Officer Shelly Yoshida Honored

The February Employee of the Month Award went to Officer Shelly Yoshida (center), as presented by Police Chief Robert Fager (far right) during a City Council meeting. Yoshida is an active mentor and program leader in the Hawthorne Police Department's Explorer post as well as the South Bay Explorer academy program. She was recently assigned a new role as school resource officer for Hawthorne High School. Photo: City of Hawthorne.

New Signals, Bike Lane, Sewer Lines for Hawthorne Boulevard

By Derrick Deane

Hawthorne Boulevard is getting set for a new wave of much-needed upgrades and sewer updates in the coming months. City Manager Arnie Shadbehr offered an update on both the Hawthorne Boulevard Improvement Project as well as the Sanitary Sewer Master Plan.

The project is so large in scope that Shadbehr presented what he called Phase One, which would encompass the section of Hawthorne Boulevard from El Segundo Boulevard to Imperial Highway. The project has been in planning for more than a year and will include complete pavement reconstruction and repaving along the entire length of Hawthorne Boulevard as well as installation of a bike lane. "This project is going to include some center median curb relocation, so we had to redesign and realign the center median curb and open room for a bike lane," Shadbehr said.

Shadbehr added that the bike lane was one of the important elements in securing grant funding. The new lane will run the entire length of Hawthorne Boulevard and connect to the L.A. County bike lane that begins at Imperial Highway. "Each time when we put together a grant application, we have to see what the grant objectives are," Shadbehr said. "We have to work around the grant objectives. One of the elements of this grant was the bike lane, which is part of the multi-modal transportation facility"

Shadbehr noted that the other key objective with the grant was addressing mobility in the city. "As a result of the Environmental Impact Report (EIR) for the Hawthorne Specific Plan, the construction of the hotels and the new restaurant add an additional 2,500 [people] a day in addition to what we have right now," he said.

The project seeks to install traffic signals at three intersections. The first will be Hawthorne and Broadway that will get two new 26-foot-

tall signals and a 24-foot-tall signal in addition to adding new streetlights, a signal controller, and video detection that will include the bike lane. "The bike lane will activate the traffic signal," Shadbehr explained. "It is activating from Rosecrans to El Segundo and continuing all the way to Imperial Highway as if it is a motorized vehicle."

The second signal implementation will take place at the north entrance of the Hawthorne Mall. A 24-foot-tall signal and a 15-foot-tall signal will be installed along with the new video detection for the bike lane. "We're also adding new signal heads for better visibility," Shadbehr said of that particular installation.

At 120th Street, the controller will be re-programmed, Shadbehr added, "because of the widening and re-striping and shifting the lanes to accommodate the bike lane for the video detection zone. We are doing the same things at Imperial Highway."

The third signal installation will take place at Hawthorne Boulevard and 126th Street where the new hotels and restaurant will be located. "We are adding a new eastbound lane as well," Shadbehr said. "Right now, there is only one lane going eastbound."

The new lane will be for left turns onto Hawthorne Boulevard going northbound and has been something that Shadbehr and his staff have been planning for a while. "If you noticed when we were installing the infiltration chambers between El Segundo and 120th Street last year, we removed the median island at 126th," Shadbehr said. "We created that left turn pocket in anticipation of this new traffic signal. Back then, we didn't have proper funding to do the signal. Now we are in a position to do it."

The project will also replace 4,000 square feet of sidewalk, 8,000 square feet of curb ramps, and 24,000 square feet of driveways in order

to upgrade and comply with the Americans with Disabilities Act (ADA) codes.

Another major part of the project will involve a sewer pipeline that will be installed, partly in anticipation of an increase in people once the new hotels across from City Hall are completed and open for business. A key, large pipeline will run from Broadway Avenue, under the Hawthorne Mall, and connect with the County Sanitation Trunk Line under Birch Avenue. "This pipe is currently running at 85 to 90 percent at capacity," Shadbehr said. "Because of that, we are adding a new [1,800 linear feet] relief sewer pipe to share the load on that pipe -- and in particular with the new hotel construction, that is going to be discharged to this same pipe. This sewer line is very important. It is serving 66 acres of land in the vicinity of Broadway and Hawthorne Boulevard."

