City Council, Treasurer and Clerk Seats Up for Grabs on Nov. 6

By Derrick Deane

On Nov. 6, voters will have the chance to decide if they wish to keep incumbents Angie Reyes English and Olivia Valentine on the Hawthorne City Council or to vote in a new person to represent the city.

Valentine was selected to fill current mayor Alex Vargas’ seat following his November 2015 win. Her selection was hotly contested following a drawn-out nomination process that took three special meetings to finally conclude.

Valentine has served on the City Council for six years and will seek to extend her place at the dais through 2022. She has fostered local business growth by producing the annual Hawthorne Business Expo, launching the Taste of Hawthorne food and music festival, and co-founding the Hawthorne Economic Development Council to help promote the city. Valentine is endorsed by Inglewood Mayor James Butts, Assemblymember Autumn Burke, Mayor Pro Tem Hadir Awad, Councilman Nilo Michelin, and Torrance Mayor Pat Furey, among others.

English is a veteran of Hawthorne municipal government. She served as City Clerk for four years before joining the City Council in 2009. English frequently championed job and business growth in the city along with health and family welfare and safety. She has sponsored the Earth Day/Service Provider Fair for the past nine years, connecting residents with service representatives and businesses in town. English has been endorsed by Valentine, Awad, State Senator Steven Bradford and Butts.

Two challengers seek to unseat these incumbents. Alex Monteiro is a fixture at City Council meetings and is very involved with various groups in the community. He is a member of the Hawthorne School District Board of Trustees, Chairman of the Hawthorne

President Council, and has been President of the Hawthorne Lions since 2008. He also serves as President of the Board of Directors for Moneta Gardens Improvement, Inc. Monteiro is endorsed by Michelin, former City Clerk Norb Huber, Congresswoman Maxine Waters, and President of North Hawthorne Neighborhood Association Ruben Sanchez, among others.

The other challenger is no stranger to the City Council race. Jason Gromski is an aerospace engineer and has been the President of Hawthorne’s Ramona Neighborhood Association. He was one of 13 candidates who applied to fill Vargas’ vacated seat that ultimately went to Valentine.

Gromski is running on the platform of continuing to increase business and job growth in the city and strengthening public safety in conjunction with the Hawthorne Police Department. There were no immediate endorsements noted on Gromski’s campaign website or Facebook page.

Meanwhile, the City Treasurer seat is also up for grabs in November. Incumbent David Patterson will look to win reelection against challenger Ryan Richard.

Patterson was elected as the first African American treasurer in the history of Hawthorne in 2013. He has spearheaded financial transparency and recently transformed the way the City invests its money. Patterson states that he has helped save the City thousands in banking fees and his investment methods are expected to multiply tenfold in return for Hawthorne. He is endorsed by Michelin, Awad, Bradford, and the Los Angeles Democratic Party, among others.

His challenger, Ryan Richard, is a recent graduate from Whittier College and a former board member of the Hawthorne Business Expo. Richard, a political science major, cur-

rently serves as Deputy Political Director for the California Young Democrats Black Caucus. He is endorsed by Valentine, Furey, Monteiro, Don Harris, former City Treasurer Thierry Lubenec, Gardena Mayor Tasha Cerada, and Hawthorne Mayor Alex Vargas.

The vacated seat for City Clerk is the final opening on the November ballot. Long-time City Clerk Huber retired earlier this year after nine years of service.

Dr. Paul Jimenez is running for the vacant seat and is endorsed by Huber, Michelin, Vargas, Monteiro, and Neil Gafney, along with other community members.

Jimenez will contend with Pastor John Jefferson for the seat. Jefferson was honored last year as Veteran of the Quarter for his years of dedicated community service in Hawthorne and his military service in the Air Force. Jefferson currently serves as senior pastor at Del Aire Baptist Church and is a community organizer at the Los Angeles County Department of Children and Family Services.

In one final twist, there may be another City Council opening up after Nov. 6. Councilman Michelin is running for a spot on the El Camino College District Board of Trustees. Should he defeat opponent James Law, Michelin would vacate his seat on the City Council.

