People all over the world have shared stories called myths. Myths are ancient tales that tried to explain mysterious things that people wondered about in the past – events they did not know the reasons for or things they did not understand. People believed these stories to be true. Myths were very important to them.

Myths!

I wonder if my friends are "mything" me.

"Myths" is such a cool word. The "y" makes a short "i" sound. Can you find and circle 3 more words that have a "y" in them that makes a short "i" sound?