Part of the sewer improvements are a result of the Sanitary Sewer Management Program mandated by the state in 2007. The program carries stiff fines for sewer overflow, including \$25,000 a day for each violation and \$25 per gallon of overflow. Hawthorne currently operates a two-man sewer crew who "flush the 100 miles of pipeline twice a year."

Some of Hawthorne's sewer pipes date back the 1920s and a few areas of the pipeline have historically experienced overflow. To combat any potential overflow, the City of Hawthorne teamed up with physicist Dr. Greg Quist PhD. about installing devices on manhole covers. "Thanks to our free market economy, he came and met with us several years ago -- and with his partner, they developed a high-tech, high-quality device called a Smart Cover," Shadbehr said. "It is constantly radiating ultrasound and measuring flow level in the sewer system and then sending signals to satellites." Shadbehr added that the Smart Covers have been working for the past eight years in the city with no overflow issues. •

Film Review

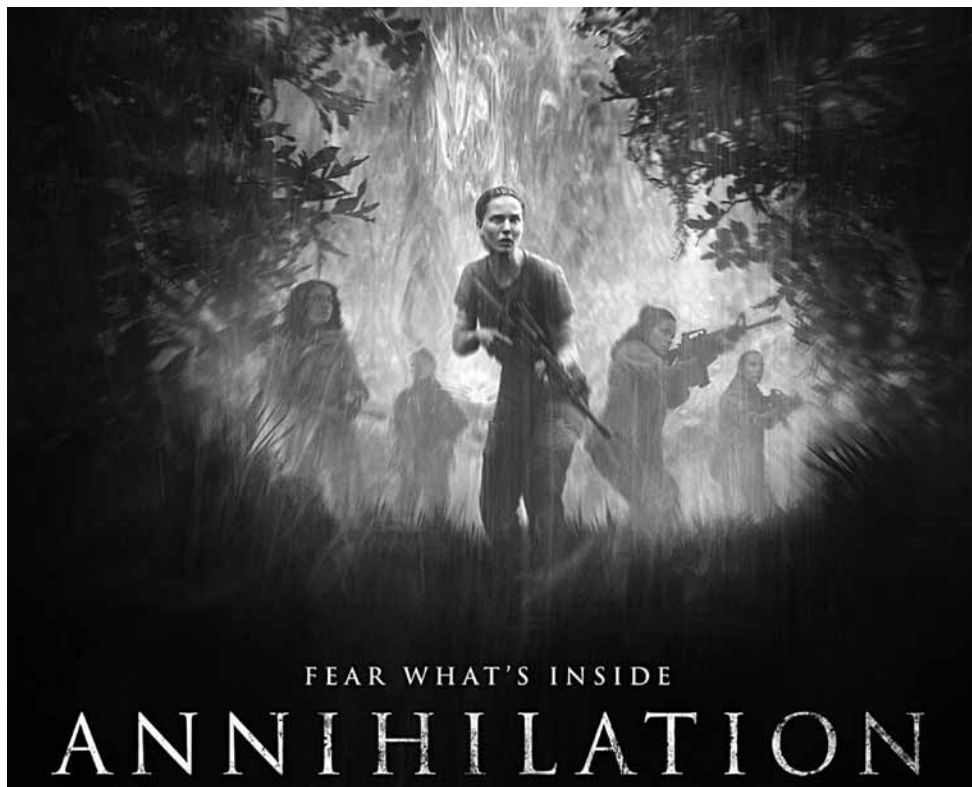

Sprawling *Annihilation* Explores Humanity from the Cellular Level

Ryan Rojas for www.cinemacy.com

It's fun when sci-fi is combined with grandly ambitious ideas. Here, director Alex Garland explores what it means to be human by understanding our own cellular division at the most microscopic level – but *Annihilation* is less of a coherent vision than it is a familiar flick of a fight-to-survive with some psychedelic flair.

