City Council Debates Proposed Building near Hawthorne Airport

Debate over Restaurant Site Continues

By Laura Sorensen

On April 14, the City Council met with all the councilmembers in attendance at the beginning of the meeting except Mayor Brown. However, the Mayor did attend the meeting, arriving about two hours in. The meeting was called to order by Mayor Pro Tem Olivia Valentine.

The first part of the meeting was reserved for the public to speak, and most citizens put in pleas for another hospital in Hawthorne area: residents of Hawthorne have signed a petition for a new medical center in Hawthorne, and speakers wished for the city council to approve a resolution in support of opening a new hospital. Speakers referenced the slow reaction of emergency vehicles and the time it takes for people to reach emergency rooms. 2,000 residents have signed a petition, deploring the time and effort that are wasted when people need medical care.

Residents, responding to a recent newspaper article, questioned the misappropriation of funds and travel expenses of the mayor, worried about the possible misuse of city funds. Though excited for new development in Hawthorne and the revival of the community and strong economic growth, as well as the great school districts, speakers were worried about the town’s reputation and where public money was being spent.

The bulk of the 6-hour meeting was spent discussing an appeal from Primestor Development, Inc., who filed to have the City Council review a denial of building permit. Much of the debate had to do with the location of the lot, which is adjacent to Hawthorne Airport and is debatably in the Runway Protection Zone (RPZ) and therefore subject to oversight by the FAA. Primestor

maintained that the FAA has determined that grading the development – which is slated to be a Farmer Boys restaurant -- does not affect airport use, and that the restaurant would join many other businesses that are in the same zoning area.

The City, however, argued that splitting the lot was a concern, because it isn’t certain what Primestor would do with the rest of the lot, and because the intention to parcel the lots violates the Subdivision Map Act, which regulates the subdivision of city lots. The airport representative also upheld the city’s decision, citing concerns with grading the lot and proximity to the flight path of the airplanes. After almost three hours of testimony, and many questions asked on both sides of the debate by the council members, Mayor Pro Tem Valentine made a motion to uphold the building director’s decision to deny the permit. The motion failed, and Councilmember Reyes English motioned for a continuance, so that the council could have more time to understand all the issues at stake. The motion passed unanimously and Mayor Brown promised that the decision would be made in a reasonable period of time.

At that time, Mayor Brown and Councilmember Reyes English left the meeting, and Councilmember Vargas then responded to the queries about Mayor Brown’s use of public funds. Vargas proposed the following action items: A public report for the City Website “detailing expenses of each Elected Officials’ (including City Manager) trips, conferences, meetings and seminars, including plane fare, taxis, meals, drinks, room service, movies and other entertainment expenses” for the period of January 2014 to present; a report of the Status of elected officials’ use of

city vehicles; and a report from city manager re whether city staff and city resources are being used to create press releases for Mayor.

The Mayor returned to the meeting and Councilmember Michelin asked for an action item that established “policy on going-forward basis for City to have full-recruitment process for all City Hall employees, whether permanent, temporary or seasonal,” and an item which discussed whether the City Reimbursement Policy needs to be updated to require pre-approval for travel, meal, lodging and other actual and necessary expenses. Mayor Brown noted that this action item has already been discussed and voted down within twelve months and cannot be discussed again. Councilmember Michelin then noted that the Mayor Pro Tem is a term of a year, and he had not served in that position yet, and he nominated himself for the position. The reorganization was refuted by Mayor Pro Tem Valentine, who noted that she would like to continue in her position. The motion had two yes votes and two no votes.

Other action items during the meeting were as follows:

The City of Hawthorne proclaimed that April is “Sexual Assault Awareness Month” and April 23rd is “Denim Day” in Hawthorne; parking “Ts” (painted lines marking out spaces) will be enforced in the city’s residential areas; 2-hour parking restrictions will be removed on the west side of Hawthorne Blvd from 13023 Hawthorne Blvd to 131st Street; street lighting assessments will be levied for fiscal year 2014-15; and the City Council adopted “Balance Calories,” an “initiative to help fight obesity by encouraging Americans to balance what they eat and drink, including beverages, with what they do.” •

How Hearing Aids Give you a Great Return on Your Investment

(BPT) - If you're one of the nearly 40 million Americans who suffer with hearing loss, maybe it's time to consider investing in your hearing health.

Research shows that the rewards can be substantial. In fact, identifying and addressing hearing loss has been shown to positively influence virtually every aspect of an individual's life, helping people personally, professionally and even financially.

