More LAX Closures to Come

Commuters Beware: LAX will continue with additional runway closures later this year. Photo courtesy of LA World Airports.

Runway Closures Could Increase Aircraft Noise

By Brian Simon

Last month, Los Angeles World Airports (LAWA) kicked off the first of a series of phased runway closures at LAX to make improvements to the Runway Safety Areas (RSA). These buffer zones exist in the event an aircraft overshoots, overruns or veers off a runway. The RSAs are usually 1,000 feet by 500 feet at the end and 250 feet from the runway centerline.

Construction is set to wrap up this month on the first project, Runway 7R-25L, which is the one closest to El Segundo in the south airfield. The next closures will entail the two north airfields Runway 6L-24R (June and October 2015) and Runway 6R-24L (November 2015-October 2016), followed by the south airfield Runway 7L-25R (October 2016-June 2017). Dates for additional runway and taxiway maintenance work continuing into 2018 will be determined later. LAWA previously completed RSA work at other facilities in Ontario and Van Nuys.

The runway closures shift aircraft operations to different parts of the airport and may increase noise for surrounding communities during the construction period. The current runway closure on the south complex moves aircraft to the north to impact Inglewood as well as Westchester, Playa del Rey and other adjacent areas. El Segundo residents may notice additional noise over the 18-month period when the north airfield runways close as more aircraft operations move south. According to the LAWA fact sheet on the project, “increased takeoffs on the south complex can also increase the likelihood of an FAA [Federal Aviation Administration] early turn instruction.” Despite this warning, El Segundo Mayor Suzanne Fuentes thought to take a wait-and-see approach. “LAWA is in the process of improving all its runways to comply with FAA rules, so that as runways on the north are closed for construction we’ll probably hear more noise just because of increased traffic on the south—but hopefully that will be balanced out when the south runways are closed for the same work and traffic is diverted to the north,” she said. “Also, I don’t think any of these changes will be caused by early turns, but rather just more traffic. There’s no doubt that noise will increase when one of the north runways is shut down, but thankfully it will be temporary.”

In addition to noise impacts from the runway

shifts, ongoing construction in other areas of LAX now affect airport traffic thanks to sidewalk and vehicle lane closures as well as in-terminal work currently in progress. Restrictions include speed bumps across all lanes of the Upper/Departures Level roadway in front of Terminal 1; a 10-foot, six-inch height clearance limitation through February 2016 on the two curbside Lower/Arrivals Level passenger pick-up lanes from Terminals 4-8 as well as rotating one-lane closures; and a 200-foot-long barricade through the end of 2015 on the Upper/Departures Level curb along the western half of Terminal 1 where motorists can only drop off passengers along the curb before the barricade. Additional work on power conduits, traffic signals and parking structures will result in some restrictions or closures for various vehicle lanes. Some portions of sidewalks in Terminal 1 will also be closed (through 2016) as well as the pedestrian bridge connecting Terminal 3 with Parking Structure 3 (through October of this year). In-terminal renovations resulted in the closures of four gates in Terminal 1 as well as most concessions in the concourse in Terminal 2 (scheduled to reopen this summer). When summer rolls around, passengers may also experience delays or slight increases in wait times aboard aircraft.

LAWA posts monthly noise complaint reports on its website, although figures for 2015 do not yet include March, the first month of the southernmost runway closure. The February 2015 report showed 363 total complaints (with 217 of those anonymous and 146 registered by 44 individuals). Four individuals in El Segundo lodged complaints in February, while just one did so in Inglewood.

At the end of 2015, a 10-year-old settlement agreement between Los Angeles World Airports (LAWA) and the cities of El Segundo and Inglewood (as well as other parties) will expire -- and along with it a decade-long commitment to constrain gate capacity and provide funding for residential sound insulation (RSI). Whether a revised agreement will be forged beyond that period is unknown at this point, but City of El Segundo officials hope to negotiate additional RSI dollars from LAWA. In the meantime, LAWA continues to move ahead with its major projects to modernize LAX and to meet federal safety requirements. “Passenger safety remains a priority,” Fuentes said. “We negotiated the south airfield runway agreement

to improve safety and we look forward to the improvements being implemented to improve passenger and aircraft safety.”

The 2005 legal settlement paved the way for LAWA to proceed with its Southern Airfield Improvement Project that included increasing the distance between the airport’s two south runways (bringing the southernmost one 55 feet closer to El Segundo) and building a parallel taxiway between them to reduce the risk of close calls on the ground between aircraft. The City of El Segundo agreed to drop the pending lawsuit against LAWA in exchange for several mitigations. In addition to providing the RSI monies, LAWA also conceded to a key provision to remove 10 passenger gates at a clip of two per year starting in 2010 in order to reduce the total from 163 to 153 by 2015. The gate constraint would have remained in effect through 2020, with the City having the explicit right to visually count the gates at least until the end of that year. The goal was to ensure the airport could not grow beyond its physical maximum capacity of 78.9 million annual passengers. However the gate reduction was contingent upon LAX exceeding 75 million passengers a year. The numbers fell well short of that target, so the 163 gates stayed put.