In *Annihilation*, the threat to humanity isn't so much that of humans being wiped from the face of the Earth by extraterrestrials, but rather extinction through mutations to DNA in which humans either cross-evolve with other life forms, or be killed by those very creations. This wildly ambitious and heavily conceptual sci-fi flick begins with a crash course in explaining cellular make-up at its most basic level: as taught to us in a collegiate course setting by biologist Lena (Natalie Portman). She explains how the activity of endless division within the body – one becoming two, two becoming four, and so on and so forth – shows a fundamental error in our own evolution, in that we are programmed to divide rather than unify.

It's a somewhat cynical premise, but as Lena's military husband Kane (Oscar Isaac) has been gone for a full year since being deployed on a covert mission, we concede that Lena has rightfully become hardened. That is, until Kane stumbles his way through the front door of their home one unexpected night, to Lena's shock. From a military pop-up base that she and her husband are immediately whisked away to, Lena is informed by Dr. Ventress (Jennifer Jason Leigh) that her husband was part of an infantry unit called upon to enter a mysterious site called "The Shimmer." At this location, evolution of all living matter refracts up to its bubbly

Annihilation. Courtesy of Paramount Pictures.

orb and then back down on itself, making for crazy cross-pollinating life forms that include beautiful floral families and mutated killer bears. With Kane lying comatose, Lena decides to join a new unit who is prepping to enter The Shimmer to discover its origin. Of course, early scientific study turns into an all-out fight for survival as the team soon learns what threatens them inside.

We've seen this sort of alien expedition mission movie before in films like *Prometheus* and even in *Arrival*, but this cast brings another dimension. Portman returns from her Oscar-winning turn in 2016's *Jackie* to re-assert herself as a big screen action

star -- and while it may be more likely to believe Lena is an academic biologist rather than seven-year army veteran, Leigh as Dr. Ventress is commanding all the same, lending more pathos than bravado in her position of power. And one of the most welcome points of the movie is the all-female crew that moves into The Shimmer, comprised of Anya (Gina Rodriguez), Josie (Tessa Thompson), and Cass (Tuva Novotny).

Garland (*Ex Machina*) is among the more ambitious sci-fi storytellers to bring challenging material to the big screen, and *Annihilation* offers a closer reading for those who read into it. The fact that teams

of soldiers continue to enter The Shimmer, knowing that nobody has come back alive (the exception being a comatose Kane) is actually a comment about the flaw in human design. Lena also discovers a shared characteristic in the crew: they are all escaping vices and addictions that await them at home. Garland makes the connection that perhaps humans are destined to be self-destructive creatures.

Of course, this is a deeper reading that may penetrate audiences, and the rest of the film offers enough serious and interesting world-building that it becomes a unique movie-watching experience. *Annihilation* ends with a wordless sequence that is stirring and captivating. While Garland expands on bringing his philosophy into action and grander visual storytelling, *Annihilation* is ultimately more exciting for the ideas that it brings forward than its execution.

115 min. *Annihilation* is rated R for violence, bloody images, language and some sexuality. Now playing. •

Hawthorne Happenings

News for the City of Good Neighbors from an Old Guy Named Norb Huber

HAWTHORNE HAPPENINGS GOLF ANYONE?

There is nothing like the game of golf. Really, there ain't nutin' like it, old guys like me riding around in carts and hitting little white balls into a cup with a flag stuck in it. That sounds exciting. Believe it or not, it really is a blast. Like most things, you have to try it to experience the thrill. Well with that being said, I would like to invite you to the Hawthorne Parks and Recreation Foundation's 29th Annual Golf Tournament on Monday, April 16th. This year's tournament is being held at the Industry Hills "Babe Course". The schedule is as follows: 10 am Registration, 11 am BBQ Lunch, 12 noon shotgun start, 5 pm dinner. If you are interested in playing or your company would like to be a sponsor, please contact Dick Huhn at 310-643-9157. All proceeds goes to the improving of our parks.