New technological advances have revolutionized hearing aids in recent years. Today's hearing aids can automatically adjust to all kinds of sound environments and filter out noise. Many are virtually invisible, sitting discreetly and comfortably inside the ear canal. Some are even waterproof, and others are rechargeable. Best of all, many are wireless, so you can stream sound from smartphones, home entertainment systems and other electronics directly into your hearing aid(s) at volumes just right for you.

When it comes to the purchase of personal items that enhance your life, there's more than one way to measure value. Here are six ways that investing in professionally fitted hearing aids - if recommended by a hearing care professional following a comprehensive hearing evaluation - could bring you a greater return on your investment than you ever imagined.

Unleash your earning potential. Using hearing aids reduced the risk of income loss by 90-100 percent for those with milder hearing loss, and from 65-77 percent for those with severe to moderate hearing loss, according to a Better Hearing Institute (BHI) study. People with untreated hearing loss lost

as much as \$30,000 in income annually, the study showed.

Maintain your cognitive function. Research shows a link between hearing loss and dementia, leading experts to believe that interventions, like hearing aids, could potentially delay or prevent dementia. Research is ongoing.

Keep you on your feet. A Johns Hopkins study showed that people in middle age (40-69) with even just mild hearing loss were nearly three times more likely to have a history of falling. The intensive listening effort demanded by unaddressed hearing loss may take cognitive resources away from what is needed for balance and gait, experts have suggested.

Relieve stress and lift your mood. When people with hearing loss use hearing aids, many feel more in control of their lives and less self-critical, BHI research shows. One study found that the majority of people with mild and severe hearing loss felt better about themselves and life overall as a result of using hearing aids.

Tame that ringing in your ears. Hearing aids can help reduce the prominence of tinnitus by amplifying background sound. Just taking the focus off the tinnitus can provide relief for many people. Hearing aids also reduce the stress associated with intensive listening, which alone can help relieve tinnitus symptoms.

Strengthen your relationships. Research shows that using hearing aids can help improve interpersonal relationships. In one BHI study of people with hearing loss, more than half of the respondents said using hearing aids improved their relationships at home, their social lives and their ability to join in groups. Many even saw improvements in their romantic lives. •

Not Happy with Mayor Brown

As a 40 year resident of Hawthorne one of the first things I learned was that the political landscape was always controversial. Now, we have an additional black eye on the city in the form of Chris Brown. His carefully orchestrated election brought factions of political outsiders that destroyed what was mostly a non-partisan decision making body. Chris Brown is proving to be what many of us believed from the start- an incompetent fraud and charlatan who cannot manage his own finances and now is taking from the pockets of the taxpayers. But he did not do this alone. One can also point a finger of blame toward the City Manager, Mike Goodson and lack of oversight and due diligence on most of the city council. Olivia Valentine and Angie English participated in this mess and have been advocates for the mayor's actions. Now, Mr. Goodson has imposed a gag order at City Hall to hide from the citizens what is public

record. So much for transparency. Another overused word.

The "silly season" has opened and many will be running for office this November, including Mr. Brown and Ms. Valentine. The citizens have had enough and will be working hard to unseat these people.

It would save us a lot of trouble if Mr. Brown would step down now, but he is too arrogant and certainly not "Godly" as he likes to claim. Maybe Mr. Brown should check his bible as to paraphrase Proverbs 10:9- he who walks in integrity will walk securely, but he who perverts his ways and lives dishonestly will be exposed. Mr. Brown has no integrity and been exposed. It is time to flush him out of office.

Hopefully, this newspaper will also begin to cover the nonsense going on in Hawthorne City Hall.

HISTORICAL SOCIETY MEETING

If you haven’t been to one of our meetings, you should try to make the next HHS meeting this coming Monday evening beginning at 6:30 p.m. at the Hawthorne Museum. Former Mayor Guy Hocker will be our guest speaker. He has been a civic leader, homeowner and realtor in Hawthorne for over 40 years. We look forward to hearing the many stories that he will bring to enlighten us on how Hawthorne came to be the Hawthorne we know today.

applying math concepts to recipes and projects. Lucy used Kickstarter to fund her publication. She is a board member of the Ramona Neighborhood Association and mother of five children. Good luck Lucy in NYC!

JAPANESE BASEBALL

I had always heard that the Japanese people are crazy about baseball. So, on the last day of our trip to Japan, I was able to attend the Giants vs the Swallows game played in the Tokyo Dome. With 13 million people, Tokyo has enough population to support five major league baseball teams. The game itself looked very much like a game here in the USA. However, there were some differences. The first being that almost all of the fans actually watched the game. There was no getting up to go to the snack stand and missing half of the game. Very few fans went to buy souvenirs until after the game was completed. There were organized crowd cheers or chants for the team at bat throughout the game. The visiting fans all sat together in a designated area out in left field. There were cheerleaders leading the cheers between innings. No litter was thrown under the seats, no spilled beer on the stadium steps. The stands were kept clean. After the game the winning team, the Giants, stood between home plate and first base and took a bow. Of course there were cold ones for sale. (I’ve been asked if this was a city sponsored trip. No, I have looked at my credit card statement and I can definitely say that I paid 100% of all expenses. We consider ourselves blessed to be able to travel and see other parts of the world.)

