...woods to explore and discover.

I love to explore in the oceans. **Can you read these clues and put the last name of each world-traveling explorer in the puzzle?**

1. Leif _____ - an explorer from Iceland who landed in North America about 500 years before Columbus.
 2. Marco _____ - Venetian explorer, traveled into China and other parts of Asia. He was the first European to meet Kublai Khan, the emperor of China.
 3. Amerigo _____ - Italian explorer, thought to have discovered Brazil. The Americas were named after him.
 4. Christopher _____ - born in Genoa, (which is now part of Italy), but was sponsored by Spain's King and Queen, who gave him three famous ships: Niña, Pinta and Santa Maria. He made 4 trips to the "New World."
 5. Ida Laura _____ - Austrian explorer, traveled around the world more than once. Her books about her travels were published in seven languages.
 6. Juan _____ - first European explorer to land in Florida (which he named). Legend says that he wanted to find "The Fountain of Youth."
 7. Hernando _____ - Spanish Explorer who led an expedition to South America, which in turn led to the downfall of the Aztec Empire.
 8. _____ - thought to be the first African-born man to step in North America. He was a slave to an explorer and he scouted much of the Southwest.

Follow the color key to see what explorers of the earth, sea and space want:

I'm not bold or a risk-taker. I hardly leave my shell. People who travel and explore the world into unknown and unmapped areas have to be risk-takers. They often put themselves in some danger to learn about new things. They often achieve great success!
