Hawthorne City Council Waives Fees with Two Tries, TwoVotes

By Nancy Peters

Beginning with a seemingly innocuous discussion/action item near the end of the Hawthorne City Council meeting on Tuesday, May 13, the request for waivers of nearly \$7,800 in fees was approved so the Kiwanis Club may hold their 66th Annual Fair at the Hawthorne Memorial Center lot adjacent to the buildings. Initially, the request was made by Mayor Pro-Tem Olivia Valentine based on a report by Kiwanian Richard Heun, who stated that because of these fees, the benevolent club has not been able to profit from the fair for the last several years. The vote was taken twice after a seconded motion as four votes and one abstention from Councilman Alex Vargas was cast. As the meeting continued, there were sidebar discussions being held on and off the dais. Councilwoman Angie Reves-English was wondered what was occurring around her; she asked the Parks and Recreation Director about methods to arrange for outside renters to use the Memorial Center and find a revenue source, a topic no others listened to as the exchange took place. Mayor Chris Brown then began to call for a new motion to revote on the topic of Kiwanis Club waiver of fees, announcing that he and Valentine were members of the Kiwanis Club and would recuse themselves from any discussion or future vote about the waiver request. As both of them left the dais with no one to actually preside over the meeting or the vote, a motion was made by Councilman Nilo Michelin, seconded by Vargas, and the motion passed by a vote of 2-0-1, with Vargas again casting an abstention. A resolution was then passed for the purchase of parcels of land along Hawthorne Boulevard at 12717 as part of the Valencia

Family Trust sale of properties that were destroyed in a fire. The city will pay \$420,000 for the land value of the buildings and have control over the type of real estate that is then established in the spaces for development.

In other business, two public hearings were held and motions approved following these. The General Plan Land Use Element will be amended by resolution to incorporate economic development goals and policies; and the Freeway Commercial Mixed Use Land Use designation will be modified on maps so that that certain land uses near freeways will be considered commercial rather than residential. The city will also apply to be a participant in a program to assist in the city infrastructure and transportation projects as part of the "America Fast Forward Bond Program" currently in a Congressional Committee as sent to Congress by the Council of Mayors. In addition, the 2014-15 Annual Action Plan was adopted for CDBG funding in the amount of \$1,154,811 and HOME funds in the amount of \$44,693 to be collected, allocated, and paid out according to the approved schedule, including funds for graffiti removal, the Hawthorne Teen Center, and the loan repayment for Section 108, which includes the monies loaned to Gold's Gym. An option to renew a contract with Vasquez & Company LLP for independent audit services was approved and a recommendation to form a Citizen Audit Committee as a sub committee of the City Council was discussed. The City Attorney and Vasquez & Company's representative to Hawthorne will draft guidelines and present an ordinance or resolution to the City Council on the next Council meeting agenda.

In anticipation of the 2014-2015 budget discussions, Michelin requested a report on the financial impact to the city of all staff promotions, new hires, and any other staff related items from the General Fund. Reyes-English requested a report on the allocations received from all moving violations fines and Red Light tickets issued within the city of Hawthorne.

The Council also approved a request for a resolution to be written condemning the Nigerian kidnappings and the need for action in support of all Nigerian immigrants who live in the United States. When the resolution is written and if and when it is approved by the City Council, a copy will be sent to the United States Senators for California and the Secretary of State, as well as the President of the United States. Other miscellaneous business included: Public Works will install speed humps on Acacia Avenue between 118th Street and 119th Street; and a new sealed bid was opened and approved for the Central Plant Retrofit and Upgrade of Automation Systems in City Hall. Also, destruction of certain records on file for parking citations, Special Events Film Permits, Animal Control Citations and License Application was approved for records dating back to 1992, 1997, and onward to 2012 in accordance with guidelines to retain such records for at a minimum of two years. Finally, the City Council approved a resolution in support of establishing living wage requirements and health care benefits or subsidies for those employees of any vendors who provide service contracts to the city of Hawthorne. The next meeting of the Hawthorne City Council will be on Tuesday, May 27, at 6 p.m. •

Onuohah and Hawthorne Tracksters Improve i n Ocean Final

By Joe Snyder

The once proud Hawthorne High track and field program is still struggling but is slowly progressing after a few fine showings in last Thursday's Ocean League Championships at Culver City High School. The Cougars' top highlight was accomplished by senior Precious Onuohah, who captured the 400-meter run at 59.96 seconds and was clocked in 26.51 in the 200. Onuohah qualified for Saturday's CIF-Southern Section Division III Prelims which start at 8 a.mEstancia High in Mission Viejo. "It was a lot of pressure," Onuohah said. "I wanted to run for my school. I am looking for a 57 at CIF." Onuohah will look to bring down her time enough to qualify for the Southern Section Divisional Championships at Cerritos College on May 24.