Much like how Vargas’ vacancy led to a special election, one of the City Council’s first post-election duties may be to fill in Michelin’s seat, either by a special election or, as they did with Valentine, a special meeting to pool a majority vote on their choice of candidates.

There was much controversy the last time a special meeting vote was held as Katrina Manning, who had finished third in the election, ultimately did not get a seat on the City Council. •

Film Review

Beautiful Boy: A Son Gone Astray

By Ryan Rojas
for www.cinemacy.com

It's a heartbreaking thing to sit helpless watching a loved one struggle with inner turmoil and grief. And short of that person being oneself or a family member, watching two of the big screen's most beloved stars – Steve Carell and Timothée Chalamet – play out this heart-wrenching story as father and son is a not easy to watch without letting your emotions surface.

Carell and Chalamet star in *Beautiful Boy*, the new film based on the pair of memoirs written by David and Nic Sheff -- a father and son whose stories show the painful perspectives of a son's ongoing struggle with drug addiction. *Beautiful Boy* depicts David's desperate determination and Nic's recurring relapses, revealing there may be no escape from rescuing someone from something as merciless and addictive as harrowing chemical dependencies.

It's nothing short of expert casting to see these actors inhabit these real-life roles. You might even wish Carell and Chalamet were part of your own family. Few other actors could make you feel as crushed as seeing a heartbroken Steve Carell playing a forlorn father figure. And which other young actors could make you feel as torn up inside as Hollywood's latest heartthrob, Timothée Chalamet, throwing his promising life away?

There have been other films about the consuming nature of drugs and addiction, and there are familiar notes to *Beautiful Boy* that don't exactly differentiate themselves from those other films. But what

Beautiful Boy, Courtesy of Amazon Studios.

distinguishes *Beautiful Boy*, making it so moving and impactful, is its ability to show how addiction affects more than just the drug user, but also the user's larger circle as well. Other stories of addiction might have focused solely on Nic and his journey of substance abuse --but in seeing his father David, meandering around his son's empty bedroom consumed in thought and worry, we see the fractures from all sides. David calls the police to report his son as a missing person early on, but eventually is resigned to accept that

Nic's reliable absence signals that he is no longer missing, but altogether lost.

What distinguishes *Beautiful Boy* further is that we see the moments where Nic momentarily recovers, rather than in a total downward spiral. Short-term stints of sobriety are an honest part of the experience. Nic rides the waves as best he can until he is all but swallowed up by the sea. Seeing a strung-out Nic at the end of the film at his absolute worst stands as one of the most tear-jerking moments I've had this year.

There is such heart brought to this adaptation by director Felix van Groeningen. It's felt in the chemistry of its stars, who also include Maura Tierney and Amy Ryan as Nic's worried step-mother and mother (whose contributions in the film are effective but largely underutilized, being a story of father and son grief). The flashbacks of Carell as David with the younger Nic (Kue Lawrence, Jack Dylan Grazer) paint the entire picture of this family's story as even more affecting.

Beautiful Boy is a powerful, heart-wrenching story that offers the most sympathetic portrait of addiction that I've seen in recent times. David and Nic's stories of recovery, relapse and the hope for redemption paint a poignant picture of what makes life so beautiful.

120 min. *Beautiful Boy* is rated R for drug content throughout, language and brief sexual material. Now playing at ArcLight Hollywood and The Landmark. •

Hawthorne Happenings

News for the City of Good Neighbors from an Old Guy Named Norb Huber

COMMUNITY DINNER THURSDAY, OCTOBER 18TH

The annual Hawthorne President's Council BBQ Dinner will be held this year on Thursday, October 18th starting at 5 p.m. at the Hawthorne Memorial Center on El Segundo Blvd. The dinner is only \$5 for adults and \$2.50 for children. There is a raffle each year and all of the proceeds go to the holiday assistance program of the Presidents Council. Each Thanksgiving and Christmas, the council gives away hundreds of food baskets and gifts. Come out and support a great cause. I love seeing everyone there at this semiannual event. I will miss two of my old friends who have passed away since our Spring K9 dinner. You will have an opportunity to meet most of the candidates who are running for City office. If you have a chance, ask them a few questions, like what kind of cold ones do they like? Ask them if they ever have read my ramblings and whether they know how to enjoy life by relaxing with a cold one and letting God love them. Their answers to those questions will tell you a lot about them. Forget about the boring crap of making Hawthorne better, find out what they are really made of. If more Hawthornites would follow my prescription, our City would truly be the City of Really Happy Neighbors.