GOOD NEWS: HAVING A COLD ONE AND COFFEE CAN HELP YOU LIVE PAST 90

Here it is folks, here is proof: A study out of the University of California-Irvine has revealed that consumption of moderate amounts of alcohol and coffee is linked to living a longer life. The key word is "moderate," of course. The study, called "The 90+ Study," started in 2003 and examined "the oldest-old" age group - about 1,700 nonagenarians - to determine what is key to living to your 90th birthday and beyond. The study has found, among other things, that people "who drank moderate amounts of alcohol or coffee lived longer than those who abstained," and that "people who were overweight in their 70s lived longer than normal or underweight people did." "I have no explanation for it, but I do firmly believe that modest drinking improves longevity," Dr. Claudia Kawas, a key researcher for the study. Wow! There it is, proof of all that I have been saying. Having a cold one not

only helps you relax and takes the stress off of your heavily burdened mind and body, but it allows you to live well past the average age expectancy for us baby boomers. So, don't give me any heck about my "have a cold one" advice. Don't tell me I'm an old drunken city clerk who says the same crap every week.

If it takes an academic study to shoot back at you critics who want to toss me under the bus and throw away the key I'll shake my blogery mumbo jumbo in your face. The bottom line is this: I'll have the last laugh.

COMMON SPACE BREWERY TO HOLD WEEKEND LONG GRAND OPENING

Hawthorne is becoming the place to go to find a great cold one. Our second brewery will be opening this week at 3411 W. El Segundo Blvd. Common Space promises to offer more "lager" brews, the kind that I like. I'm a lighter guy not the darker ale type. I hope to see some of you over at the start of the grand opening weekend on Thursday at 4 p.m. for the formal ribbon cutting.

HAWTHORNE'S "HOMETOWN PANCAKE BREAKFAST"

Mark your calendars. Tell your cell phone to send you a reminder. Make a point to get out of bed early and come on over to the Hawthorne Museum on St. Patrick's Day morning, Saturday, March 17 between the hours of 8 a.m. and 11 a.m. The Hawthorne Historical Society will be holding our 4th Annual Hawthorne Hometown Pancake Breakfast. How much better can it get than hot cakes, bacon, sausage, orange juice and coffee? Bring your friends and family. The price is right, \$5 is all that you pay.

THE "STATE OF THE CITY" LUNCHEON

Mayor Alex Vargas promises to keep his speech shorter than President Trump when he delivers his annual "State of the City" address on Wednesday, March 21st over at the Memorial Center. Tickets to the luncheon are \$50 per person and can be obtained by calling the Chamber of Commerce office. •

Anza Presentation, School Safety Highlight Wiseburn Meeting

By Duane Plank

Last Thursday evening's meeting of the Wiseburn School Board, called to order by Board President JoAnne Kaneda, was a dichotomy to the assembled attendees. It featured discussion of Wiseburn Unified School District programs, as well as a necessary lock-down mentality which has to be implemented to protect all in the wake of recent events.

The Board heard a special presentation by administrators and teachers at Anza Elementary, which delineated some of the success stories occurring on the campus located on Hindry Avenue.

The Board also discussed, in the wake of the massacre that took place two weeks ago in Parkland, Fla., the need for all school districts to continue to ramp up campus security and deal with the hard questions about protecting students, teachers, administrators and support personnel during the school day. The District had scheduled, prior to the carnage of innocents at the Florida high school campus, an active shooter exercise and "critique" of current security measures that will take place on March 1.

Said Superintendent Tom Johnstone, regarding the murder of innocent children and the resultant protests by the under-20s: "It is sad in a society that is really governed by adults, that it takes the death of our kids to bring this matter to a head. How long are we going to put up with this? We are the joke of the world."

Principal Alberto Paredes and four of his staff at Anza Elementary made their presentation, entitled "Off to Great Places." Rather than focusing on data and number-crunching, the presenters celebrated the strides being made at the elementary school: Implementing a supportive school culture with a positive behavior support program, utilizing 3D printing, and making progress with the Project Lead the Way course offerings.

