Violet

Roxanna

Knox

Urban

Big and little alike these “pets without partners” have an endless love stream of love to share with you...

**Violet** is a pretty little gal who is just under a year old. She is a sweet mixed breed dog and looks to us like she has some Shar Pei in her. We named her Violet because of her spectacular little personality. She just lights

up around people. Violet is smart, a quick learner and wants to please. Her personality is very easygoing and extremely friendly. She gets along with everyone she meets and has very good play manners with other dogs. Violet is good with all ages of children and will make a nice addition into any home situation. Violet is current on her vaccina-

tions, spayed and microchipped.

**Knox** is a gorgeous Italian Greyhound mix. He is 18 months old and weighs only 12 pounds. He was originally found as a stray along with his brother, who has already been adopted. Knox is now on his own. It will be easier on Knox if he has a canine partner to play with in your home. He is a very playful little guy who makes friends easily. Knox is friendly, silly and sweet. He is also a bit shy and will need some time to settle

in with you. Knox is in foster care where he is housebroken with an open door. He is great on a leash and loves to go on walks. The Acker family of Manhattan Beach is sponsoring Knox until he is adopted. Knox is current on his vaccinations, microchipped, and neutered.

**Urban**, named after the famous country singer Keith Urban, is one of eight brothers in our “country singers” litter. He was born on April 17, 2009. He is a healthy, happy, playful, silly, cute, cuddly and absolutely adorable, good-natured puppy. With Urban and his brothers, some look very Beagle-ish and others look very Shih Tzu or Spaniel-ish. We are sure there were at least two fathers involved in the making. If you are interested in meeting any of the puppies, you must first fill out an application and be given an appointment in order to meet them. If you just show up uninvited to be a lookie loo, you will be out of luck. Urban is current on his vaccinations, has been de-wormed, microchipped and will be neutered when of age.

**Roxanna** is a sweet, one-year-old female German Shepherd mix. She loves to run and gets along with other dogs. Roxanna has a beautiful tri-colored coat of black, white and brown. She weighs 50 pounds and is about two feet tall. You will love Roxanna when you meet her and she will love you, too. She is spayed, current on her vaccinations and is microchipped. Roxanna is fostered with one of our fellow rescuers; read more about her in “Private Adoptions” on our website.

Saving one animal won’t change the world, but the world will surely change for that animal. •
