## Kiwanis Club of Hawthorne Shares Holiday Spirit with Local Seniors

The Kiwanis Club of Hawthorne held their traditional Holiday Seniors Luncheon Friday December 5 at the Hawthorne Memorial Center as they shared the Holiday spirit with, and served more than 150 hungry guests. Thanks to Chef Bob Marsella, President Silvio Serrapica, and kitchen crew who showed up early to prepare the feast, the Kiwanians and friends on the food assembly line, and members of Leuzinger High School Key Club, who helped served the guests, and the Hawthorne Parks and Recreation Dept. for providing the facilities. ## Land Developer, Rams' Owner Partner to Build Stadium

By Cristian Vasquez

Rams owner Stan Kroenke and the Stockbridge Capital Group announced their partnership to build a football stadium on the City of Inglewood's Hollywood Park site.

One year ago Kroenke purchased 60 acres of land in the city right next to the iconic and newly revamped Forum and Hollywood Park and the announcement of the new partnership was made Monday of this week. The partnership combines Kroenke's 60-acre of land with the Stockbridge Capital Group's 298-acre Hollywood Park site.

"An initiative was filed Friday to amend the Hollywood Park Specific Plan to include a sports/entertainment district," Mayor James T. Butts said in a written statement released the day of the announcement. "The initiative titled City of Champions Revitalization Project could be placed on the ballot and voted upon if required signatures are obtained."

Plans already existed for the Stockbridge Capital Group to develop a mixed-use community on the land, which once was home to the popular horse race track that was closed in late 2013.

In Mayor Butts' written statement he emphasized that no tax dollars have been requested or will be used for this project if approved. The next step for the city, developers and Kroenke is to begin collecting signatures in order for an initiative to be placed on the City of Inglewood municipal ballot later this year. The "City of Champions Revitalization Project," if approved, would have construction efforts begin as early as the end of this year.

The news of a stadium coming to the City

of Inglewood comes at the heels of Curbed L.A., the neighborhoods and real estate blog, naming Inglewood Los Angeles' newest Neighborhood of the Year.

"This proposal, if approved, is another step along the way to potentially moving Inglewood from a City on the rise to a top tier metropolis," Mayor Butts said in his written

*"The new plan for the site as described by the new partnership will include an 80,000-seat stadium along with a performance venue of up to 6,000 seats."*

statement. "Our return to prominence began with Madison Square Garden's resurrection of the Forum joined by the management expertise of Live Nation."

The new plan for the site as described by the new partnership will include an 80,000-seat stadium along with a performance venue of up to 6,000 seats. Due to the sports and entertainment elements added to the plans, there was some reconfiguring required from the previously approved Hollywood Park plan, which included space for retail, office space, new residential developments, a hotel room and several acres for public parks, playgrounds, open space and pedestrian and bicycle access.

Speculation is now that the St. Louis Rams will change the details of their current lease at Edward Jones Dome to a year-to-year

agreement sometime this month. The Rams and City of St. Louis have for years failed to reach an agreement to build a new stadium.

Still, for a team to relocate to the Los Angeles area by next season, based on league bylaws the franchise would have to apply between Jan. 1 and Feb. 15. January of 2016 is the earliest that any team, including the Rams, could relocate to Los Angeles and given that a stadium at the new site would not be available by then, there is a possibility that they would play at the L.A. Coliseum or the Rose Bowl until a new stadium is ready.

The Los Angeles area has been without a football team for 20 years when the now Oakland Raiders and Rams left the city. With the return of a team the city can benefit from the economic prosperity that comes from being home to a professional football team and place a bid to host the popular championship game hosted every February.

"The stadium construction piece alone would conservatively employ thousands of workers both during construction and postconstruction phases," Butts' statement continued. "Starting this morning [Monday], the city will be assembling a team of experts to analyze all economic and environmental impacts, including studies already conducted."

