- either feline or human. Play time is a lot of fun with Emily and what a delight it is to watch her have fun.

Elle is our sweet and super-loving little girl who is oh so darling! She has silky-soft fur, warm, grayish/blue eyes and a sweet white streak down her body which makes her a formally dressed and pretty little tuxedo. One of her most darling features is the little white patch she has on the left side of her face right under her whiskers. Elle seeks out attention from every human she meets. She will walk right up to you and give a soft little mew and raise her head toward you asking for pets and love. She enjoys long petting sessions and will stay right by your side, often curling up to sleep next to you after a petting and love session has ended. She also loves to snuggle with other kitties and can usually be found snuggled with one of her siblings, or with the big residents in her foster home. In fact, it is very cute to watch her snuggle up and cuddle with one of the adult cats in her foster home. Don't let Elle's soft and sweet side fool you, though. She is also a big-time player and is the leader in play among her siblings. She is always off on a new adventure, finding a toy she has hidden somewhere and then carrying it off to the next place for a play session, or pouncing on one of the other kittens in her foster home and engaging them in play.

Albert is a fun-loving and easygoing lover of a boy! He is a beautiful, silver Tabby with a cute little kink at the end of his half-long tail. We are not sure how Albert ended up with half a tail, but its lack of length means nothing to Albert. Albert loves every human and cat he meets. He adjusts very easily to new situations and will make himself at home anywhere he is plopped down. Albert loves to play and he loves to snuggle, meaning that he has the best of both worlds as far as a kitten is concerned. He loves affection but is not overly needy, and he loves to play both with his foster parents and with other kittens/ cats, but again is not a rambunctious player. He is just a beautiful sweetheart who aims to please and just be loved. Albert would love to find a home with one of his foster siblings, or he can be adopted into a home that already has a young kitten/cat.

These kittens/cats are available for adoption through Kitten Rescue, one of the largest cat rescue groups in Southern California. All of our kitties are spayed/neutered, microchipped, tested for FeLV and FIV, de-wormed and current on their vaccinations. For additional information and to see our other kitties, please check our website www.kittenrescue.org. You can also email us at mail@kittenrescue.org to find out more about this week's featured pets and to contact us about adoption. •

We have several weekly adoption events in the Westside. On Saturday/Sunday, we are at a venue located in Mar Vista at 3860 Centinela Avenue, just south of Venice Boulevard. On Saturday only, we are in West Los Angeles at 11055 West Pico Boulevard at Sepulveda. On Sunday, we are in Santa Monica at 2910 Wilshire Boulevard at Yale Street. Adoption hours at these venues are from noon to 3:30 p.m. We also have our fourth Saturday of the month venue in Manhattan Beach located at 1816 North Sepulveda Boulevard, with adoption hours from 10:30 a.m. - 2:00 p.m. •