Even with the settlement expiring and all the gates in operation, Fuentes emphasized that provisions remain in place to limit LAX growth. “It is the City of El Segundo’s position that all LAWA planning is based on a 78.9 million annual passenger cap and any projects that would cause that number to go beyond that cap would require CEQA [California Environmental Quality Act] analysis and the opportunity for the City to intercede,” she said. “Two other things to keep in mind are that the overall fleet that is using LAX has gotten substantially quieter over the years, which is good for the community. Secondly, while a higher annual passenger number directly translates into more traffic in and around the airport, LAWA and Metro are investing heavily in improving ground transportation to and from LAX—including the Crenshaw line—connecting the Green Line up to Century and constructing a people mover that will finally connect rail transit to the central terminal area. None of these will eliminate traffic, but they should at least hold the line...”

Students Selected as Grades of Green Finalist

Will Rogers Middle School in Lawndale was one of three local middle schools recently selected as finalist schools in Grades of Green’s Trash Free Lunch Challenge (TFLC). Oak Street Elementary in Inglewood was also one of three elementary schools selected as a finalist. The 25 competing schools spent the school year educating students about waste reduction and diverting as much lunchtime waste as possible -- and it’s paying off! In total, this year’s participating schools achieved a 77 percent average lunchtime waste diversion rate, which means about 320 tons of waste will be diverted from Southern California landfills thanks to the work of these dedicated students..

News for the ‘City of Good Neighbors’

VOLUNTEERS TO BE CELEBRATED

The Hawthorne President’s Council will once again host a Volunteer Appreciation Program on Sunday, April 26th at the Memorial Center to honor all those individuals who have volunteered for organizations in Hawthorne. These volunteers keep our city’s non-profits and service organizations moving forward.

5K RUN AND HAWTHORNE HEALTH FAIR

The Hawthorne Education Foundation’s Health Fair and 5K Run allows hundreds of kids from our local schools the opportunity to participate in a health promoting event. The event will be held on Saturday, May 9th this year. The kids and their parents run or walk in the 5K event early in the morning and then the many booths that are set up at the Memorial Park distribute health information to those in attendance. The run is the one and only distance race/walk held in Hawthorne each year. It doesn’t matter how old you are or how slow you are, it’s fun to be part of the activity. The course takes you North on Prairie Avenue to 120th Street, North of the Hawthorne Airport, and then down Crenshaw to El Segundo Blvd. I need to get some training in between now and the race, especially since I will turn 60 the day before the race.

MANDATORY WATER REGULATIONS

Another dry winter has just past and now we are set for our dry spring and summer months. A recent newspaper article hinted that California may be in a “mega-drought” period that extends for a decade or longer. We have to get used to conserving water. What have you done to save water? Shorter showers, less grass watering, fewer car washings, or maybe less toilet flushings?

I think a great entrepreneurial opportunity for someone would be to market a hand held water meter reader to tell us how much water we have used each day. Please send me some royalty when you make your millions selling such an item.

JAPAN

My wife and I were blessed enough to be able to travel to Japan this past week. Wow! It was quite a trip. The language barrier did not stop us from visiting many wonderful sites. With the fast speed trains, we were able to get to see Tokyo, Kyoto, Nara and Hiroshima and the countryside in between. Japan is the cleanest country we have ever visited. No trash left anywhere. The cherry tree blossoms were in full bloom. Some of

the shrines were over 1,000 years old. It certainly helped to have wi-fi and our phone’s GPS to navigate since most of the maps and signs are only written in Japanese. We visited with a friend who is a Christian missionary in a town outside of Tokyo. Since only 5 % of Japan is Christian, he was so happy to be able to display one of our nativities outside of his home for his entire community to see and enjoy last Christmas. I enjoyed the sushi and a cold one to wash it down with. The trip gave us another perspective on our world and how we are all so closely connected by communication and trade. We left Tokyo Sunday morning and arrived at LAX on Saturday evening traveling back in time •

Relay For Life events also recognize and celebrate caregivers, who give time, love, and support to their friends, family, neighbors, and coworkers facing cancer. The Luminaria Ceremony takes place after dark, this ceremony remembers people we have lost to cancer, honoring people who have fought cancer in the past, and supporting those whose fight continues. Candles are lit inside of personalized bags and are placed around the Relay track as glowing tributes to those who’ve been affected by cancer. Even if you are not part of a relay team, you are invited to come over to the Hawthorne High School track and walk a few laps any time between 9 a.m. Saturday and 9 a.m. Sunday. Financial donations can be made at the event as well. Every donation goes to helping find the cure.

Hawthorne Continues to Dominate Leuzinger With Sweep

Hawthorne High's Andy Monarrez swings in last Thursday's non-league baseball rivalry against Leuzinger. The Cougars shut out the Olympians 12-0.

Hawthorne High's baseball team enters the Ocean League with good confidence after rolling over cross town rival Leuzinger in two non-league games last week. At Hawthorne on April 7, the Cougars routed the Olympians 11-1. At Leuzinger last Thursday, Hawthorne recorded a 12-0 shutout.