Also advancing to the Division III Prelims on the boys' side was senior Jason Santana in the 800 meters after a third place finish in 2:01.7. Santana, who was the top cross country runner on Hawthorne's first squad in five years and a key player on the Cougars' Ocean League Championship boys' soccer team, also competed in the 3,200 but failed

to finish.

Inglewood's boys were led by Martin Brown Gaines, who won the 300-meter intermediate hurdles with a time of 42.07 and placed second in the 110 high hurdles in 17.4 Tajh Henderson placed third in the 100-meter dash, clocking

11.31, and the 200 (23.23). Eddie Reyes was fourth in the 100 at 23:29. Both, however, keyed the Sentinels to the league title in the 4x100 relay, clocking 44.71. Brown Gaines, Henderson (100 and 200) and Inglewood's relay all advance to the Southern Section Division III Prelims on Saturday.

Morningside failed to qualify any athlete to the Prelims. The Monarchs' top performances were by Diamond Alexander in the girls' high jump as she tied for fifth place with Beverly Hills' Kenya James with a leap of four feet, two inches; and Clarence Jackson, who was sixth at the 800 clocking 2:20.96.

COOKSEY KEYS LAWNDALE

Kiyaam Cooksey of Lawndale captured the 400-meter run in 52.85 seconds and anchored the Cardinals' 4x400 relay team to victory, timing 3:31.53. Cooksey and the relay squad both advanced to Saturday's CIF-Southern Section Division III Prelims at Estancia High. If any place in the top nine overall, they will vie in the Divisional Championship Meet at Cerritos College on May 24.

COUGARS SWEEP INGLEWOOD

Hawthorne High's baseball team moved into a strong position at making the CIF-Southern Section Division III playoffs after sweeping Inglewood last week. At Hawthorne on May 6, the Cougars downed the Sentinels 8-3. At Sentinel Field last Thursday, the Cougars blanked Inglewood 4-0. Last Thursday, Andrew Banuelos pitched a no-hitter and threw to just one batter above the minimum of 21. Javier Martine had two doubles and drove in one run for Hawthorne, which improved to 13-8-1 overall and 4-4 in the Ocean League. It was the Cougars' fourth consecutive league victory after opening the league with four straight losses to top teams Santa Monica and Culver City. Hawthorne will seek to finish in third place with two games against

was three-for-five with three RBIs and two runs, and Alex Munoz went two-for-three, drove in two runs, and scored two.

The Aztec-Eagles, who improved to 7-1 in league, closed the Harbor League against Environmental Charter at Jane Addams Field in Lawndale on Wednesday. Animo is expected to begin the CIF-Southern Section Division VII playoffs next week.

LEUZINGER GETS SWEPT BY FIRST PLACE PENINSULA

Although continuing to lose every Bay League game lopsidedly, Leuzinger High's baseball team is showing good effort, including against first place Peninsula last week. On May 7 at Peninsula in Rolling Hills Estates, the Olympians were crushed 19-0, but at Leuzinger last Friday, the Olympians showed

Morningside from Inglewood this week. The Cougars visited the Monarchs last Tuesday and will host Morningside today at 3:15 p.m. in their Ocean Finale.

ANIMO ROUTS FIREBAUGH

The Animo Leadership High baseball team picked up a key 12-1 victory at Firebaugh High on May 6 in Lynwood. Already leading 4-0 through four innings, the Aztec-Eagles turned the game into a rout with seven runs in the top of the fifth. Winning pitcher Fabian Vital pitched a complete game with 12 strikeouts. At bat, Vital went three-for-four with four runs and two runs batted in. Daniel Comenero signs of improvement in an 8-1 loss. Sergio Hernandez went two-for-three and drove in a run and Johnny Sanchez was two-for-three with a run. Edgar Gutierrez went the distance, despite the loss. Leuzinger closes the season at West Torrance today at 3:15p.m.