VETERANS CELEBRATION

November is fast approaching and the holiday early in the month is Veterans Day. The Hawthorne Veterans Commission will be hosting their 4th Annual Veterans Day Celebration on Saturday, November 10th at 7 p.m. at the Hawthorne Memorial Center. This year they will be recognizing all of the veterans who are employed by the City of Hawthorne and all the veterans who serve us in the Hawthorne Police Department. Each year this event has been a very popular and fun event. Music and refreshments will be part of the night's agenda. We really do owe our veterans a lot of recognition for serving us. This event is a great way to show our appreciation.

COMING TO HAWTHORNE

I hear that Hobby Lobby is coming to Hawthorne. Rumor has it that the home craft supply, hobby galore, and arty decorating store will be going in next to Home Depot in the old Sportmart location. Hobby Lobby's owner, David Green, is a man I can admire. Here a little bit about him direct from Wikipedia: In 1970, while a store manager with variety

store chain TG&Y, Green took a \$600 loan and started a home business in his garage assembling and selling miniature picture frames. The business, Greco Products, capitalized on a decorating fad of the time. By August 1972 the business had thrived to such an extent that Green and his wife were able to open a 300 square-foot store in northwest Oklahoma City. In 1975, Green left his 13-year career with TG&Y and opened a second Hobby Lobby location with 6,000 square feet of space. Green commits half of Hobby Lobby's total pretax earnings to a portfolio of evangelical ministries and as of 2012, he has donated an estimated \$500 million. Green has taken a public stance against the Patient Protection and Affordable Care Act because of its inclusion of a provision mandating that companies include the "morning-after pill" in their health coverage. Green comes from a family of preachers and says he has built his business squarely on biblical principles: "We're Christians, and we run our business on Christian principles." Green lives in southwest Oklahoma City with his wife, Barbara. They have three children. One son, Mart Green, is the founder and CEO of Mardel Christian and Educational Supply and of Every Tribe Entertainment. Son Steve Green is President of Hobby Lobby, as well as founder and primary funder of the Museum of the Bible. Daughter Darsee Lett is Creative Director for the Hobby Lobby stores.

BACK IN HAWTHORNE

I was driving down to Hawthorne on Sunday and noticed the CalTrans flashing sign telling me that the 405 freeway was totally blocked at the 118 freeway. Little did I know that a bus had flipped over the median divider and hit a car coming in the opposite direction. So started my return trip to SoCal. I came back to check up on my company down here in Gardena. The Christmas rush is right around the corner and our nativity sales have already begun to pick up. It is nice to be back in familiar territory. I can almost put my car in auto drive and it will navigate the streets of the South Bay. It's also nice to see familiar faces and smiles of friends that I have missed. Memories of good times will never go away.

"THE" 405

Have you ever noticed that people refer to freeways by using the word "the" before the number? In NorCal, that is a no-no. They can tell that I'm from SoCal when I say THE 80 freeway. To get to my house in Orangevale from Hawthorne, you take 405 to 5 to 99 to 50 and get off on Hazel. None of this "the" stuff.

Wiseburn Board Hears Pleas for Mandarin Immersion Program

By Duane Plank

At last Thursday evening’s meeting of the Wiseburn School Board, the assembled members heard the pleas of residents who continue to champion a district-wide program of Mandarin Immersion. The Board also approved the promotion of administrator Dr. Aileen Harbeck and witnessed two special presentations.

Seven members of the public approached the presentation podium during the “from the public” portion of the meeting to express their views, with six of the speakers beseeching Wiseburn Unifies School District to implement a Mandarin Immersion after-school program. Each speaker was to be limited to three minutes, with some continuing a little longer and others limiting their comments.