CANDYLAND CARNIVAL

Hawthorne High School is sponsoring a carnival this Thursday thru Sunday, April 23-26 out on their football field. Unlimited ride tickets are \$15 presale and \$20 at the gate. St. Mary’s Girls, Lawndale Boys Have Strong Showings in Meets

By Joe Snyder
Photos by Joe Snyder

Most of the local prep track and field teams had a busy week as they competed in dual meets, then two big invitationals. Last Friday and Saturday featured a prestigious Mt. San Antonio College Relays in Walnut and Saturday was the South Bay Championships at West Torrance High.

Most of the top athletes, however, were at Mt. SAC, which was fielding its last invitational at its 67-year-old Hilmer Lodge Stadium, which, after this season, will be closed for major renovations.

That included the girls from St. Mary’s Academy in Inglewood where they had some very good showings. Leading the way was Aliyah Hale, who helped the Belles’ 4x200-meter relay win the prestigious invitational race at one minute and 39.19 seconds. Other runners included Kyra Anderson, Anaiah Brown, and Briana Shufford, who held off second place Arcadia (1:39.42).

Hale also finished third in the 300-meter hurdles clocking 42.65 seconds. St. Mary’s 4x100 squad of Brown, Hale, Shufford and Keyshawna Myles was sixth in 47.45.

Over at West High, Lawndale’s boys had a very good showing by finishing fourth, as a team, with 116 points. The Cardinals placed behind the champion and host Warriors with 191.5 points to 170.5 for second place Mira Costa and 121 for third place Redondo.

Lawndale had one meet champion in Bryant Perkinson in the triple jump at 42 feet, three inches. The Cardinals also had second place finishes from Jalen Walker (high jump, 5-8), Bryant Perkinson (long jump, 20-9) and their 4x400 relay team of David Broaster, Hasani Barrett, Nathan Sanders and Kiyaam

Keyshawna Myles of St. Mary’s Academy completes her anchor leg of the girls’ 4x100-meter relay at Saturday’s Mt. San Antonio College Relays. The Belles finished sixth in the event at 47.45 seconds.

Cooksey timing 3:26.35. Lawndale’s 1,600 relay squad fell only .06 of a second behind winner Los Angeles Washington (3:26.29).

Cooksey was third in the 300 intermediate hurdles in 40.81. He placed behind champion Justin Alexander (L.A. Crenshaw, 38.96) and runner-up Maurice Jones (Carson, 40.46). Walker also placed fourth in the long jump with a leap of 20-4 and basketball standout D’lano Beckles was fifth in the high jump at 5-8. Redondo’s Drew Decurtis (5-9) won that event. Matthew Alvarado placed fourth overall in the 800 at 2:01.75.

Hawthorne also had a few athletes involved in the South Bay meet. Its best showing came in the non-scoring co-ed 800-meter sprint medley relay that took fourth in 1:44.56. Runners were Faith Placie, Jahleel Enriquez, Diamond Allen and Kishawn Berry.

WEST PROVES TOO MUCH FOR LEUZINGER

Leuzinger High’s baseball team began the Pioneer League against a highly regarded West Torrance High squad last week and suffered a pair of lopsided losses. In a five-inning mercy rule game on April 15 at Leuzinger, the Warriors, who came into the league opener ranked second in the CIF-Southern Section Division IV, blanked the Olympians 17-0. Last Friday at West, the Warriors rolled over Leuzinger 13-1 in a game stopped in the bottom of the sixth due to the 10-run-plus mercy rule.

In the second game, West, which improved to 18-5, started out by scoring five runs in the bottom of the first inning but the Olympians (2-12 overall, 0-2 in league) were able to hold them to just four more runs through the next four innings.

Leuzinger had some opportunities to make

Hawthorne High’s Kishawn Berry completes the anchor leg in the co-ed 800-meter sprint medley relay at Saturday’s South Bay Track and Field Championships. The Cougars finished fourth at the event in 1:44.56.

it a respectful game leaving the bases loaded, twice, and in the top of the third where the Olympians had runners at first and third with no outs but were unable to push a run.

“This game should have been a little closer,” Leuzinger head coach Robert Romero said.

The Olympians scored their only run in the bottom of the first on a base hit from Angel Vital. Leuzinger scored one run in the bottom of the first and one in the top of the second inning on April 15.