HAWTHORNE FALLS TO SAMO

Hawthorne High's softball team was still unable to top first place Santa Monica in an 11-7 Ocean League loss last Thursday at Memorial Park in Santa Monica. On May 6 at Hawthorne, the second place Cougars (15-9, 6-2) routed Morningside 15-0. •

By Bob Eklund

Beautiful streamlined islands and narrow gorges were carved by fast-flowing water pounding through a small plateau region near the southeastern margin of the vast Vallis Marineris canyon system. Images captured on 7 December 2013 by the European Space Agency's Mars Express show the central portion of Osuga Valles, which has a total length of 164 km. It is some 170 km south of Eos Chaos, which lies in the far eastern section of Valles Marineris. Osuga Valles is an outflow channel that emanates from a region of chaotic terrain at the edge of Eos Chaos to the west. Such landscape is dominated by randomly oriented and heavily eroded blocks of terrain. Another example is seen at the bottom of this scene, filling the 2.5 km-deep depression into which Osuga Valles empties. Catastrophic flooding is thought to have created the heavily eroded Osuga Valles and the features within it. Streamlines around the islands in the valley indicate that the direction of flow was towards the northeast (photo, at bottom) and sets of parallel, narrow grooves on the floor of the channel suggest that the water was fast-flowing.

along with the presence and cross-cutting relationships of channels carved onto the islands, suggest that Osuga Valles experienced several episodes of flooding. The perspective view, which is oriented with the direction of the water flow towards the top of the image, shows the details of the grooved valley floor and the channels carved into the islands more clearly. Close to the northern-most (photo, far right) part of the channel, two large irregular-shaped blocks appear to have broken away from the surrounding terrain, but do not seem to have experienced as much erosion as the rounded islands. The floodwater eventually emptied into the deep depression of chaotic terrain at the bottom of the main images, but it is not yet known whether the water drained away into the subsurface or formed a temporary lake.

Adopt a "Pet Without a Partner" and Give a Homeless Pet a Second Chance in Life

Bisha is so well mannered and needs a low-stress household.

Bisha is a 5-6 year old gentle brindle female Mastiff mix who was discarded at the Downey Shelter with her German Shepherd and Min Pin companion. She lost her home due to her owners getting a divorce. Bisha walks flawlessly on leash, takes treats with gentle enthusiasm and can sit, shake, lie down and come on command. We believe her to be housebroken as she does not relieve herself in her kennel. She is so well mannered that you can walk her with one finger on the leash. She has a low energy level and is loving with people and other dogs. Bisha is a slobbery, affectionate, low key girl who is the perfect indoor pet for an individual or family living in a private home. This dog is awesome, we adore her! Bisha is spayed, current on vaccinations, dewormed, microchipped, fine with other dogs and mature kids over 6 please.

April is a sweet year old Pug with the cutest underbite. She is very playful and has a very sweet, loving personality. She is fine with all other dogs and is settling into her foster home well. We would love to place her with a Pug experienced family or with another Pug for her to play with. She has a cute Pug purr that she does when she is excited to see you. She is currently learning how to sit and stay. April is spayed, current on vaccinations, dewormed, microchipped, good with children and other dogs.

greatest. He is completely house trained: even uses the doggy door now. He is leash trained, calm, learning new tricks every day, great with cats and other dogs. He sleeps at the foot of our bed, is great with baths (and brushings). I really can't say enough good things about him. We've been taking him on walks daily and to the doggy park a few times. Andre has decided that dog food is not good enough for him, so he eats like royalty here with home-cooked organic meats/veggies/and grains daily. He likes the toys I got him as well. It's hilarious watching him walk around with a road-kill stuffed opossum in his mouth. We are especially enjoying watching Jake come out of his shell around us. He is such a playful curious puppy. I took a walk this Saturday and was amazed at the bounty of great looking vegetables.

Grilling vegetables is a great way to not only prepare the wonders of the garden, but also keeps the fresh crispness and nutrients in the vegetables and not in the water that you would use to cook them. Hints for grilling vegetables:

• Cut the vegetables in pieces that are sized to cook fast, but not fall through the grates.

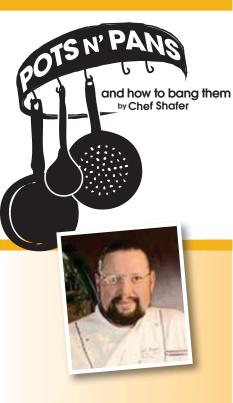

Don't try to grill too much at once; you will either burn them or not get them cooked enough.
Use light oil. Don't over oil them. They will just burn

and not grill. • Season them with care. Don't use too much flavoring.

Let them speak for themselves. Salt and pepper is great when the veggies are so sweet and in season.

 \bullet Save the seasoning for the meats that you serve with the veggies.