Board meeting rules to do not allow member discussion after the public comments. Said Board President JoAnne Kaneda prior to the public comments: “Just so you know, it is not the Board’s intent or obligation to respond to public comment. We are willing to listen and take notes.”

In an email sent after the meeting, Wiseburn Superintendent Dr. Blake Silvers responded, “We truly understand the value of learning languages for students at a young age. Because the number of students interested in Mandarin as an after-school program was low for this year, we must allocate our expenses in other programs. We will revisit an after-school option next school year and will communicate with our families to ensure that they have the time to make the decision. We are very happy to announce that an enrichment program for Spanish Language

is being held at Cabrillo Elementary School and facilitated by Cultural Bytes. There are currently 48 students enrolled and we are expecting the number to increase.”

During the action-item, personnel section of the 75-minute meeting, the Board passed the promotion of Dr. Harbeck, retroactive to July 1, to the position of Assistant Superintendent, Educational Services. Harbeck, a long-time District employee who has served in multiple positions in the school system, was recently touted by Silvers as “very, very smart. Brilliant probably, is how I would describe her. She is committed to curriculum and instruction, but she might be mad if I said that. Her focus is teaching and learning. The value that she provides at the organizational level is very systemic in her thought processes -- a relationship-builder who is able to see the big picture and methodically plan the steps that you need to get to that big picture.” Silvers added that Harbeck’s promotion will be “huge” for the District because she “brings a wealth of knowledge and willingness to learn. Her commitment to building teams is what sets her apart.”

When the Board members announced they had approved Harbeck’s new position, both they and those in the audience gave a hearty round of applause for the promotion.

Wiseburn Education Foundation (WEF) Executive Director Carolyn Niman announced funding for 30 District Innovation grants awarded to educators, totaling \$34,000. The funds will go towards classroom enhancements, including flexible seating, mobile whiteboards, rugs and classroom storage. Of the total, 4,000 will be utilized for teacher

professional development, with \$20,000 on the books for “innovative delivery of curriculum.” She noted that the WEF has bestowed more than \$93,000 to Wiseburn educators since the group’s inception in 2015.

Maria Garcia from Dana Middle School helmed a presentation in concert in with what she termed the “STEM Sistas:” Educators Summer Graves (Peter Burnett Elementary), Trisha Maano (Burnett), Emma Rennick (Anza Elementary) and Jordan McKenna (Anza). Silvers was impressed by the cadre of teachers tackling the STEM Initiative, noting, “We have five amazing teachers that have taken over this challenge. The goal is to keep evolving STEM, capturing all the schools.”

The educators spoke about Wiseburn’s 2018/19 STEM Initiative. Garcia and her co-presenters quickly detailed the roll-out of the program and targets, and talked of the “big deliverables.” Those include a Hack-a-Challenge, Project Lead the Way teacher training, a Girls Who Code Club, a Girls Who Code Mother/Daughter Event, and a MathCounts Video competition.

During the truncated Board member reports, Dr. Neil Goldman thanked the Mandarin Immersion supporters and promised to continue to ramp up District communication. Kaneda evinced that the community should soon receive updated communication about the progress made towards completion of the aquatics center.

During his comments, Silvers made note of the recent passing of long-time Wiseburn employee Sue Mills. Mills was first hired as a playground aide at Dana Middle School in

the mid-’90s and served as a food service worker at Cabrillo Elementary as well as at Dana until she resigned in 2014. Said Silvers: “Our thoughts go out to Sue’s family, as she was a Wiseburn treasure and will be forever missed.”

Silvers also spoke of the recent fundraiser held at the aquatics center, as the hoped-for actual opening continues to have a mid-November target date. He mentioned that the District is working hard to initiate and embrace proactive communications with the community and is “very close” to launching new websites. He also updated Wiseburn’s emergency response protocol. “Safety is obviously really important,” he said, and shared that the District was looking to work with an expert to provide a full security assessment of facilities and “harden our sites.”

