LES D Superintendent's Message

**By Betsy Hamilton, Ed.D,
Lawndale Elementary School
District Superintendent**

In Lawndale, we are committed to transforming our schools into engaging environments for 21st century learning. Last year, the Lawndale community enthusiastically endorsed Measure L, which is supporting our goal to improve our facilities for our students. We have new roofs at FDR, Anderson and Green Elementary Schools and you will see fresh paint at Rogers, Addams, Anderson, and Green campuses. The upgrades and beautification projects will continue this summer, once schools are out of session.

We are excited to announce the following projects:

New Roofs and Rain Gutters: This year, the Addams, Mitchell and Twain campuses will have new roofs while Anderson and Green will receive new gutters. Our permanent buildings will have new roofs installed, which will be under warranty for

the next 30 years. Our students will enjoy safe and secure buildings for many years to come!

New Paint: A fresh coat of paint can revive the look of a building, and this year our Mitchell and Twain campuses will receive a color makeover. The paint job will also ensure that the building walls remain clean and protected.

New Asphalt: Our FDR and Anderson campuses will receive new asphalt treatments to ensure that their blacktops, walkways and playgrounds are even and safe for our students to walk and play.

You can see the progress we have made by following #LES DMeasureL on Facebook and Twitter to see the amazing transformations our campuses have undergone!

We are grateful for the support and trust the Lawndale community has given us throughout the years. We want our community to know that our Measure L dollars are being put to good use, with our students' needs at the forefront of every decision.

Preparation

1. Insert paddle attachment in a stand mixer. In a heavy metal saucepot, combine the water, butter, cayenne and salt; bring to a boil over high heat. Remove the pot from the heat, add all the flour and stir with a wooden spoon until thoroughly combined to form a smooth paste. Return the pot to medium heat and cook, stirring, for 1 minute longer.
2. Put the paste in the bowl of the stand mixer. Mix at medium speed for 1 minute. Add eggs one at a time, beating at medium speed until each is fully incorporated and stopping to scrape down the side of the bowl. Add the 3 1/2 ounces of grated Gruyere and mix until incorporated.
3. Transfer the dough to a pastry bag fitted with a 1/2-inch round tip and pipe nickel-size mounds onto a non-stick baking sheet, or a baking sheet sprayed with nonstick spray, 2 inches apart.
4. In a small bowl beat together the egg and egg yolk forming an egg wash. Using a pastry brush, brush each of the Gougères with the egg wash. Sprinkle with grated Gruyere cheese and a pinch of fleur de sel.
5. Bake the gougères on the center rack in the preheated oven until they are puffed and golden brown, about 18 minutes.
6. Serve immediately.

PETSPETS **Pets** PETSPETS

Precious Pooches

Billie

We are looking for volunteers to help with our pet adoption fairs which are held every Saturday at the Petco located at 537 N. Pacific Coast Hwy., Redondo Beach 90277, from noon to 3: 30 p.m. If you are interested in volunteering and can commit to at least one Saturday a month, please contact us at info@msfr.org. You can also visit all of our Miniature Schnauzers & Friends rescues at the adoption fair or check out our website, www.msfr.org. If you have any questions about a particular dog's availability, you can email us at info@msfr.org. Schnauzers! Bet you can't adopt just one.

"Hi there! I am **Billie**, a 2-year-old, male Miniature Schnauzer mix who was homeless and living on the streets of Tijuana. My companion Holiday -- who could possibly be related to me --and I decided to take a trip with friends and ventured south of the border for a weekend of fun. Unfortunately, we missed our ride home. without any place to stay, we ended up living on the street. Holiday has quite a voice, so we made our living as street entertainers until a rescue group rounded us up and returned us to the USA. They contacted the folks at MSFR, who were kind enough to take us in and are helping us find our forever homes. It has been decided that my mix could be Doxie because I have a longer, trim, 14-pound body with legs that are very sturdy but a bit short. I'm still very playful and have retained my puppyish charm that endears me to people and other dogs. I guess that's why

I get along well with everyone."

If you're interested in **Billie**, please email info@msfr.org for more information.

"I've been named **Flora**, which is of Latin origin, and means flower. It's absolutely the perfect name for a tiny 10-pound gal, as I continue to bloom under the care of my foster folks. I have to tell you that when I was found by animal control and taken to an LA county shelter, I was nothing short of a mess. I had to be placed in the medical building because of a disgusting and painful skin condition. I won't get too graphic, but

Flora

Fritz

the sores and inflammation were so bad that I didn't even want to be touched. I certainly was not adoptable in that condition and that's when the big-hearted MSFR folks rescued me. They took me straight to their veterinarian where several different skin tests were performed and the final diagnosis was that my condition was called demodectic mange. Plus, I also had an ear infection. Thankfully, the mange wasn't contagious. So I just spent a few days at the animal hospital receiving treatment. Amazingly, I responded so well that I was looking and feeling much better after only one treatment and a medicated bath. It has been a bit of a rough road for this 4-year old, female, purebred Miniature Schnauzer -- but I know the best is yet to come! If you're looking for a petite youngster to share your life, I'm definitely the gal for you. I will admit that children are not my favorite people and I would be best in a home without them. That said, I get along great with other dogs. However, I also do just fine by myself."

If you're interested in **Flora**, please email info@msfr.org for more information.

"My name is **Fritz** and I was truly living the good life -- until recently. You see, my human mom had rescued me from the Laguna Beach shelter when I was a year old and for 10 years we had the most wonderful, happy, loving life. Then my mom passed away and now I'm a senior dog looking for a guardian angel to adopt me. I'm a small Dachshund mix who is in good health and my medical

records are readily available to see. I had spinal surgery from one of the top docs in Orange County California, but now I can run and walk with the best of them. Since my surgery, I do need to wear a harness and can't be pulled by a collar/leash around my neck. I recently fractured three teeth and had to have them extracted, but I'm still on my same diet of kibble hydrated with water and can eat nutritious snacks. I am really a sweetie who gets along with children, but am not real enthusiastic about living with them. My favorite things in the whole world are to snuggle and go places with my family. While I prefer to sleep in bed with my humans... if that doesn't work for you, I'm happy sleeping in my own cozy bed. You can see that I would be a great addition to any family and I'm looking for my forever family to share all of the love and companionship I have to give."

If interested in **Fritz**, please contact Lynne of Whisker & Tails Foundation at amano@whiskertails.org.

Saving one animal won't change the world, but the world will surely change for that animal.

Happy Tails

Congratulations to Ryan, now named Duke, and his new family.

Congratulations to **Ryan** and his new family, who just happen to be previous MSFR adopters. They recently lost their Miniature Schnauzer to cancer and their other dog Tootie was really lonely. The dog they lost and Tootie are both MSFR alumni, so it's no surprise they came to us to find the perfect new addition to their family. Ryan, now named Duke, joins Tootie, two human

brothers, his mom and dad and a couple of cats in their Long Beach home. Duke has been "home" for several days and we're happy to report that his folks say all is well. He has settled in and everyone loves everyone! In fact, he's so settled in that he already has a favorite chair! Wishing the whole family many years of love, happiness and a lot of fun adventures...

THE YELLOW DOG PROJECT.com

If you see a dog with a **YELLOW RIBBON** or something yellow on the leash, **this is a dog who needs some space.** Please do not approach this dog with your dog. Please maintain distance or give this dog and his/her person time to move out of your way.

There are many reasons why a dog may need space:

- HEALTH ISSUES
- IN TRAINING
- BEING REHABILITATED
- SCARED OR REACTIVE AROUND OTHER DOGS

THANK YOU!

Those of us who own these dogs appreciate your help and respect!
