Hawthorne Preps for Coming School Year

By Dylan Little

The Hawthorne School Board held their last meeting before the coming school year on August 13. The Board talked about the challenges facing them concerning the recently passed parcel tax.

While not an agenda item, Measure CL has been on the Board’s mind as it and the other members of the Measure CL Joint Powers Agreement (JPA) continue to defend against a lawsuit. District superintendent Helen Morgan is optimistic that the JPA will triumph in court. Another issue the JPA is tackling is rate increases. Measure CL includes the option of increasing the tax rate in line with cost of living; however, there is disagreement about how the process would work. The JPA assumed that any adjustments would happen on an annual basis, but as written, Measure CL allows for monthly adjustments that would make collection a little more complicated.

Regardless of how the adjustments would work, the JPA decided not to pursue them. Board president Eugene Krank said that he hopes to prove that the JPA has not only the best interest of students in mind, but the interests of taxpayers as well. “I thought it was a good move not to do that,” said Krank. “We want show the public that we don’t want to overtax them.”

Morgan called the language on how to calculate increases “ambiguous” and agrees that it’s too early in Measure CL’s life to look at rate adjustments. “I strongly believe we should not pass any increase,” said Morgan. “I think the amount we told the public is the amount we should charge. I can foresee us not implementing an increase in the future.”

The Board is hopeful that what their

district, and the other districts in the JPA, have done with the extra revenue will be enough to show residents paying the parcel tax that it’s a worthwhile cause. In Hawthorne the extra revenue has been used to increase security and pay for more technology in the classroom, while neighboring district Wiseburn Unified has used the funding to eliminate furlough days from their calendar.

“We’re doing good things with the money,” said Morgan. “We’re providing technology for our schools, we’re providing security. There’s a lot of things we are doing.”

On the topic of security, Morgan announced that the district is seeking an additional security officer to handle the responsibilities of two officers who are taking a leave of absence. Morgan said a security presence is something all Hawthorne’s schools should enjoy, especially in the beginning of the school year when students are less familiar with the layout of their campus.

“We don’t want any of our schools to not have the additional support,” said Morgan. “Especially at the beginning of the year when things are hectic because people can’t find their way around our schools. We want to make sure we provide the same amount of support to our school sites.”

The other opening will be covered by the district’s roving security officer. Morgan said the officer-at-large has been a boon to the district. “We’ve really enjoyed the luxury of having a roving security officer,” said Morgan. “She has been used very well this year. She [can] step in so the schools don’t feel that there is somebody missing.”

The Board also postponed a plan to improve wireless networks in Hawthorne’s schools. The district solicited proposals for

tech upgrades, however there have been concerns that the E-Rate programs, which assists schools in funding these kinds of infrastructure upgrades, might not approve the expenditure. Morgan mentioned that the E-Rate program is in the midst of changes, so the Board might need to find an alternative way of funding the upgrades, which without E-Rate would be a huge chunk of the districts bottom line.

“It’s a huge expense,” said Morgan.

This doesn’t mean that students are stuck in the pre-internet dark ages. Hawthorne’s schools still have working Wi-Fi, it’s just less certain that the network will be up to the task of keeping up with increasingly digital classrooms. “We have Wi-Fi, this is just to make better Wi-Fi,” said Morgan.

Lastly, the Board heard from Hawthorne student Sawyer Stein, who is seeking volunteers for a community cleanup in conjunction with Heal the Bay’s beach cleanup efforts. The event will be held on Saturday, September 20 at 9:00 a.m. starting at the Hawthorne Library. The Friends of the Hawthorne Library are also supporting the cleanup efforts by providing snacks, prizes and cleanup supplies. “Let’s clean up our community and show we love it,” said Stein.