Action items passed included an agreement with Dave Klug of Actus Consulting to provide the security assessment that Silvers had mentioned earlier in the meeting, which Goldman called “very important and very exciting to see.” Kaneda added that she was “comfortable” with the agreement.

Also passed Thursday evening: An agreement with Loyola Marymount University’s School of Education; the addition of turf surrounding the pool at the aquatics center; the continuation of GATE programs at elementary schools; a middle school field trip to Catalina Island; and an agreement with P.S. Arts to continue to perform the duties of District Arts Coordinator.

The next regularly scheduled Wiseburn School Board meeting is calendared for Thursday evening, Oct. 25. •

**ORDINANCE 2159
AN ORDINANCE OF THE CITY COUNCIL OF
HAWTHORNE, CALIFORNIA, ADOPTING A
CATEGORICAL EXEMPTION UNDER THE
CALIFORNIA ENVIRONMENTAL QUALITY
ACT AND APPROVING CHANGE OF ZONE
2017CZ03 CHANGING THE ZONING MAP
FOR PROPERTY LOCATED AT 11415 YORK
AVENUE FROM THE Regional Commercial
(CR) ZONE to the High Density Residential
(R-3) ZONE AND MAKING FINDINGS IN
SUPPORT THEREOF**

WHEREAS, on August 16, 2017, Tommy Murakoshi ("Applicant") filed a complete application requesting to change the zoning of a commercial property to residential in order to develop a viable use that is compatible with the surrounding neighborhood; and

WHEREAS, on August 16, 2017, the Applicant also filed a complete and concurrent application requesting approval of Conditional Use Permit 2017CU15 and Vesting Tentative Map 78256 for the purposes of developing four for-sale residential units; and

WHEREAS, Change of Zone 2017CZ03 would result in a change in the Zoning map from the Regional Commercial (CR) zone to the High Density Residential zone (R-3) as shown on Exhibit 1 ("Project"); and

WHEREAS, the Project applies to a 13,253 square foot property located at 11415 York Avenue, Assessor Parcel No. 4047-007-024 as shown on Exhibit 1 ("Property"); and

WHEREAS, final approval of the concurrent applications, Vesting Tentative Parcel Map 78256 and CUP 2017CU15, are contingent upon City Council approval of the Project; and

WHEREAS, land use policies have an immediate and direct impact on economic activity and quality of life within the city; and

WHEREAS, the City of Hawthorne seeks to establish a balanced and functional mix of development consistent with the long-range goals, objectives and values of the City through the thoughtful implementation of the General Plan; and

WHEREAS, Goal 2 of the Land Use Element states that: "Every effort shall be made to ensure that both existing and future development will be and will remain compatible with surrounding desirable uses;" and

WHEREAS, Policy 2.1 of the Land Use Element states: "The design of future development shall consider the constraints and opportunities that are provided by adjacent existing development;" and

WHEREAS, Policy 2.2 of the Land Use Element states: "The construction of very large buildings shall be discouraged where such structures are incompatible with surrounding residential development;" and

WHEREAS, the Property is currently zoned as Regional Commercial (CR) on the zoning map, as shown in Exhibit 2. This land use designation allows regional, freeway-oriented commercial development and is intended to accommodate land uses characterized by large amounts of visitors and traffic and requiring regional accessibility and visibility such as hotels, regional shopping centers, and large office complexes; and

WHEREAS, the Property is located at the end of York Avenue between 116th Street and where it cul-de-sacs against the I-105 Freeway. In this location, York Avenue is designated as a "local street" and only provides access to a residential neighborhood; and

WHEREAS, commercial development of the Property is infeasible due to the fact that it is not located on a commercial corridor, there is no feasible public access except through a residential neighborhood, the lack of public visibility, and the small size of the property (.3 acres); and

WHEREAS, the commercial development of the Property at the end of a residential cul-de-sac would be incompatible with the surrounding residential neighborhood in terms of use, scale, noise, odors, and illumination. In addition, commercial traffic would have to access the property through a residential neighborhood; and