In the first game, Carlos Jacobo sparked the Cougars, who improved to 7-5-1, by going three-for-four with three runs batted in. Brandon Brown was three-for-four with two doubles, one RBI and three runs scored. He also stole four bases.

Andy Monarrez was the winning pitcher going five innings. The game stopped there due to a coaches' agreement. He allowed one run and three hits. David Oliver drove in the Olympians' only run with a double. Tony Ruiz scored on the hit.

Last Thursday, starting pitcher Charles Phelps and winning reliever Jesse Garcia combined for a two-hitter. Monarrez drove in a run with a double and Max Riley had a two-run double. Leuzinger was plagued with eight errors.

"Everybody played hard," Hawthorne assistant coach (to head mentor Jeff Hines) Chris Robles said. "They (the Cougars) did what they had to do."

Oliver had a double in the bottom of the sixth inning. "We just fell behind and couldn't catch up," Leuzinger head coach George Pech said. The Cougars began the Ocean League at Santa Monica last Tuesday. Hawthorne hosts the Vikings, one of the league favorites, today at 3:15 p.m. The Cougars host Beverly Hills in Ocean play next Tuesday at the same time.

Over the past few seasons, Hawthorne made the CIF-Southern Section Division IV playoffs from the Ocean but with the addition of traditional power El Segundo, things will be a lot more competitive. Many observers tab the Eagles, Santa Monica and Culver City as top contenders for this year's league title.

After struggling in the always highly regarded Bay League over the past several seasons, Leuzinger, which has not won a league game in six years, will not have it that much easier in the always tough Torrance-school studded Pioneer. The Olympians opened league against West Torrance, which is among the favorites in the Pioneer and currently ranked third in the CIF-Southern Section Division IV, at home Wednesday. Leuzinger visits the Warriors Friday at

3:15 p.m. West is 13-5 overall and won the always tough El Segundo Tournament earlier this season.

The Olympians continue Pioneer action at defending Southern Section Division IV champion Torrance next Wednesday at the same time. The Tartars are rebuilding and struggling after their first CIF title but always have very good talent. Leuzinger enters league with a 2-10 record with wins against Compton Dominguez 14-0 on March 19 and Inglewood Animo Leadership 5-4 on March 31. Both victories were at Leuzinger.

LAWNDALE LANDS TWO ON ALL-CIF

Lawndale High's boys' basketball team had two players make the all-CIF Southern Section Division IIAA team, named recently. On the squad included seniors Chimzie Metu and Broderick Jones. The six-foot-10 center Metu sparked the Cardinals by averaging 16 points and 12 rebounds per game.

Metu was also the Ocean League's co-Most Valuable Player with Chance Commanche of league champion Beverly Hills. Metu will play his college basketball at University of Southern California in the fall.

Jones, a guard, averaged 15 points and made numerous three-point baskets for Lawndale. Sources are that Jones will be playing at Division I university Cal State Northridge next season.

Over this past season, Lawndale tied for second place with Santa Monica in the Ocean League. The Cardinals advanced to the Division IIAA championship where it lost in double overtime to Anaheim Canyon 103-98 in overtime on March 6 at the Honda Center in Anaheim. Lawndale blew a 28-point lead it had late in the third quarter in that contest.

The Cardinals made the California State Division II playoffs where they lost in the Southern California Regional finals to eventual state champion La Mirada 49-40 on March 21 at the Long Beach State Walter Pyramid. The Matadors went on to edge San Jose Archbishop Mitty 71-70 in two overtimes for the state crown on March 28 at UC Berkeley's Haas Pavilion.

LESLIE GETS ELECTED TO HALL OF FAME

Former Inglewood Morningside High girls' basketball standout Lisa Leslie was voted into the Basketball Hall of Fame on April 6. Leslie, regarded as one of the top female basketball players ever, helped the Lady Monarchs win back-to-back California State Division I championships in the 1988-89 and 1989-90 seasons. Among her biggest highlights in her prep career was scoring 101 points in the first half of Morningside's Ocean League game against South Torrance as the Monarchs surged to a 102-24 halftime lead during her senior year. The Spartans refused to come out in the second half ending the contest there.

Leslie continued to play at University of Southern California before playing in the Women's Basketball Association with the Los Angeles Sparks from 1997 until her retirement in 2010. She keyed the Sparks to back-to-back WNBA championships in the 2001 and 2002 seasons. Leslie was the league's Most Valuable Player three times.

The six-foot-five center-forward also was a big factor in the United States women's basketball team's four gold medals in 1996 (Atlanta), 2000 (Sydney, Australia), 2004 (Athens, Greece) and 2008 (Beijing, China). Leslie will be inducted at the Basketball Hall of Fame in Springfield, Mass. from Sept. 10-12.. •

third baseman Fernando Zarate attempts to tag him out in last Thursday's non-league baseball rivalry. The Cougars host Santa Monica today at 3:15 p.m. and the Olympians visit West Torrance Friday at the same time.
