

Nantucket in the Trees

200 Pine, Manhattan Beach

6
When built with a nod to the Nantucket style of life, this quality built home combines the warmth of the New England tradition with Manhattan Beach living at its finest. Recently completed, no expense was spared in combining the modern conveniences of today with the quality craftsmanship of yesterday. Upon entering, one is transported back to the golden age when homes were built by craftsmen and passed on from generation to generation. Beautifully appointed, this home features exquisite interior, custom millwork and top-of-the-line custom cabinetry. The white paint, white hardwood flooring was carefully hand distressed to complement the traditional exterior finish used through out the home. All of the designer touches were thoughtfully completed, from the custom window coverings to the rest of the interior custom space. Within easy walking distance to downtown Manhattan Beach, restaurants, parks and several shopping centers, this location cannot be beat.