Stein’s mother, Dolce Stein, said the impetus for the community clean up idea wasn’t because she saw anything wrong with Hawthorne, but because she’d like to see all communities – including her own – doing their part to keep trash and toxins off California’s shores. She also saw this as a good way to stop trash because it winds up on the coast. “Why wait until it goes to the beach?” said Dolce Stein. “Our intention is to get the trash before it reaches the ocean.” •

News for the 'City of Good Neighbors'

From City Clerk Norb Huber

Hawthorne Boulevard

Wow! That sure is a major road and parking renovation project going on right in the middle of Hawthorne. Work is progressing at a quick pace. Some of the median parking is complete. It looks like the entire project is ahead of schedule and may be completed earlier than the February 2015 projected completion date. More convenient parking and a bike lane are included in the plans. We look forward to a "new look" in down town Hawthorne.

Kiwanis Fair

For the past 63 years the Kiwanis Club of Hawthorne has been sponsoring a summer carnival, parade or fair for the kids of Hawthorne. This year the carnival will be held starting this Thursday, August 21 and running through Sunday, August 24th at the Betty Ainsworth Sports Center parking lot located at El Segundo Blvd and Doty Avenue. All rides are only one dollar on Thursday from 5 to 11 p.m. The carnival is open on Friday from 5-11 p.m. and on Saturday and Sunday from 1-11 p.m. Come out to the carnival and enjoy a few thrills with the kids. All of the funds raised go to support the ongoing community service work of the Hawthorne Kiwanis Club.

Family Roots

Where did you come from? Where were your parents from? All of us wonder some time in our lives how we got to be who we are. We are some what curious to hear of our ancestry. That was part of my motivation to venture up to Montana last week to visit my aunt and uncle who have lived in Great Falls for over 80 years. My father's sister, aunt Ruth, is the last of that generation to still be living. I wanted to listen to her tell of her childhood and how my father and her had grown up in Montana. With a Huber family tree as a reference, we tried to piece together who was who and the when and where they all had lived. It's always interesting to hear of turning points in a family that have had a last effect on the ensuing generations. One such decision was for my father to attend prep school, college and seminary in St. Louis, Mis-

souri and leave Montana on a train at the age of 13. One of his classmates during his schooling had the first name of Norbert, hence I was named for my father's close friend. Basically, we have no control of where our ancestors came from, but we can learn how we got to be who we are today. Look for your roots, you may find your identity.

A Favorite National Park

Spending three days in Glacier National Park in Northwest Montana reminded me that there is still a lot of wide open land in America. Here in the big city we are living very close to one another. If you get out to the Wild West you realize how close we live to each other here in Hawthorne. Driving for miles and miles on open stretches of two lane highways without seeing any cars is quite different than our congested streets. Those were the roads we took to enter Glacier Park. The glaciers of Glacier are slowly melting away. Authorities say that by the year 2020 all of the glaciers will have disappeared. It was quite a site to hike up the mountain side and end up at a lake full of ice bergs. One brave young man dove in, climbed up on top of an ice berg and dove back into the frigid cold water. He didn't stay in the water long. Glacier has to rank right up there as one of my favorite national parks. Each of our parks have their own great characteristics. Yosemite has its granite valley walls, Yellowstone has its geysers, and Glacier has beautiful broad vistas of deep canyons and white glacier filled lakes. The Road-to-the-Sun highway is only open six month out of the year due to the heavy snow it receives. The snow and cold temperatures during the winter would keep my wife from ever considering a move to the Big Sky country. Obviously, every husband knows that a happy wife make life a lot better. I guess I'll be staying in Hawthorne for the foreseeable future.

McDaniel Seeks to Key Hawthorne into Playoffs

Senior running back Paris McDaniel is a returning all-Ocean League player for Hawthorne High's football team. Photos by Joe Snyder

By Joe Snyder

It has been ten seasons since Hawthorne High's football team last made the CIF-Southern Section playoffs and the program has not enjoyed much success since that time. However, this year's Cougars have some very good talent and among those is senior tailback-strong safety Paris McDaniel. Last

year, McDaniel had a fine season rushing for 1,350 yards and 11 touchdowns. He made second team all-Ocean League.