WHEREAS, the Project would allow for residential development of the Property, which would allow development similar to the residential character of land uses located along the cul-de-sac; and

WHEREAS, for the foregoing reasons, the Project is consistent with Goal 2 and Policies 2.1 and 2.2 of the Land Use Element of the City's General Plan; and

WHEREAS, pursuant to HMC 17.10.050, the City may amend the boundaries of the zoning map and these changes shall be made by ordinance; and

WHEREAS, based upon the information received and Staff's review and assessment, the Project is determined not to have a significant impact on the environment and is categorically exempt from the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines Section 15305; and

WHEREAS, the City provided published notice of a public hearing on May 3, 2018, and the

Planning Commission held a duly noticed public hearing on the Project on June 6, 2018, and recommended approval of the Project; and

WHEREAS, the City provided published notice of a public hearing on June 14, 2018, and the City Council held a duly noticed public hearing on the Project on June 26, 2018; and

WHEREAS, on June 26, 2018, the City Council denied the Project; and

WHEREAS, on September 11, 2018, the City Council directed that the Project be reconsidered; and

WHEREAS, the City provided published notice of a public hearing on September 13, 2018, and the City Council held a duly noticed public hearing on the Project on September 25, 2018; and

WHEREAS, at the public hearing on September 25, 2018, evidence was heard and presented from all persons in favor of the application, from all persons opposed to the application, and from members of the City staff; and that the City Council having heard and received all of said evidence, testimony, and statements and being fully informed of the application hereby approves Ordinance 2159 approving Change of Zone Application 2017CZ03.

THE CITY COUNCIL OF THE CITY OF HAWTHORNE HEREBY FINDS, DETERMINES, RESOLVES, AND ORDAINS AS FOLLOWS:

The City Council has determined that the proposed Project is exempt from review under CEQA. Pursuant to State CEQA Guidelines Section 15305, this Project is covered by a Class 5 Project (Minor Alterations in Land Use Limitations) Categorical Exemption for actions that do not change the land uses allowed on areas of slopes greater than 20% and do not change allowable land uses in a manner that could create a potentially significant impact on the environment. The Project would change the zoning on flat land and will allow residential development consistent with current land uses in the vicinity. The approval of this Project will not result in cumulative adverse environmental impacts or

any other potentially significant impact described in State CEQA Guidelines Section 15300.2. The Project is therefore exempt from the provisions of CEQA. Upon City Council's action, Staff will file the Notice of Exemption with the Los Angeles County Clerk's office in compliance with CEQA.

SECTION 3. The City Council finds that the Project is consistent with the following goals and policies of the General Plan:

1. Goal 2 of the Land Use Element states that: "Every effort shall be made to ensure that both existing and future development will be and will remain compatible with surrounding desirable uses;" and

2. Policy 2.1 of the Land Use Element states: "The design of future development shall consider the constraints and opportunities that are provided by adjacent existing development;" and

3. Policy 2.2 of the Land Use Element states: "The construction of very large buildings shall be discouraged where such structures are incompatible with surrounding residential development;" and

4. The Project would change the commercial zoning of the property to a residential zoning that would be consistent with the surrounding neighborhood and one that would be appropriate for the limited access, size, and visibility of the Property. In doing so, the surrounding residential neighborhood would be protected from the intrusion of commercial traffic, noise, odors, and activity that a commercial project could bring.

SECTION 4. Based on its independent judgment and analysis, the City Council hereby approves Change of Zone 2017CZ03 to change the zoning designation for the Property from the Regional Commercial (CR) zone to the High Density Residential zone (R-3) as shown on Exhibit 2.

SECTION 5. The documents and other materials that constitute the record of the proceedings upon which the City Council's approval are based, which include, but are not limited to, the staff reports for the Project and all of the materials that support the staff reports for the Project, are located in the office of the Planning Director and the City Clerk of the City of Hawthorne, at 4455 West 126th Street, Hawthorne, California 90250.

SECTION 6. The City Clerk shall certify to the passage and adoption of this Ordinance and shall forward a copy to the City Manager and City Attorney.
