

C.A.M. CONSTRUCTION

C.A.M. Construction is honored to receive the 2009 Best of the Best Award! In business since 1988, the company has grown from 1 hard worker to a current team of 16 hard workers as shown. Designing and building beautiful homes and town homes alike in the South Bay, C.A.M. Construction truly stands behind their motto "Building with Integrity". Pictured here, in front of their newest "design and build" custom home, are owners Craig and Janine Maples with fellow family members and associates. Moving to El Segundo and raising their family here, as well as moving their business into town was one of their best decisions.

Recognizing the exemplary style and attention to detail that is required to complete such a home for a very special client or buyer; C.A.M. Construction is only now

represented by Sotheby's International Realty (registered trademark symbol) network. In a survey conducted by The Luxury Institute and published in its 2008 Luxury Brand Status Index, Sotheby's International Realty was named the most prestigious real estate company. Some of the qualities attributed to the firm included "great customer service" and an "excellent reputation." The Luxury Institute is an independent and recognized resource for insight into high-end markets and consumers.

C.A.M. Construction can be reached at 310-322-7070 or visit them at camconstruction-inc.com.

WENDY'S PLACE

Wendy's Place would like to thank all of our loyal customers for their support through the many years and for once again voting us Best of the Best. This year we celebrate our 30th year in business and while Wendy may be retired, she still makes sure her son keeps things as they always have been. We would also like to thank our staff for all of the hard work and care that goes into each day. Things are starting to change a little in town as we move into the future, but sometimes it's nice to know that some things can and do stay the same. Wendy's Place personifies the small town feel of El Segundo and is one of the few things to remain a constant in Downtown El Segundo. Most of our items are homemade with quality ingredients and prices are kept as reasonable as we can. We

still do not take credit cards, but we do take cash and even personal checks. We are situated in the historic Pursell Building on the corner of Main Street and Grand Avenue in a location that has been a restaurant since 1936. Stop by and take a trip back to the Good Old Days. Congratulations on 30 Years in Business Wendy!!!
