### RESIDENTS CAN DISPOSE OF THEIR HOUSEHOLD HAZARDOUS AND ELECTRONIC WASTE AT A FREE COUNTYWIDE ROUNDUP IN EL SEGUNDO ON NOVEMBER 14 Provided by Julie Watt

Los Angeles County residents can dispose of household hazardous waste including unused pharmaceuticals, antifreeze, car batteries, used motor oil, paint, pesticides; home-generated sharps waste such as hypodermic needles, pen needles, syringes, lancets, and intravenous needles; universal waste including household batteries, fluorescent light bulbs; and electronic waste (e-waste) such as TVs and monitors, computers, VCRs, stereos, and cell phones at the next free Countywide Household Hazardous Waste Roundup. The Roundup will be held in El Segundo at Raytheon Company, Parking Lot G, Hughes Way off of Sepulveda Blvd. on Saturday, November 14 from 9:00 a.m. to 3:00 p.m. Residents can bring up to 15 gallons or 125 pounds of household hazardous waste per vehicle to the Roundup.

"The Roundups offer County of Los Angeles residents a convenient way to discard common household products, e-waste and universal waste such as household batteries and fluorescent light bulbs that are hazardous to people and the environment if not properly disposed of," said County of Los Angeles Supervisor Don Knabe (4th Dist.), Chairman of the Los Angeles County Board of Supervisors. "And, even though old computer monitors and key boards can be reused, refurbished, or recycled, electronic waste is a growing problem."

Since the first Household Hazardous Waste Roundup in 1988, more than 958,000 households participated in the weekly Roundups. Residents dropped off more than 4.8 million gallons of paint, 1 million gallons of used

motor oil, 282 tons of dry-cell batteries, 89 tons of used oil filters and thousands of pounds of other miscellaneous household hazardous waste items. More than 80 percent of the household hazardous waste and 100 percent of the electronic waste collected by the program is recycled.

The Countywide Household Hazardous Waste and E-Waste Roundup Program is brought to you by the County of Los Angeles and presented by the Department of Public Works and the Sanitation Districts of Los Angeles County in cooperation with the City of El Segundo and the neighboring cities of Culver City, Gardena, Hawthorne, Hermosa Beach, Inglewood, Lawndale, Manhattan Beach, Redondo Beach and Torrance. For further information on other upcoming Roundups, and used oil drop-off locations, contact the County of Los Angeles Department of Public Works at 1 (888) CLEAN LA or [www.888CleanLA.com](http://www.888CleanLA.com) or the Sanitation Districts of Los Angeles County at 1 (800) 238- 0172 or [www.lacsd.org](http://www.lacsd.org).