This is McDaniel's third year as a varsity starter and he hopes to finally be a solution for a struggling Hawthorne program. The five-foot-nine, 165-pound senior begins his senior season as the Cougars host Lynwood on September 5 at 7 p.m. "We're working hard on offense and defense," McDaniel said. "We're going to be tough this year. We got the players for it."

McDaniel has good speed with a personal best time of 10.89 seconds in the 100-meter dash with the Cougars' track and field team. "McDaniel is a hell of a running back," Hawthorne head coach Donald Paysinger said. "We'll also be using him as free safety and wide receiver."

McDaniel definitely feels that the Cougars will be better than last year. "We have more discipline and we can execute better," McDaniel said. "We know more what we're doing. As long as we do it, that is no problem."

Hawthorne continues to stay in the Ocean League but will not have Inglewood and Inglewood Morningside. The Cougars will have Centinela Valley School rival Lawndale and last season's CIF-Southern Section

Northwest Division finalist El Segundo, which returns a majority of its players and is expected to be one of the league favorites and a top contender for this year's Western Division championship and a possible berth in the California State Division III Bowl Series. Santa Monica and Culver City are other favorites and Beverly Hills, which had one of its most down seasons in the school's football history last year, is the other school in the Ocean.

BUZZER BEATER HELPS BEEN WINNING STAY UNBEATEN

A buzzer beating three-point basket by Andy Alvarez enabled Been Winning to avoid an upset loss to the Young Ballers as they pulled out a 42-41 victory in Hawthorne Parks and Recreation Division IV (ages 13-15) basketball action last Saturday at the Betty Ainsworth Gymnasium.

It appeared the Ballers were headed to an upset and handing Been Winning its first loss after Eddie Kemp made one of two free throws to give them a 41-39 lead with 5.5 seconds left. That's when Been Winning inbounded the ball that was given to Alvarez who swished it from the right as the buzzer sounded.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.
YOU MAY EXAMINE the file kept by the court. Back-to-School Snacking Done Right

(BPT) - As the school year begins, some parents may find that the most chaotic time of the day is around 3 p.m. when class is dismissed and the juggling act of homework, soccer practice and piano lessons begins. With so much going on, it's important to keep kids energized and focused by providing them with healthy snacks packed with key nutrients such as vitamins E, D, B12 and omega-3s.

"The key to making the most of snack time is having an arsenal of healthy foods in your house, which you can mix and match to create a variety of nutritious snacks," says Registered Dietitian Tammy Lakatos Shames. "For instance, I always stock my refrigerator with Eggland's Best eggs because they are a versatile ingredient and contain more nutrients than ordinary eggs, such as three times the amount of vitamin B12. Many picky eaters fall short of this important nutrient since it is only found in animal products."

Tammy recommends the following tips for snacking success during the school year:

* Wholesome baked goods: If your kids have a sweet tooth, try serving them a baked good that includes wholesome veggies. Muffins are a portable snack that can be nutritionally enhanced with healthy, unexpected ingredients like carrots and zucchini. Carrots are a good

source of vitamin C and zucchini is a good source of vitamin A, both will help build your child's immune system.

* Protein power: Protein can prevent peaks and valleys in your child's energy levels and is a great way to curb your child's hunger. The Centers for Disease Control and Prevention recommend children consume 13-34 grams of protein per day, depending on their age. Some great sources of lean protein include nuts, low sodium deli meats and eggs. Spread almond butter on apple slices to give your child an extra source of protein before soccer practice.

* Portion control: Today, kids are trending toward three snacks a day so it's important to keep snacks between 50 and 100 calories each. Egg Salad Stuffed Tomato Cradles are a great snack to serve before dinner and will help keep your kids focused during homework. Tammy recommends using fortified eggs like Eggland's Best because one large EB egg is just 60 calories. Plus, EB eggs contain double the omega-3s, which is a nutrient that has been linked to fighting everything from ADHD to asthma in kids.