Paredes handed off the initial part of the presentation to Jorge Paz, Anza counselor, who talked of the school team currently in place to implement the Positive Behavior Support (PBS) program. Paz spoke of one of the main problems in 2018 American schools -- an epidemic, he said, of "social isolation" that causes some students to feel that they are being left out or left behind, thus causing them to feel "lonely and invisible." He noted that this feeling of isolation causes some students to "pull away" from society and stunt their social development. This can result in students hurting themselves, or others, similar to what occurred in Parkland two weeks ago. Paredes spoke of the PBS program goals, which include the attempt to develop a culture of "inclusion and connectedness" by creating positive incentives.

The second part of Anza's presentation featured third grade teachers Suzanne Guidi and Jordan McKenna, who touted the school's "Genius Hour." This program encourages creativity in the classroom through Science, Technology, Engineering and Mathematics

(STEM) immersion. Funded by a Wiseburn Ed Foundation grant, the tools used to facilitate learning during Genius Hour include propagating public speaking, revving up the engineering process, and exposing the students to the magic of 3D printing.

Next, the Board was treated to a "share-out" from four students who participate in Anza's program. They purveyed some of their 3D printing success stories and adroitly answered questions.

The final component of the Anza presentation was made by fifth grade teacher Candysy Crow and delineated the successes of the Project Lead the Way program. She spoke of pairing kindergartners with older students (fifth graders) to delve into "peer collaborations-tutoring," citing studies that have found that "students are more positive toward subject areas when assisted by an older student."

Action items included approval of the mandated Single Plan for student achievement at Anza, Burnett, Cabrillo and Dana campuses, as well as an agreement with Board Docs to provide an online agenda for services and support that will make the agenda accessible to Board members via their tablets or smartphones.

Next up was discussion about the ongoing construction at Wiseburn High on the westside of Douglas Street. The Phase II work, which is expected to be completed in early September, includes the pools, gym and sports field. Vince Madsen, the District's point man on the Wiseburn High project, emailed after the meeting that "we have finally finished the rough earthwork under both of the pools and have started working on concrete forming and the pool circulation piping. The equipment building which will house the pool equipment has received the first of its deep footing concrete/rebar, and is starting to take shape. We have electrical, plumbing and mechanical contractors working in the larger section of the gym building and will soon start working on the ancillary rooms on the north and south side of the gym. Punch list activity is still ongoing for Phase 1, and we will continue to work on final close-out and State certification of that scope of work."

In other District-related news, the Board was scheduled last weekend to interview the remaining candidates for the position of superintendent, which opened up because of the pending retirement of Johnstone, who reported, "By the end of the weekend, we should know who the next superintendent is."

After the meeting, Johnstone noted that there would probably be a bond finalization that may occur at the next School Board session. "We are going to do it," he said. "We are not going to ask a new superintendent to go out for a bond. We have things to do, and if they want to do them, we will do them -- and if they don't want to do them, we won't...and that's just how it's going to be."

The next Wiseburn School Board meeting is scheduled for March 8. •

Classifieds

The deadline for Classified Ad submission and payment is Noon on Tuesday to appear in Thursday's paper. Advertisements must be submitted in writing by mail, fax or email. You may pay by cash, check, or credit card (Visa or M/C over the phone).

Errors: Please check your advertisements immediately. Any corrections and/or changes in an ad must be requested prior to the following Tuesday deadline in order to receive a credit. A credit will be issued for only the first time the error appears. Multiple runs will only be credited for the first time the error appears. No credit will be issued for an amount greater than the cost of the advertisement.

