Contractor Found For Dominguez Channel Catch Basin Full Capture Device Project

By Cristian Vasquez

United Storm Water Inc. has been awarded a contract as the lowest bidder for the Dominguez Channel Catch Basin Full Capture Device Project. The agreement, which amounts to \$110,234.60, includes a contingency of \$11,100 that will be made available through the sewer fund.

An invitation to bid was published on July 2 in various publications, the Inglewood Chamber of Commerce and the city's website. As a result, two firms, G-2 Construction, Inc. and United Storm Water, Inc., attended the mandatory prebid meeting at the Public Works office on July 14. The actual bid opening was hosted by the City Clerk's office on July 29 and only a United Storm Water. Inc. submitted a bid.

"United Storm Water, Inc. has already completed the Ballona Creek Catch Basin Inserts Project Phase 2 for the City in 2013," states the staff report signed by Public Works Director Louis A. Atwell. "United Storm Water, Inc. installed Connector Pipe Screen (CPS) and Automatic Retractable Screen (ARS) in several cities within Southern California."

After evaluating the bids and references, the public works' staff moved forward with the recommendation for Mayor James T. Butts and the members of the Inglewood City Council to award the contract to United Storm Water, Inc. The money for the contract was obtained by the city through staff's submission of an application to receive funding through Cal Recycle for a Used Oil Competitive Program. The application submitted by city staff detailed the installation of every catch basin insert, as well as every automatic retractable screen in the city's catch basins, which flow into the Dominguez Channel.

Catch basins, also known as storm drain inlets and curb inlets, are storm drain system and are usually a grate or curb inlet designed to trap sediment, debris and other pollutants. Catch basins are mainly used as pretreatment to another storm water management process. Many localities across he United States have begun retrofitting existing catch basins in order to improve their effectiveness. One such step to ensure better results is to modify all

"The City-owned catch basins need to be maintained and operated by the City for Municipal Separate Storm Sewer Systems (MS4) permit compliance and therefore will be retrofitted with full capture devices"

catch basins with a hooded outlet to prevent floatable materials, such as trash and debris, from entering the storm drain system. The City of Inglewood (City) storm drain system consists of 54 miles of pipeline and 1,285 catch basins.

"There are two watersheds within the City; the north portion, which drains to Ballona Creek and the south portion, which drains to the Dominguez Channel," indicates the staff report. "The ownership of the system is slit between the City (27 miles of storm drain pipeline and 493 catch basins) and the County of Los Angeles Public Works Department (27 miles of storm drain pipeline and 792 catch basins)."

Of the Dominguez Channel's watershed, the City of Inglewood owns and provides maintenance to 223 catch basins while the County of Los Angeles owns and maintains the 474 catch basins.

"The City-owned catch basins need to be maintained and operated by the City for Municipal Separate Storm Sewer Systems (MS4) permit compliance and therefore will be retrofitted with full capture devices," states the staff report. "The full capture devices are are either a Connector Pipe Screen (CPS), an Automatic Retractable Screen (ARS), or a combination of both."

Permit Process For Small Residential Rooftop Solar Systems To Be Expedited

Ordinance No. 15-22 has been adopted by the Inglewood and City Council in order to amend Chapter 11 of the city's municipal code to expedite the permitting process for small residential rooftop solar systems.

Last year state legislators adopted Assembly Bill 2188, which requires all cities to adopt ordinances to create a faster, more streamlined permitting process for small residential rooftop solar systems.

These systems include "solar photovoltaic systems that are less tha 10 kilowatts alternating current and solar thermal systems that are less than 30 kilowatts," states the staff report signed by Senior Economic and Community Development Manager Christopher E. Jackson. "The City currently expedites the review of such applications by reviewing and issuing the majority of applications over the counter."

City staff was already in the practice of expediting the review of such applications, so the only step left to take was adopting the ordinance mandated by the state in order to demonstrate compliance. Furthermore, AB 2188 requires that the expedited process also conform to the California Solar Permitting Guidebook, which was adopted by the Governor's Office of Planting and Research. •

PUBLIC NOTICES

Subcontractors shall be licensed pursuant to California law for the trades necessary to perform the Work called for in the Contract Documents Each bid must strictly conform with and be responsive to the Contract Documents as defined in the General Conditions

Prevailing wages are applicable to the Project. These per diem rates, including holiday and overtime work, as well as employer payments for health and welfare, pension, vacation, and

similar purposes, are available from the Director of the Department of Industrial Relations. Pursuant to California Labor Code Sections 1720 et seg., it shall be mandatory upon the Contractor to whom the Contract is awarded, and upon any subcontractor under such Contractor, to pay not less than the said specified rates to all workers employed by them in the execution of the Contract.