Other teams mentioned as potential candidates to move to Los Angeles are the Oakland Raiders and San Diego Chargers, all of whom have a large fan base in the city, as do the Rams. However, the ownership of the Raiders and Chargers have not made any land investments in the area like the one Kroenke has made. •

## News for the 'City of Good Neighbors'

From City Clerk Norb Huber

Happy 2015 to all of you! May God bless you and your family this coming year. Let's start the new year off with some questions:

### HOW WAS YOUR CHRISTMAS?

This Christmas was a little different for me, my family, and my Ramona tract neighbors. After I returned from our midnight Christmas Eve church service, I was out locking our side gate in the wee hours of Christmas morning. I looked up and saw the night sky light up. I knew right away that an electrical transformer had blown out in the high winds. Our electrical power immediately shut off. We had no power for Christmas Day. Luckily, my son-in-law saved us by bringing over a generator to keep our refrigerator going. To make it a real Christmas, we also hooked up the Christmas tree lights. Some how, my dear wife was able to pull off a great dinner for the entire family and a few friends. To top off the day, my wife's car was broken into that evening and her GPS system was taken. God is good, even with these little mishaps, we had a great celebration of Jesus' birth.

### HOW LONG AFTER JANUARY 1 SHOULD WE GREET ONE ANOTHER WITH "HAPPY NEW YEAR"?

In other words, how far into the month of January is the "new year" new? It's probably about as long as us keeping our new year's resolutions. The newness wears off real fast. The turning of the calendar gives us a fresh start. We try to do some things differently. We try to eat smarter. We try to exercise more. We try to do all the things that we are supposed to do. However, we get lazy. We fall back into our old ways. We eat too much. We stop our exercise routines. If nothing else, we should forget about all the bad that has weighed us down and begin to make this year "happy" for us and those around us.

### HOW WILL THE NEW STADIUM IN INGLEWOOD AFFECT HAWTHORNE?

So, Inglewood is going to build a football stadium. How will that affect Hawthorne? IF the stadium is built, it should be a real boon to the City of Good Neighbors. 80,000 people attending events at the new facility will spill over to our hotels, restaurants and

shops. Fans will be looking for hotel rooms close by that are affordable and nice. There should be many construction and permanent jobs created by the facility. The economic impact on our city should be noticeable. I always take the approach that "I will believe it when I see it". We have heard of many stadium plans in the past, even one where the Hawthorne Airport would be the site of a new stadium. Until the bulldozers show up to start knocking down the racetrack, some of us will be hesitant about being overly excited.

### WHEN WILL THE HAWTHORNE BLVD. REMODELING PROJECT BE COMPLETED?

March of this year has been the target date for the total completion. It will be nice when all of the work is done to our major roadway. Some other questions regarding the project might be, "Will the renovations make a difference for store owners along the thoroughfare? Will the residents find the changes an improvement or not? Will some of the safety issues for crossing the street and the overall traffic flow help to make our "down town" area safer? We shall see. It will diffidently be different.

### WILL YOU ATTEND A COMMUNITY EVENT THIS YEAR?

I try to keep you informed as to upcoming city events. There are many throughout the year. I hope you make an effort to attend many of these worthwhile, community-building activities. The Hawthorne Historical Society welcomes new members and our meetings are open to the public. Our next meeting will be held on Monday, January 26<sup>th</sup> starting at 6:30 p.m. at the Hawthorne Museum. We will have a program and refreshments. Also, please mark your calendars for a Hawthorne Hometown Pancake Breakfast to be held on Saturday, February 28 from 8 a.m. to 12 noon out in front of the museum. Tickets will be \$5 for great hot cakes, sausage, bacon, orange juice, and coffee. Tickets can be purchased beginning later this month.

### UPCOMING HAWTHORNE EVENTS

- City Council Meeting – Tuesday, January 13 – 6 p.m.
- Martin Luther King, Jr. Day – Monday, January 19 – all city offices closed •

## Morningside rolls to fifth place finish at San Pedro

By Joe Snyder

Morningside High's boys' basketball team continued its outstanding preseason showing by routing Palmdale 74-47 on December 30 to finish fifth place in the San Pedro Pirate Shootout. The Monarchs, who improved to 10-3, dominated the Falcons throughout the entire game, leading by as many as 35 points. Morningside was led by Charles Wright with 14 points. Chio Harris added 12 points and Chris Bradford contributed 10 points, 11 rebounds and seven blocked shots.

In the fifth place semifinals on December 29, the Monarchs downed South Tahoe 76-62. Patrick Jeune led Morningside with 19 points. The Monarchs lost their only game of the classic to Rancho Dominguez Prep 85-71 on December 27. Rancho Dominguez's win avenged its earlier non-league loss to Morningside.

