One male adult was arrested at 2304 hours in the 200 block of West Mariposa Avenue for two LASD misdemeanor warrants and two LAPD misdemeanor warrants.

Frankly

from page 6

"lady" had nothing to say about the encounter, which Pitino admits to, for a long, long time, then cried rape and tried to extort the highly paid coach.

Seems like the lady is facing trouble from the law now. Apparently, she attempted to extort a cool \$10 mil from the coach. Which is a crime, I believe. Pitino, on the other side of the table, is probably facing a boatload of grief from his wife, his kids, the Louisville administration, his priest, and assorted Internet nuts. Let alone what the coach will face when he and his team take to the road this fall. Don't think that some of those amped up college kids will make up some creative signage to welcome Pitino into their gyms, do ya?

Never like to see a guy get injured. But I will admit that when I saw the report that

St. Louis Ram QB Marc "Tin Man" Bulger had broken the pinkie on his throwing hand and would be out two weeks or so, I didn't shed a tear. Bulger has been horrible the past two seasons, winning only four of his last 27 starts.

Baltimore retread Kyle Boller takes over the reins of the Lamb offense, which is already playing without presumed top receiver Donnie Avery, who broke his foot and will probably miss a couple of games in the regular season.

Course, the last time a starting Ram QB went down in preseason, ex-grocery store-bagger Kurt Warner took over behind center and led the team to a magical season that resulted in a hard-to-believe Super Bowl win. That was the 1999/2000 season, for those who don't remember.

PUBLIC NOTICES

NOTICE OF PUBLIC HEARING

DATE: September 10, 2009

TIME: 7:00 p.m.

PLACE: City Council Chambers
350 Main Street
El Segundo, California

TAKE NOTICE that the EL SEGUNDO PLANNING COMMISSION will hold a public hearing at the time and place indicated above on the following:

Environmental Assessment No. 844, Specific Plan No. 09-02 and Conditional Use Permit No. 09-05

Address: 101 Continental Boulevard
Applicant: JF El Segundo Owner, LLC
Property Owners: JF El Segundo Owner, LLC

Project Description

On September 25, 2008, the El Segundo Planning Commission approved Environmental Assessment No. EA-773 and Conditional Use Permit No. 07-07 to allow construction of a six-story, 61,104 square-foot hotel on a 1.75 acre site located at 101 Continental Boulevard. The hotel (Aloft Hotel) was approved for a total of 167 rooms at a maximum FAR of 0.80.

The applicant now seeks modification of the original approval which involves an amendment to the Environmental Assessment for a Mitigated Negative Declaration, an amendment to the Conditional Use Permit, and a proposed Specific Plan to allow a maximum floor area ratio (FAR) of 0.92 to accommodate a change in brand from Aloft to Cambria Suites. The property is zoned Corporate Office (CO) Zone. The maximum FAR permitted in the Corporate Office (CO) Zone is 0.8. The proposed Cambria Suites Hotel is a six-story, 71,005 square-foot hotel with 152 rooms. The proposed Specific Plan proposes requirements for a LEED certified building and the incorporation of a public art to be located on site.

This matter is being presented to the Planning Commission which will make a recommendation to the City Council regarding whether an application for the proposed amendment should be processed by the City. If an application were processed, it would (at a minimum) require an Amended Mitigated Negative Declaration in accordance with the California Environmental Quality Act (CEQA). Staff does not have any recommendation regarding whether or not the application should be processed; this is an informational item only. If the City Council takes no action regarding this matter, the City would process an application in accordance with applicable law. Should the City Council deny the proposal, no additional CEQA review is required.

The existing files for the above-mentioned matter are available for public review Monday through Thursday and every other Friday between 7:30 a.m. and 5:30 p.m. in the City of El Segundo Planning and Building Safety Department, located at 350 Main Street, El Segundo, CA 90245. Any person may give testimony at the public hearing at the time and place indicated above. Please contact Tracy Nelson, project planner, in the City Planning Division at (310) 524-2342, or any other Planning Division staff member, for further information. Note that any appeal of a decision made following a public hearing may be limited to the issues raised by evidence submitted before or during that public hearing.

NOTICE OF PUBLIC HEARING

DATE: Thursday, September 10, 2009

TIME: 7:00 p.m.

PLACE: City Council Chambers
350 Main Street
El Segundo, California

TAKE NOTICE that the El Segundo PLANNING COMMISSION will hold a public hearing at the time and place indicated above on the following:

SUBJECT: Determination of Consistency of the Proposed Fiscal Year 2009-2010 (FY2009-2010) Capital Improvement Program ("CIP") with the City of El Segundo General Plan

Applicant: City of El Segundo

The City of El Segundo annually reviews its Capital Improvement Program ("CIP") for the purpose of identifying and prioritizing capital projects to be completed within the planning period. These projects are needed to adequately maintain current facilities, maintain existing infrastructure and provide new infrastructure where needed, implement new technologies for the health and welfare of our citizens, and prepare for major disasters.

