## Lawndale City Council Receives Improved Crime Statistics

By Nancy Peters

At Monday's regular meeting, the Lawndale City Council heard from Lt. John Hocking of the Los Angeles County Sheriff's Department, that city crime statistics have decreased over the last five years and during the previous 12 months. The crime rate has improved in six major crime categories: Criminal Homicide, Robbery, Aggravated Assault, Burglary, Grand Theft Auto, and Arson.

The city saw no homicides over the last five years. Robbery (armed robbery or unarmed robberies are counted together) has decreased to minus 46 per cent over the last five years and to minus 32 per cent. However, theft involving motor vehicles has increased slightly over the last year due to too many people leaving valuables such as laptops, cell phones, purses, and checkbooks in plain sight on the passenger seat or in the console or plugged into the electrical outlets in the car, which entices thieves to break into cars and steal what they see. There is no statistic available in police reports to distinguish between theft of vehicle contents if a car is locked or left unlocked. Sheriffs are advising NOT to leave valuables in cars or in plain sight in a vehicle.

Other crime statistics-- aggravated assault (minus .57 per cent), residential burglary (minus 24 per cent); grand theft auto (minus 43 per cent over five years) had a drastic increase in the last year and was only down by minus 7 per cent; and arson decreased by minus 74 per cent over five years and minus 66 per cent over the last year.

Unfortunately, in 2013 there were nine reported rapes in Lawndale and in 2014 for the first seven months six rapes have already been reported. The 2014 statistic supports that each rape was committed either by a family member or by a person with whom the victim had a relationship.

Citizens are urged to call 911 any time they see something that appears suspicious. Lt. Hocking advised that the Sheriff's Department wants to respond when a crime could be prevented as well as making arrests when the crime has already happened.

The final Lawndale Planning Commission appointment was ratified by the City Council following Mayor Robert Pullen-Miles' nomination of Uffe Moller to fill the final vacancy. The Planning Commission now has its full complement of five members. In other business, two items were continued until the City Council has all five elected officials present on the dais, as Council member Larry Rudolph was absent on Monday evening. The public hearing concerning a recommendation allowing residential front yard setbacks to be synthetic turf and the evaluation of the Planning Commission performing the duties of the Traffic Commission for the last six months will both be part of the agenda for the August 18 meeting.

A staff recommendation to vacate a portion of Osage Avenue between 167th and 168th Streets immediately adjacent to Hogan Park and the 405 Freeway during the expansion project of the park, set to begin in January following the bid process for the construction was approved.

Also, playground equipment will be replaced at Jane Addams and Rogers-Anderson Parks and landscaping improvements will be made at Rogers-Anderson Park. Street improvements on 153rd Place, 156th Street, and Rixford Avenue were all approved as presented and the project will now be put out for the bid process.

Council member Daniel Reid will represent the city of Lawndale as the delegate at the annual conference for the League of California Cities on September 3-5 and the mayor and Mayor Pro-Tem

Jim Osborne will be alternates, although they each may attend at least one day of the event.

The Council agreed by consensus to cancel the regularly scheduled City Council meetings on Monday, December 1 and Monday, December 15 and hold one City Council meeting on Monday, December 8.

Noise complaints in the residential neighborhood surrounding Jane Addams Middle School were reported to the City Council during public comment. Residents noted the school band practicing at very early morning hours, a street sweeper between 4 a.m. and 6 a.m., trash collection before 6 a.m., and delivery trucks to the school cafeteria arrive between 5 a.m. and 6 a.m. City Council requested that the City Manager and the Director of Public Works work with the vendor, the school district, and reschedule the street sweeper to a different time.

The Lawndale Library Branch of the County of Los Angeles welcomed its one millionth visitor and presented the child and her mother with balloons and a basket of gifts. The library will continue its Latin-themed music festival on each Saturday in August at 1 p.m. on the front lawn at the Civic Plaza, 147th Street and Burin Avenue.

Outgoing member Mariano Velazquez, who is leaving the Parks, Recreation, and Social Services Commission, was presented with a thank-you plaque. Personnel Board member Rev. Chris Beamer received a plaque also as he resigned from his position serving the community of Lawndale. The City Clerk announced that interested citizens should check the city website for other commission and committee vacancies and submit their applications to the City Clerk's office to serve the community in some capacity. The next meeting of the City Council will be held on Monday, August 18 at 6:30 p.m. •

### SWIM/GYMNASTICS LESSONS

The City of Hawthorne really does have some nice recreational facilities that many residents and non-residents of Hawthorne take advantage of during these summer months. I am blessed with two grandkids. I was a “fill-in daddy” at my three year old grand daughter Jordan’s swim lesson over at the Hawthorne pool last week. The pool was packed with kids from 1 year olds to teenagers all taking swimming lessons or competing on the Hawthorne Swim Team. The water was warm and clean and the instructors were well trained and knowledgeable. Then the following day, Jordan had a beginning gymnastics class over at the Betty Ainsworth Center. Again, the facility was great for the little ones to explore moving and shaking. It’s fun being a “papa”.