The Monarchs led much of the game, including 61-57 with 1:35 left in the third quarter, but the Lobos went on a 17-0 run and continued to dominate the rest of the contest. Rancho Dominguez went on to defeat San Pedro in the championship semifinals on December 29 before losing to Narbonne 75-71 in the championship on December 30.

In the opener on December 26, Morningside rolled over South Torrance 81-59. The Monarchs hosted CIF-Los Angeles City Section school Middle College last Tuesday

and visit Hawthorne in their preseason non-league finale Friday at 7:30 p.m. Morningside begins the Bay League at Peninsula in Rolling Hills Estates next Tuesday.

### LAWDALE FALLS TO COMPTON

Lawndale High's boys' basketball team spent the preseason playing a very demanding non-league and tournament schedule that including facing Compton in Saturday's Take Flight Showcase Classic at the Jordan Hangar in Playa Vista and the Torrey Pines Under Armour Classic in San Diego from December 26-30. Last Saturday, the Cardinals held the lead throughout most of the game against Compton before the Tarbabes rallied for a 54-52 win.

Six-foot-ten University of Southern California-bound senior center-forward Chimiezie Metu sparked Lawndale (7-6) with 18 points, 10 rebounds and three blocked shots. Brodricks Jones had 12 points and seven rebounds. The Cardinals split their four games in the elite National Division of the Under Armour Classic after losing the consolation final to host Torrey Pines 44-36.

Lawndale began the tournament with a 54-43 loss to St. Patrick School from New Jersey on December 26, but recorded back-to-back wins over Windward 65-62 and Ocean League foe Santa Monica 73-65 on December 27 and 29, in order. The Cardinals visited cross-town rival Leuzinger in a non-league

game on Wednesday and close preseason play in the Serra Cavalier Classic at L.A. Southwest College against Gahr High from Cerritos Saturday at 3:30 p.m. Lawndale begins Ocean League play at home against Culver City next Wednesday at 7:30 p.m.

### LEUZINGER LOSES IN OVERTIME

Leuzinger High's boys' basketball team lost to La Canada High 56-51 in overtime in the New Year's Showcase last Saturday at Calabasas High. The game was close most of the way with the Spartans leading most of the way. Leuzinger was able to outscore La Canada 13-10 in the fourth quarter to send the game into overtime with a 44-44 tie. The Spartans outscored the Olympians 12-7 in the extra four-minute period.

In the highly competitive Maxpreps Tournament in the Palm Springs area, Leuzinger split its four games. On December 26, the Olympians began the classic by defeating Olympia High from Washington 63-44. A day later, Leuzinger was routed by J.W. North from Riverside 69-44. On December 29 in the fifth place semifinal, the Olympians topped Murrieta Mesa 59-50. Leuzinger lost in the fifth place game to Rancho Cucamonga 71-51.

The Olympians visited Centinela Valley High School District rival Hawthorne in a non-league game last Monday and hosted other rival Lawndale on Wednesday. Leuzinger begins the Pioneer League at South Torrance

Friday at 7:30 p.m. The Olympians host West Torrance next Wednesday at the same time.

### SENTINELS RESUME PLAY

Inglewood High's boys' basketball team hosted Saddleback Valley Christian from San Juan Capistrano in a non-league game last Monday and remain at home against CIF-L.A. City Section school Dorsey Friday at 7 p.m. Inglewood (7-7) begins the Bay League in what could be a league showdown at Redondo next Tuesday at 7:30 p.m. The Sea Hawks display an 11-4 record against an extremely challenging non-league and tournament schedule but lost their last non-league contest to nearby power rival Torrance Bishop Montgomery 71-58 last Saturday in the Take Challenge Showcase Classic at the Jordan Hangar in Playa Vista.

