Keeping Cooooooool!

Summer is here and that means plenty of sunshine and heat! It has been **hot** and we all want to be **cool**. We want to look cool, do cool things and keep cool while doing them.

Have you heard the expression “as cool as a cucumber?” I’m soooo cool that I get to be the guest host on the page this week while all the regular animals are chillin’ out on vacation.

Now *that’s* cool!

1. use it to protect your skin from burning

2. your body gives off drops of this to balance its temperature

3. holds liquid for biking and hiking (2 words)

4. brand name for flavored frozen water on a stick

5. protect your eyes from the harmful rays of the sun

6. swim or float in this to keep cool

7. a gentle wind

8. moves air around

9. when the rays of the sun are blocked we can rest in this

10. cover for the head

11. large one for the beach can protect your whole family

12. machine controlling temperature and amount of water in the air (2 words)

13. H₂O

14. sweet dessert, frozen cream and eggs (2 words)

It’s important to keep **your** cool and **yourself** cool during sizzling, hot weather. Fill in the crossword puzzle with things that you can use to keep yourself “as cool as a cucumber.”

I love the cool greens, blues and purples of the grapes.

I like boating and fishing.

I like swimming... away that is!

There’s nothing like a banana split in a boat to keep cool. I mean in a boat-shaped dish, not a real rowboat!