This annual review of the CIP is mandated by the State of California. Government Code § 65103(c) requires each Planning Agency to conduct an annual review of the City's CIP for consistency with the General Plan. Additionally, Government Code § 65401 requires that cities prepare a coordinated program of proposed public works projects and that they be reviewed by the city planning agency for conformity with the City's General Plan. The planning agency in the City of El Segundo is the Planning Commission.

The Capital Improvement Program Advisory Committee recommendations for FY 2009-2010, and related files for the above-mentioned proposal are available for public review Monday through Thursday and every other Friday between 7:30 a.m. and 5:30 p.m. in the Planning Division, Planning and Building Safety Department, located at 350 Main Street, El Segundo. Any person may give testimony at the public hearing at the time and place indicated above. Please contact Bryan Fernandez, in the City Planning Division at (310) 524-2343, or any other Planning Division Staff person, for further information.

Note that any appeal of a decision made following a public hearing may be limited to the issues raised by evidence submitted before or during that public hearing.

NOTICE OF INTENT TO RECEIVE AND FILE DIRECTOR'S DETERMINATION ON ENVIRONMENTAL ASSESSMENT NO. 828 FOR ADMINISTRATIVE USE PERMIT NO. 09-01

DATE: Thursday, September 10, 2009

TIME: 7:00 p.m.

PLACE: City Council Chambers
350 Main Street El Segundo, California

TAKE NOTICE that the El Segundo Planning Commission will consider the determination of the Director of Planning and Building Safety on the following:

SUBJECT: Environmental Assessment No. EA-828 and AUP No. 09-01

To allow the expansion of alcohol sales on a new 750 square-foot outdoor dining area at the rear of the building and a new 100 square-foot sidewalk dining area in front of the building in the public right-of-way for the sale of beer and wine for on-site consumption (Type 41 ABC) license at an existing restaurant (Second City Bistro).

Address: 223 Richmond Street
Applicant(s): Scott Reed
Business Name: Second City Bistro
Owner(s): Star Restaurant Holdings LLC

The applicant requests the approval of an Administrative Use Permit to expand the area for the sale and consumption of beer and wine (Type 41 Alcoholic Beverage Control license) at an existing restaurant at 223 Richmond Street. The request includes the approval of a new 100 square-foot outdoor dining area that encroaches 4 feet into the public right-of-way adjacent to an existing 250 square-foot covered outdoor dining area in the front side of the building, and a new 750 square-foot outdoor dining area to the rear of the restaurant. A six-foot wide sidewalk will remain for pedestrian passage adjacent to the outdoor dining area. The project site is located in the Richmond Street District (RSD) within the Downtown Specific Plan (DSP) Zone.

The existing restaurant is approximately 2,238 square feet in total indoor area and contains a covered outdoor dining area that is 250 square feet located fully on private property in the front side of the building. A total of 56 seats are located within the interior of the restaurant and 16 seats are located in the covered outdoor dining area in the front side of the building. The outdoor dining area expansion in front of the building will add 6 seats and will encroach 4 feet into the public right-of-way. The new 750 square-foot outdoor dining area to the rear contains 12 tables and 48 seats. The new proposed combined total area for the restaurant is 3,338 square feet and contains 126 seats.

The proposed project is categorically exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to 14 California Code of Regulations § 15301 as a Class 1 categorical exemption (Existing Facilities) and pursuant to 14 California Code of Regulations § 15303 as a class 3 categorical exemption (New Construction or Conversion of Small Structures). The project includes an alcohol license for an existing restaurant which results in a minor alteration in the operation of an existing building involving a minor expansion of the existing use with the addition of 850 square feet of outdoor dining area. The project is not anticipated to have any significant impacts with regard to traffic, noise, air quality, or water quality. There are adequate utilities and public services to serve the project. There is adequate sidewalk width for pedestrian passage adjacent to the outdoor dining area located in the public right-of-way.

The Environmental Assessment, legal description, and related files for the above-mentioned proposal are available for public review Monday through Thursday and every other Friday between 7:30 a.m. and 5:30 p.m. in the Planning Division, Planning and Building Safety Department, located at 350 Main Street, El Segundo. Any person may give testimony at the public hearing at the time and place indicated above. Please contact Maria Baldenegro, the project planner, in the City Planning Division at (310) 524-2341, or any other Planning Division staff member, for further information. Note that any appeal of a decision made following a public hearing may be limited to the issues raised by evidence submitted before or during that public hearing.
