## SINCERE THANK YOU

On behalf of our family, we would like to thank those who gave us such great emotional support during the illness and subsequent passing of our beloved Gail. We also wanted to express our appreciation to everyone who attended Gail's service to pay tribute to her life. Although we knew many years ago that we made the right decision to make our home

in El Segundo, it was reaffirmed by all the love and support we received during this difficult time. We are convinced that there is no other city that has more compassionate and caring people who really know the meaning of true friendship.

Thank you El Segundo,  
The Stevenson Family