Among Redondo's outstanding showings were capturing the highly prestigious Las Vegas Tarkanian Classic that was climaxed with a 66-51 win over nationally ranked Putnam City West High from Oklahoma. The Sea Hawks also recorded victories over other top teams, Chino Hills, Corona Centennial, Philadelphia Constitution, Dallas Prime Prep and Patrick School from New Jersey. Redondo had runner-up finishes in its own Pacific Shores Tournament and the recent Torrey Pines Under Armour Classic in San Diego. Inglewood is coming off winning the Clovis West Tournament on December 20. •

# Politically Speaking

## One Man's Opinion

### Worser and Worser

The arrogance of Liberals always amazes me because whenever they see or create an issue, they believe they can create a universal policy cure-all that can override free markets. More often than not, however, their solutions create new and bigger issues in an ever growing spiral. Today, as we experience the largest gap in history between the top 10% of income earners, and the remaining 90%, two questions beg to be asked: "How did the rich get richer?" And "How did the rest of us get poorer?"

*"Thanks to the Obama policies, the national debt exploded from \$10.6 trillion to over \$18 trillion."*

How did the rich get richer: Thanks to the Obama policies, the national debt exploded from \$10.6 trillion to over \$18 trillion. If interest rates on that debt had remained at traditional levels, the annual interest on that debt would have devastated the country's annual budget. Therefore, the Administration and Federal Reserve conspired to hold interest rates at close to zero.

Since banks were directed to lend more money, but not risk bad loans, they loaned only to publicly traded companies and high net worth individuals. By being able to borrow at nearly "free money" levels, companies became more profitable, and investors who were able to borrow at close to no cost, invested into those profitable companies. *Voila!* We have the explosion of the stock market, and wealthy individuals seeing gains of 25% or more annually. So the rich get richer due to government interest rate manipulation.

How did the rest of us get poorer: Obamacare requires companies to pay for healthcare for

families and employees who work more than 30 hours per week, so many labor intensive employers reduced work weeks to under 30 hours. The upshot is that existing employees learn less, while we see a growth in new jobs, predominately as part time or entry-level workers. Monthly statistics bear out falling median incomes even as the number of jobs grow.

Obama's second attack on the majority of us is his energy policy. Energy Secretary Chu, in Obama's first term laid out the objective of

raising gas prices from the then level of \$1.86 to \$10 per gallon. Although Obama did not reach his objective, he did double the price of gas by reducing oil exploration in the Gulf and on federal lands, denying the building of the Keystone pipeline, adding tens of thousands of EPA regulations, and killing the coal industry.

For each of us, then, the increased cost of gas confiscated our income. Moreover, it lowered our standard of living by raising the cost of everything made with petrochemicals (plastic), raised the cost of moving food and manufactured products to market, raised the cost of home heating, and increased air travel costs by increasing jet fuel costs. Thus, we became poorer.

Having created a crisis of disproportionate income distribution, the arrogant Left will undoubtedly conjure new policies to fix the problem they created. And so it goes, spiraling policies on top of each crisis it creates, and fumbling the execution of each. Worser and Worser it goes. •

## Another Man's Opinion

### New Law Bans Sale of Confederate Image

Discussing the Confederate Flag is not an easy thing to do. Supporters of the right to fly the symbol of the Confederacy argue that it is a part of their history and it should not be forced into seclusion. Opponents to the flag view the Confederate colors as a symbol of a racist state that enslaved black people and which even after the Civil War made sure that former slaves remained second class citizens. The problem is that both arguments are correct and finding a balance between the two extremes is almost impossible.

Why the topic of the Confederate Flag? Well, Gov. Jerry Brown signed a law last year that bans the sale and display of items with the flag in all state agencies. This new law was introduced by Assemblyman Isadore Hall. The Assemblyman from Compton introduced the piece of legislation because his mother saw a Confederate replica at the gift shop in the Capitol. What makes a ban such as this complicated is that a woman like the Assemblyman's mother has every right to be offended by this image. As an African-American, as a black woman, her experience and the emotions evoked from seeing a Confederate Flag is something that I can never understand. The fear, pain, anger, resentment or other negative feelings that a Confederate Flag stirs up in African-Americans can not and should not be overlooked: we should not ignore it nor should we question these emotions.

However, there is a danger with eliminating the image of the Confederate Flag from the American consciousness. The way our nation has developed; from the American Revolution, to the Civil War, to Reconstruction in the

South, the Civil Rights movement during the 1960s and everything that is to come, the Confederate Flag has been and will continue to be a part of American history. As such, we cannot and should not ignore this controversial symbol. Hiding the Confederate Flag to a big extent deprives us of the full story that is our nation's history. That is disservice to us all.