Beware: Employment offers that suggest guaranteed out-of-state or overseas positions may be deceptive or unethical in nature. If you have any doubts about the nature of a company, contact the local office of the Better Business Bureau, (213) 251-9696. The beneficiary under said Deed of Trust has deposited all documents evidencing the obligations secured by the Deed of Trust and has declared all sums secured thereby immediately due and payable, and has caused a written Notice of Default and Election to Sell to be executed. The undersigned caused said Notice of Default and Election to Sell to be recorded in the County where the real property is located. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before

you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and if applicable, the rescheduled time and date for the sale of this property, you may call (916)939-0772 or visit this Internet Web <http://search.nationwideposting.com/propertySearchTerms.aspx>, using the file number assigned to this case CA1700279809

Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. If the sale is set aside for any reason, the Purchaser at the sale shall be entitled only to a return of the deposit paid. The Purchaser shall have no further recourse against the Mortgagor, the Mortgagee or the Mortgagee's attorney. Date: First American Title Insurance Company 4795 Regent Blvd, Mail Code 1011-F Irving, TX 75063 First American Title Insurance Company MAY BE ACTING AS A DEBT COLLECTOR ATTEMPTING TO COLLECT A DEBT. ANY INFORMATION OBTAINED MAY BE USED FOR THAT PURPOSE FOR TRUSTEE'S SALE INFORMATION PLEASE CALL (916)939-0772 NFP0326757 To: LAWDALE TRIBUNE 03/01/2018, 03/08/2018, 03/15/2018 Lawndale Tribune Pub. 3/1, 3/8, 3/15/18 HL-25910

NOTICE OF TRUSTEE'S SALE TS No. CA-17-797704-BF Order No.: NXCA-0262561 YOU ARE IN DEFAULT UNDER A DEED OF TRUST DATED 12/22/2005. UNLESS YOU TAKE ACTION TO PROTECT YOUR PROPERTY, IT MAY BE SOLD AT A PUBLIC SALE. IF YOU NEED AN EXPLANATION OF THE NATURE OF THE PROCEEDING AGAINST YOU, YOU SHOULD CONTACT A LAWYER. A public auction sale to the highest bidder for cash, cashier's check drawn on a state or national bank, check drawn by state or federal credit union, or a check drawn by a state or federal savings and loan association, or savings association, or savings bank specified in Section 5102 of the Financial Code and authorized to do business in this state, will be held by duly appointed trustee. The sale will be made, but without covenant or warranty, expressed or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of the note(s) secured by the Deed of Trust, with interest and late charges thereon, as provided in the note(s), advances, under the terms of the Deed of Trust, interest thereon, fees, charges and expenses of the Trustee for the total amount (at the time of the initial publication of the Notice of Sale) reasonably estimated to be set forth below. The amount may be greater on the day of sale. BENEFICIARY MAY ELECT TO BID LESS

THAN THE TOTAL AMOUNT DUE. Trustor(s): Peter Ryan and Anissa Ryan husband and wife as joint tenants Recorded: 1/4/2006 as Instrument No. 06 0013792 and modified as per Modification Agreement recorded 9/9/2010 as Instrument No. 20101271700 of Official Records in the office of the Recorder of LOS ANGELES County, California; Date of Sale: 3/8/2018 at 10:00 AM Place of Sale: Behind the fountain located in Civic Center Plaza, located at 400 Civic Center Plaza, Pomona CA 91766 Amount of unpaid balance and other charges: \$332,209.79 The purported property address is: 4553 1/2 W 156TH STREET, LAWDALE, CA 90260 Assessor's Parcel No.: 4079-020-025 NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may

exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and if applicable, the rescheduled time and date for the sale of this property, you may call 916-939-0772 for information regarding the trustee's sale or visit this Internet Web site <http://www.qualityloan.com>, using the file number assigned to this foreclosure by the Trustee: CA-17-797704-BF. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. The undersigned Trustee disclaims any liability for any incorrectness of the

property address or other common designation, if any, shown herein. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. If the sale is set aside for any reason, including if the Trustee is unable to convey title, the Purchaser at the sale shall be entitled only to a return of the monies paid to the Trustee. This shall be the Purchaser's sole and exclusive remedy. The purchaser shall have no further recourse against the Trustor, the Trustee, the Beneficiary, the Beneficiary's Agent, or the Beneficiary's Attorney. If you have previously been discharged through bankruptcy, you may have been released of personal liability for this loan in which case this letter is intended to exercise the note holders right's against the real property only. SCOPE OF WORK