The Olympians play a Torrance team that won the CIF-Southern Section Division IV championship last season but is rebuilding with a miserable 3-16 record, including 0-2 in league with a pair of losses to rival South Torrance last week, this week. Leuzinger visited the Tartars Wednesday at Torrance Park’s Kendall Field and will host Torrance Friday at 3:15 p.m. The Olympians, then,

will visit another top Pioneer contender, South, which lost to the Tartars in last year’s Division IV final at UC Riverside and is rated fourth in the division this year, next Wednesday at the same time.

SAMO SWEEPS HAWTHORNE

Hawthorne High’s baseball team began the Ocean with two losses to Santa Monica last week. At Santa Monica on April 14, the Vikings downed the Cougars 6-2. At Hawthorne last Thursday, Santa Monica outlasted the Cougars 6-5.

Hawthorne, which fell to 7-8-1 overall, hosted Beverly Hills last Tuesday and visit the Normans at La Cienega Park today at 3:15 p.m. The Cougars will host powerful El Segundo (ranked second in the CIF-Southern Section Division III) in Ocean play next Tuesday at the same time. •

Leuzinger High’s Francisco Rubio gets a base hit in Friday’s Pioneer League baseball game against West Torrance. The Olympians fell to the Warriors 13-1. Leuzinger hosts Torrance Friday at 3:15 p.m.

Bob and Laura Eklund enjoy the skies at a Westchester star party. Photo by Aaron Dominguez.

By Bob Eklund

Saturday, April 25 is the night of all nights for you to look skyward. That's when the whole world will be celebrating the "Global Star Party"—an evening devoted to appreciating the skies that surround our fragile planet Earth. The night's celebration is part of Global Astronomy Month (GAM), sponsored by the astronomy advocacy organization Astronomers Without Borders (AWB).

WESTCHESTER JOINS THE PARTY

And here at home, just above the bluffs in Westchester, the public is invited to look skyward from 7:30 to 10:00 p.m. Saturday, April 25, at our local version of the Global Star Party. Host Bob Eklund welcomes you to join him at the parking lot of the Christian Science Church at 7855 Alverstone Ave., corner of 79th St.

Telescopes will be set up for everyone's enjoyment. We'll be looking at Jupiter with its four moons, our own Moon and its craters, and stars and nebulae. ALL are welcome—bring the children, learn astronomy together, and enjoy the sky! And if it's cloudy or rainy, come anyway—there'll be an indoor learning session on basic astronomy, especially for children (of any age).

There is no charge, and refreshments will be served. If you have a telescope of your own, feel free to bring it—experienced amateur astronomers will be on hand to help you set it up if necessary. Questions? Contact star party host Bob Eklund, (310) 216-5947, beklund@sprynet.com •

HAWTHORNE CITY COUNCIL ADOPTION OF ORDINANCE NO. 2086
On April 14, 2015, the Hawthorne City Council adopted Ordinance No. 2086, which repeals and re-enacts Section 8.20 (Nuisances) of Title VIII (Health and Safety) of the Hawthorne Municipal Code, relating to the establishment of comprehensive property maintenance standards, including the designation of public nuisances, establishing procedures for the abatement of public nuisances, including the abatement of abandoned, wrecked, dismantled and inoperative vehicles and repealing Chapter 8.40 (Property Maintenance).
Summary of Ordinance No. 2086
Ordinance 2086 provides a comprehensive list of what defines a nuisance and declares as a public nuisance the failure of a property owner to keep their portion of the alley, street or parkway clear of garbage and debris. This provision places responsibility on private property owners in order to protect the public health, safety, and welfare. Code Enforcement staff would judiciously utilize the enforcement tools and remedies in this re-enacted ordinance to address code violation. The City may exercise its administrative, civil/injunctive and criminal remedies, or any one or combination of these remedies, to compel responsible persons to abate a public nuisance when, in its judgment, such persons have not completed nuisance abatement actions in a timely or proper manner, or when responsible persons have failed to prevent an occurrence or recurrence of a public nuisance.
The proposed ordinance would enable the City to notice, abate, and recover costs as-

sociated with removing trash and debris from the public right-of-ways, should a property owner choose not to remove the trash and debris when noticed to do so. Procedures for the notice of abatement of both imminent and non-imminent hazards are contained in this proposed ordinance. The intent of the proposed ordinance is to reduce the amount of trash and debris left on the public right-of-ways, effectively improving the safety and cleanliness of the City. The procedure for the City to recover costs of abatement, including code enforcement costs and attorneys' fees is also contained in the proposed ordinance. Recovery of costs includes Special Assessment and recording a nuisance abatement lien on the subject property.