These words aren't meant to indicate that the Confederate Flag should fly high in all 50 state capitols. Yet, we should not ban it from state agencies. We can take an example from Germany, who instead of destroying every concentration camp after World War II, preserved the horrific sites that represent one of the darkest eras in human history for future generations to learn of the evils that are created through hate.

Southern States have a tougher battle as its residents are more closely tied in to the history of the flag, on both ends of the spectrum. Millions of Southerners died defending their homeland and flag during the Civil War; millions of Americans were oppressed and deprived of life and liberty under the same flag, so the mission to find a balance is far from accomplished.

However, the Confederate Flag does not represent California, nor does the State represent this historic symbol. To ban the presence of the flag in state agencies can be dangerous. Keeping the Confederate Flag out of sight respects the emotions caused by the violent history that African-Americans suffered under those colors. However, hiding our past is a disservice to future generations who have to know every aspect of our nation's past, no matter how ugly of a past we have. •

**NOTICE OF PETITION TO ADMINISTER ESTATE OF: HAZEL A. NELSON CASE NO. BP158550**  
To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the WILL or estate, or both of HAZEL A. NELSON.  
A PETITION FOR PROBATE has been filed by ATHENA NELSON in the Superior Court of California, County of LOS ANGELES. THE PETITION FOR PROBATE requests that ATHENA A. NELSON be appointed as personal representative to administer the estate of the decedent.  
THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.  
A HEARING on the petition will be held in this court as follows: 01/22/15 at 8:30AM in Dept. 9 located at 111 N. HILL ST., LOS ANGELES, CA 90012  
IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing.

Your appearance may be in person or by your attorney.  
IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.  
Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.  
YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

**NOTICE OF PETITION TO ADMINISTER ESTATE OF DEBORAH FERNANDEZ Case No. BP158683**  
To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of DEBORAH FERNANDEZ  
A PETITION FOR PROBATE has been filed by Ryan Fernandez in the Superior Court of California, County of LOS ANGELES.  
THE PETITION FOR PROBATE requests that Ryan Fernandez be appointed as personal representative to administer the estate of the decedent.  
THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.  
A HEARING on the petition will be held on January 26, 2015 at 8:30 AM in Dept. No. 11 located at 111 N. Hill St., Los Angeles, CA 90012.  
IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or

file written objections with the court before the hearing. Your appearance may be in person or by your attorney.  
IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.  
Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.  
YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

# PETSPETS **Pets** PETSPETS

## *Pets Without Partners* *Purrrfect Companions*

Rosie is a Golden Retriever / Shepherd mix

Adopt a "pet without a partner" to give a homeless pet a second chance in life. (Update on Louie, our 7 month old Doberman pup – Louie continues to improve. You can see his weekly progress on our website. Thank you for your donations and support.)

**Rosie** is a beautiful mix of Golden Retriever and Shepherd; she is seven years old. She loves everyone she meets young and old and greets you with a wagging tail. Rosie is great on walks and has settled into her foster home well. Rosie prefers to be the only dog in the home as she loves all of your attention. She is fine with children, however is not good with cats or small animals. Rosie is a very nice dog and is currently fostered in the Riverside area, so she will be seen by appointment only with an approved application. Rosie is spayed, current on vaccinations, dewormed and is microchipped.

**Dharma** is a Chihuahua mix puppy who was born on August 21, 2014. Her mother, Mama Cass, is a little gem and is five pounds full grown (she is also available for adoption). Dharma is the best little puppy

## *Happy Tails*

TJ scored when he found his fur-ever family in Manhattan Beach. There are so many wonderful homeless pets just waiting for a family to call their own. Read about TJ's "Happy Tail," then make a dream come true for you and a new furry friend in 2015!

"Thank you for the email and thank you for finding TJ (we have kept his name the same btw). He is settling in nicely and has already added so much to our family. We will forward some pictures later tonight. He is eating fine, sleeping well and (keeping our fingers crossed) is already house trained. We took him to the vet on Monday and he checked out just fine. We really appreciate all that you did to keep TJ healthy and happy until we could discover each other. You run an amazing organization. Thanks for all you did for TJ and all that you do for lost/

ever. Chihuahuas are a dime a dozen these days in the shelter, but none are sweeter than this little puppy. Mama Cass is a great mother with a superb disposition and her puppies are priceless with loving personalities. They have been raised with a lot of tender loving care. Dharma is ready to go home, but will need to remain in our relative area of the South Bay or North Orange County due to our spay/neuter ordinance. (they may be adopted separately). Dharma will be spayed when of age, is current on vaccinations will be microchipped, and is dewormed.

