaspoon of condensed milk mixture into each cookie cup.
3. In small bowl, mix remaining two tablespoons of toffee bits and the almonds. To serve, top each cup with about one tablespoon of whipped cream topping and about 1/4 teaspoon of the almond mixture. •

PETSPETS **Pets** PETSPETS

Donations Needed

These two little sweeties were seen being dumped and abandoned, in a beach parking lot, in Downtown Long Beach. They were rescued by my neighbor, fellow dog lover and Good Samaritan Mia Bonadona. We think they may be mother and daughter. They are very sweet, gentle and completely devoted to each other. We were hoping that they would be adopted together.

Mia found a family to adopt them, but they live in Seattle and we need help paying for

transportation. Mia's friend, Tamra, set up a website listed below for donations, that has a goal of \$550. Any additional funds will be used to buy their carrier, send them to their new home with flea meds and a year of health insurance for the dogs. Any additional donations after that, will go to "Hope for Paws" or "Rescue from the Hart", because they rescue other dogs that have been dumped by their owners, just like these two.

Their new family has spent 20 years rescuing

Chihuahuas. These pups will be their first dogs in three years and they are keeping them as their own. We couldn't have a happier ending. Their new names will be "Edie" and "Andy".

You can donate at: <http://www.gofundme.com/lflavo>.

I want to personally thank all our supporters. There are a lot of wonderful people doing wonderful things for us. Thank you for your help. — HEIDI MAERKER

Pets Without Partners

Nyla

Adopt a "pet without a partner" and give a homeless pet a second chance in life.

Please note...due to our strict spay/neuter ordinance with the City of LA (they hold our kennel license) Nyla, Bink and his siblings will each need to be adopted into our immediate area, the South Bay or the north Orange County beach cities, since they are not spayed / neutered yet. They will need to come back to us for shots and to be spayed or neutered in May. They are all current on their vaccinations, dewormed, microchipped, fine with other dogs and cat safe.

Nyla is a darling little girl and to us she resembles an Airedale Terrier puppy, but she could be a mix as well. Nyla is happy-go-lucky in her personality, loves to play and has a great disposition. She is not housebroken and is starting her teething phase, so please be sure you have the time and energy to raise a puppy properly for the next several months before you make a decision on a 13-year commitment.

The owners of this litter of eight puppies were out in front of a local veterinarian's office giving them away. One of our volunteers brought the last 3 puppies into our rescue. We also committed to "fix" the mom and the dad of the litter, which the family has agreed to in order to prevent more unwanted litters and help curb pet overpopulation in the shelters. Their dad is a medium-sized

white fluffy Terrier/Poodle mix and mom is a medium-sized brown Shepherd mix with a black muzzle. All the puppies look completely different; they were born November 15, 2014.

Bink is a great little fellow, so sweet and playful. He has shorter little stubby legs so far, beautiful coloring and is the most colorful of the litter. **Spinner** is a darling girl with a beautiful black and white coat that resembles a Border Collie's coloring.

Hodor is a great little fellow, playful and lovable, and a beautiful charcoal gray coloring with a white blaze down his chest and white socks on each paw. These puppies have had no training and will need to be housebroken, and are currently in their teething phase of puppy hood. Please make sure you are in a position in your life right now with time and energy to raise a puppy for the next 4-5 months and then being able to commit to a lifetime of love.

Purrrfect Companions

Looking for your purr-fect match? Kitties of every color and size are waiting to meet you.

Minkus is a not-quite 3-year-old orange tabby who can be a little shy, but is very snuggly and affectionate when he gets to know you. Once he knows you're his buddy, he asks for belly and chin rubs. He's used to living both alone and with another cat. As far as dogs go, he hasn't spent much time around them and he gets a little nervous/shy. He's very playful and loves wands, anything that rolls, and anything that dangles. Sunny spots are his favorite when he's feeling brave, and closets or blankets are his favorite spots when he's scared. Minkus will thrive in a calm,

upon the people or other cats in the house. From the moment she entered the home of her foster mom, Connie was respectful of the house and furniture; she does her business in the cat box only, and she doesn't scratch the furniture. This smart girl showed a remarkable degree of responsiveness within the first few days of being in her new foster home. Connie will come and hop up on the couch with her foster mom or daddy when called, just like a dog!

These kittens are available for adoption through Kitten Rescue, one of the largest cat rescue groups in Southern California. All of our kitties are spayed/neutered, microchipped, tested for FeLV and FIV, dewormed and current on their vaccinations. For additional information and to see these or our other kitties, please check our website www.kittenrescue.org or email us at mail@kittenrescue.org. Your tax deductible donations for the rescue and care of our cats and kittens can be made through our website or by sending a check payable to Kitten Rescue, 914 Westwood Blvd. #583, Los Angeles, CA 90024.

On Saturdays, we have adoptions from noon to 3:30 p.m. in Westchester at 8655 Lincoln Blvd. just south of Manchester Ave. and also in Mar Vista at 3860 Centinela Ave, just south of Venice Boulevard. Our website lists additional adoption sites and directions to each location. •

Genieve is soft and cuddly.

loving home – could he find it with you?

Genieve was left behind by her owner when the person moved out. Just a kitten, she found her way to our rescue and is now searching for a forever home where she will never have to fear being abandoned again. Genieve has very soft fur and is a bit more outgoing than her sisters. She loves to play with her toys and cuddle with the other kitties. She is not a fan of dogs and would prefer a calm household with another kitty to romp and cuddle with. **Connie** is a confident, curious, intelligent and very well behaved 3-year-old female domestic short hair. She's a delightful companion to live with as she's alert and aware, has a sweet disposition, she wants to know the 'goings on' in the house, and doesn't make any demands