The work consists of excavation and removal of existing pavement, concrete and asphalt paving, construction of curb and gutter, sidewalks, driveways, sanitary sewer construction, raised medians and ADA ramps. In addition, work will include traffic signal modifications, traffic striping, adjustment of utilities and all other work necessary to complete the improvements in accordance with the Plans and Specifications. **CLASSIFICATION OF CONTRACTORS** Contractors bidding this project must possess a valid State of California Contractors' License. **SUBMISSION OF PROPOSALS** Proposals must be submitted on the blank forms prepared and furnished for

that purpose, which may be obtained at the office of the Hawthorne City Engineer. Bidders may also obtain copies of the Plans and Specifications for the contemplated work. (See "NOTE" under Project Information section.) No bid will be considered unless it conforms to the Proposal Requirements and Conditions. The City Council of the City of Hawthorne, also referred to as the City, reserves the right to reject any and all proposals. Bids must be returned in the special envelopes provided, marked "SEALED BIDS", and addressed to the City Clerk. Each proposal shall be accompanied by one of the following forms of bidder's security: cash, cashier's check, certified check, or bidder's bond, equal to ten percent (10%) of the bid price.

A list of subcontractors shall be submitted with the bid on the form provided by the City. **NONDISCRIMINATION** In performance of the terms of this contract, the Contractor shall not engage in, nor permit such subcontractors as he may employ from engaging in discrimination in employment of persons because of race, color, place of nation origin or ancestry, sex, age or religion of such persons. **PERFORMANCE RETENTIONS** The successful bidder will be required to provide for performance security as provided by law. Requirements for performance retentions may be satisfied by deposit or securities specified in Section 16430 of the Government Code and in accordance with Section 22300 of the Public Contract Code.

WAGES AND EQUAL EMPLOYMENT OPPORTUNITIES

This proposed Contract is under and subject to Executive Order 11246, as amended, of September 24, 1965, and to the Equal Employment Opportunity (EEO) and Federal Labor Provisions. The EEO requirements, labor provisions, and wage rates are included in the Specifications and Bid documents and are available for inspection at the City Clerk's Office, City Hall, City of Hawthorne. NOTICE IS FURTHER GIVEN that pursuant to the provisions of Section 1773 of the Labor Code of the State of California, the City Council has obtained the general federal prevailing rate of per diem wages in accordance with the law to be paid for the construction of the above entitled Works and Improvements and General Prevailing rate for holiday and overtime work in this locality for each craft. The schedule has been obtained from the U.S. Department for Housing and Urban Development for Community Block Grant Programs of the type and nature proposed by the City, and reference is hereby made to copies thereof on file in the Office of the City Engineer, which said copies are available to any interested party upon request. Further, a copy shall be posted at the job site during the course of construction. All Contractors submitting bids must conform to current federal minimum prevailing wages. In addition to the Contractor's obligations as to minimum wages rates, the Contractor shall abide by all other provisions and requirements stipulated in Sections 1770-1780, inclusive, of the Labor Code of the State of California, including, but not limited to, those dealing with the employment of registered apprentices. The responsibility of compliance with Section 1777.5 of the Labor Code shall be with the prime contractor.

PROJECT INFORMATION Plans and Specifications are available for purchase at Hawthorne City Hall, Department of Public Works, Engineering Division (second floor), located at: 4455 West 126th Street, Hawthorne, CA 90250, (310) 349-2980. **NOTE TO PROSPECTIVE BIDDERS: THE COST OF PLANS AND SPECIFICATIONS IS \$150.00 (non-refundable). AN ADDITIONAL \$25.00 WILL BE CHARGED IF MAILING IS NECESSARY, OR \$50.00 IF FEDERAL EXPRESS MAILING OPTION IS REQUIRED.** (There will be no fee required for mailing if prospective bidder prefers to have plans and specifications sent and billed via Bidder's FEDEX account number.) If you have any questions regarding this project, please contact Akbar Farokhi, Senior Engineer, Department of Public Works, at telephone number (310) 349-2983. Hawthorne Press Tribune Pub. 3/1/18 HH-25916

PETSPETS **Pets** PETSPETS

Purrrfect Companions

Vanilla Ice

Every second of every minute of every day, a helpless animal is put to death just because no one was there to take them home. Give one of these kitties a second chance for a lifetime of love in a new forever home.