**Loki** is a fabulous YorkiPoo - a mix of a Yorkie and a Poodle. He is fine with other dogs at the dog park or on walks, but at home, Loki likes to be the king of his castle

and the center of your attention. This silly little three-year-old has a spunky personality. He is fine with everyone he meets, young and old alike. Loki is fostered with other dogs in his foster home, but tends to be a little bully to the other dogs and does not want anyone else in your lap, because the lap belongs to him! Loki is good at the groomer and behaves when bathed. Loki is neutered, current on vaccinations, dewormed, and microchipped.

To learn more about these and other wonderful dogs, visit our website at [www.animalsrule.org](http://www.animalsrule.org). If a dog is on our website, it's available. Come to our Saturday adoption events from 11 a.m. – 3 p.m. at 305 North Harbor Blvd., San Pedro (just off the 110 near the cruise port). We are always in need of donations for veterinarian bills and our senior dogs. Donations can be made through our website or by sending a check payable to: Animals Rule Placement Foundation at 305 North Harbor Blvd., San Pedro, CA 90731. *Saving one animal  
won't change the world,  
but the world  
will surely change  
for that animal.*

Moo is a small kitten who loves people.

2014 marked a milestone for Kitten Rescue! Since 1997 we have placed 15,000 animals into loving homes: Pets rescued from high kill shelters and off of the streets, sick and injured animals who were given veterinary care, scared animals who received love and learned to trust again. These abandoned angels were given a second chance. Give hope and bring a new love into your life when you adopt your purr-fect partner.

Rescued from a North County shelter, **Moo** was one of the smaller kittens, but very outgoing and sweet from the start. He is a happy, loving, bouncy little boy who loves playing almost as much as he loves sitting on your shoulders. Moo adores people and is very outgoing with strangers. He loves toys that will fit in his mouth, romping off with them before rolling over to kick at them with his feet. Moo loves other kitties and needs to be adopted with a buddy or to a home with a young resident cat he can play and chew on.

**Tiger** was rescued when she was barely 2.5 weeks old and needed to be bottle-fed. As a result, Tiger is a super affectionate little girl who loves humans! To her, every person is mom so she purrs like a motor when you pet her or pick her up. Tiger will let you hold and cuddle her, but she also loves to romp around and play. Tiger does not seem to like other girl cats and it takes her a long time to accept anyone other than her best buddy in the whole world - Sam. Tiger would do well with kids, but does not like dogs. At

only 4 months old, Tiger is still very young and would be too lonely to be an only cat. She would love being able to find a home with Sam.

**Sam** is a very sweet four-month-old boy who gets along with everyone he meets. Sam loves to sleep on the bed and cuddle on your legs every chance he can get. He is a very mellow, beta personality who adapts well to other cats. Sam loves to romp and play with other cats, especially his buddy Tiger who loves him more than anything. Sam would adore being able to find a home with Tiger and definitely needs another kitty in his life.

These kittens are available for adoption through Kitten Rescue, one of the largest cat rescue groups in Southern California. All of our kitties are spayed/neutered, microchipped, tested for FeLV and FIV, dewormed and current on their vaccinations. For additional information and to see these or our other kitties, please check our website [www.kittenrescue.org](http://www.kittenrescue.org) or email us at [mail@kittenrescue.org](mailto:mail@kittenrescue.org). Your tax deductible donations for the rescue and care of our cats and kittens can be made through our website or by sending a check payable to Kitten Rescue, 914 Westwood Blvd. #583, Los Angeles, CA 90024.

On Saturdays, we have adoptions from noon to 3:30 p.m. in Westchester at 8655 Lincoln Blvd. just south of Manchester Ave. and also in Mar Vista at 3860 Centinela Ave. just south of Venice Boulevard. Our website lists additional adoption sites and directions to each location.

Sam (left) and Tiger are four-month-old best friends and would love to be adopted together.