### KIWANIS FAIR

For the past 63 years the Kiwanis Club of Hawthorne has been sponsoring a summer carnival, parade or fair for the kids of Hawthorne. This year the carnival will be held from August 21-24 at the Betty Ainsworth Sports Center parking lot located at El Segundo Blvd and Kornblum Ave. There are carnival ride discount coupons available. Come out and support the Kiwanis Club as it serves the

Hawthorne community.

### NEW RESTAURANT OPENS

If you love seafood then check out the new restaurant that just opened this past weekend on Inglewood Avenue in Hawthorne. La Sirena Gorda, (The Fat Mermaid) is located at 14225 Inglewood Avenue, just north of Rosecrans in the small strip

mall on the west side of the street. The place might be small, but the food is nothing but delicious. It took the owners ten months to change a former law office into a nice, clean, brightly colored eatery. Check it out for lunch or dinner. Hours are from 11 a.m. to 7 p.m. daily.

### NATIONAL NIGHT OUT

It was a great evening to have fun in Hawthorne. We declared our freedom to come out to a safe city this past Tuesday night. The hot dogs, chili cook off, program, games and just a lot of neighbors gathering together all were great. Thanks goes to Katrina Manning for doing all the organizing for this citywide event.

### HALL OF FAME DVD’S AND COMMEMORATIVE PINS AVAILABLE

If you would like a copy of the Hawthorne Historical Society 2014 Hall of Fame DVD or a commemorative pin then visit the Hawthorne Museum located across the parking lot from the library. The videos are a very inspiring glimpse of the five honorees and the music of Hawthorne. The pins make for a great collector’s item.

### UPCOMING EVENTS

Five Surprising Facts About Baby Boomers

INCLUDING ONE THAT COULD SAVE YOUR LIFE

(BPT) - Were you born from 1945 through 1965? If so, you're part of the unique generation known as the baby boomers. Here are interesting facts about baby boomers in America. One of them could save your life.

1. Baby boomers are one of the largest generations in U.S. history.

The baby boomer generation, made up of a staggering 77 million Americans, is rivaled in size only by millennials - many of whom are the children of boomers. The millennial generation, born from 1980 through 1999, similarly includes approximately 77 million Americans.

2. Baby boomers support their children in and out of the nest.

More than a third of baby boomers have children younger than 18 living in their homes, and research from the National Endowment for Financial Education shows that 60 percent of boomers also provide some form of financial support to their adult children.

3. Baby boomers are living longer than previous generations.

Compared to previous generations, baby

boomers are living longer and they are also more likely to remain independent and stay in their own homes as they age.

4. Many baby boomers are working longer.

Boomers plan to continue working once they are eligible for retirement, despite having the option to stop. In fact, only 11 percent of baby boomers plan to stop working entirely

once they reach retirement age, according to a survey by AARP.

5. Hepatitis C is a silent epidemic among baby boomers.

People born from 1945 through 1965 are five times more likely to be infected with Hepatitis C and account for more than three out of every four Americans living with the

disease. That's why the Centers for Disease Control and Prevention (CDC) recommend that everyone born from 1945 to 1965 get a blood test for Hepatitis C.

Many baby boomers living with Hepatitis C don't know how or when they got infected. Hepatitis C is a virus that attacks the liver and, if left untreated, can lead to serious liver disease. In fact, Hepatitis C is the leading cause of liver cancer.

The CDC estimates that testing everyone born from 1945 to 1965 could identify 800,000 people unaware of their Hepatitis C infection, and over time, could save 120,000 lives. Testing baby boomers for Hepatitis C is important, because people with Hepatitis C often have no symptoms and can live with the disease for decades without feeling sick. All the while, liver damage may be silently occurring.

Fortunately, new treatments are available that can cure Hepatitis C. If you were born from 1945 through 1965, talk to your doctor about getting tested for Hepatitis C. It could save your life.

BUSINESS IS MORE EXCITING THAN ANY GAME. - LORD BEAVER-BROOK

Last week we got in a case of green pasilla chilies and just had to stuff them. So we roasted them off and peeled them when they cooled down. But what would we stuff them with? Yes we could make simple Chile Rellenos or should we think outside the box and stuff them with crab!