Vanilla Ice is cool and calm. He takes everything in stride. Playful and sweet, he will be a laidback, but loving dude. Vanilla Ice is one of four siblings that include his sister Spice Girl and his two brothers Don Ho and Honey Bear (who are also available for adoption). He needs to be adopted into a home with a young, playful cat/kitten or along with one of his siblings. He lives with other cats and a small, cat-friendly dog. Vanilla Ice would do well in a variety of situations as long as he has another playful cat to bond with there.

This adorable litter of kittens are ready for their furr-ever homes. Come and meet Pearl, Amber, Onyx, Silver and Crystal! They love to play with their foster mom's dog, are great with other cats old and young, and enjoy socializing with other humans. If you have a heart big enough for two, they would very much love to get adopted with one of their siblings.

Pearl is a little love bug. She loves to cuddle, kiss and snuggle with you. Once you hold her and hear her soft purrs, you will have a sweetness meltdown. She loves to talk and just be by her special person. This darling baby will make you feel happy inside as she sticks her chin out for you to rub and nuzzle. She is a sweet little girl who loves

Pearl

to play as well. Pearl's favorite sibling is her brother Silver and she absolutely adores following him around.

Amber is an extremely adorable little kitten. She is *so* curious and smart and loves to prance around with her brothers and sisters. She is a playful kitten who loves to get your attention. She will never leave a feather or

Amber

mice toy unattended. As a great multi-tasker, Amber can cuddle, play with a toy and make you give her belly rubs all at the same time. She loves to talk to you while you're sitting down and cuddling her at the end of each day.

Onyx

Silver

She also loves getting kisses on her cheeks.

Onyx is lovable and the most unique, sweetest kitten. He likes to explore new places and loves getting attention from his human – and especially belly rubs! This fun and energetic little boy loves to climb on top of cat trees and run around with his siblings. If you are tired and cannot play with him, it's okay. Onyx will just set up right next to you and bring one of his favorite toys and toss them to you to make you play with him.

Silver is an explorer who enjoys running and playing with his brothers and sisters. He is absolutely the most affectionate kitten. He is always there to greet everyone and is the sweetest little boy when you need cuddles. You have the best of both worlds with Silver. You get a playful, joyous kitty and the endless love from him to match. Silver is also the *ultimate* lap kitty. He even nursed his foster mommy back to health with all his cuddling when she was down with the flu. With his great energy, everyone adores him.

Sugar and spice and everything nice is what little **Crystal** is made of. Crystal is such a sweet and thoughtful kitten with lots of energy and spunk to back it up! She is a bit timid at first, but warms up to you and starts purring when you hold her in your arms. Crystal is not afraid of anything. She

has scaled all the cat trees at her foster mom's house and has even conquered her dog! Crystal is always running around with her brothers and sisters planning what mischief they will get into next.

These cats and kittens are available for adoption through Kitten Rescue, one of the largest cat rescue groups in Southern California. All our kitties are spayed/neutered, microchipped, tested for FeLV and FIV, dewormed and current on their vaccinations. For additional information and to see these or our other kittens and cats, please check our website www.kittenrescue.org or email us at mail@kittenrescue.org. Your tax-deductible donations for the rescue and care of our cats and kittens can be made through our website or by sending a check payable to Kitten Rescue, 914 Westwood Blvd. #583, Los Angeles, CA 90024.

On Saturdays, we have adoptions from noon to 3:30 p.m. in Westchester at 8655 Lincoln Blvd., just south of Manchester Ave.; and also in Mar Vista at 3860 Centinela Ave., just south of Venice Boulevard. Our website lists additional adoption sites and directions to each location.

Saving one animal won't change the world, but the world will surely change for that animal. •

Crystal