A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 subject to the requirements of section 4 rule of the Public Contract Code, or engage in the performance of any contract for public work, as defined in the Labor Code, unless currently registered and qualified to perform public work pursuant to Labor Code section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.

The Contractor and all subcontractors shall furnish certified payroll records as required pursuant Labor Code section 1776 directly to the Labor Commissioner in accordance with Labor Code section 1771.4 on at least on a monthly basis (or more frequently if required by the District or the Labor Commissioner) and in a format prescribed by the Labor Commissioner. Monitoring and enforcement of the prevailing wage laws and related requirements will be performed by the Labor Commissioner/Department of Labor Standards Enforcement (DLSE). Separate payment and performance bonds. total Contract amount issued by a California admitted surety as defined in California Code of Civil Procedure Section 995.120, are required, and shall be provided to the Owner prior to execution of the Contract and shall be in the form set forth in the Contract Documents. Where applicable (including projects receiving funding under the State School Facilities Program), bidders must meet the requirements set forth in Public Contract Code Section 10115 et seq., Military and Veterans Code Section 999 et seq. and California Code of Regulations, Title 2, Section 1896.60 et seq. regarding Disabled Veteran Business Enterprise ("DVBE") Programs.

It is each bidder's sole responsibility to ensure its bid is timely delivered and received at the location designated as specified above. Any bid received at the designated location after the scheduled closing time for receipt of bids shall

screduled dosing united in recept of bids shall be returned to the bidder unopened.

Bid Security. Each Bid Proposal shall be accompanied by Bid Security in an amount TEN PERCENT (10%) OF THE TOTAL BID AMOUNT. Entires of AMOUNT. Failure of any Bid Proposal to be accompanied by Bid Security in the form and in the amount required shall render such Bid Proposal to be non-responsive and rejected by the District.

No Withdrawal of Bid Proposals. No Bidder

shall withdraw its Bid Proposal for a period of ninety (90) days after the award of the Contract by the District's Board of Education. During this by the Districts Board of Education. During this time, all Bildders shall guarantee prices quoted in their respective Bid Proposals. Substitute Security. In accordance with the provisions of California Public Contract Code §22300, substitution of eligible and equivalent

securities for any monies withheld by the District to ensure the Contractor's performance under the Contract will be permitted at the request and expense of the Contractor. The foregoing notwithstanding, the Bidder to whom the Contract is awarded shall have thirty (30) days following action by the District's Board of Education to award the Contract to such Bidder to submit its written request to the District to permit the substitution of securities for retention. The failure of the Bidder to make such written request to the District within said thirty (30) day period shall be deemed a waiver of the Bidder's rights under California Public Contract Code §22300.
Waiver of Irregularities. The District reserves the right to reject any or all Bid Proposals or to waive any irregularities or informalities in any Bid Proposal or in the bidding.

Award of Contract. The Contract for the Work, if awarded, will be by action of the District's Board of Education to the responsible Bidder submitting the lowest responsive Bid Proposal. If the Bid Proposal requires Bidders to propose prices for Alternate Bid Items, the District's selection of Alternate Bid Items, if any, for determination of the lowest priced Bid Proposal and for inclusion in the scope of the Contract to be awarded shall be in accordance with this Notice and the Instructions for Bidders.

Inquiries and Clarifications. The Bidder is advised that all inquiries and clarifications about the Bid Documents, Drawings, Specifications, etc., shall be submitted to the District in writing at least seven (7) days before the bid opening artieast seven (/) days before the bio opening date. The District will respond at its earliest possible opportunity. Verbal communication by either party with regard to this matter is invalid. Inquiries shall be sent in writing to Aneska Ines Kekula at ikekula@nawthorne. k12.ca.us or (310) 675-9464 by October 30, 2015, at 4:00 PM

Alternate Bid Items. The selection of Bid Alternates for determination of the lowest Rid Proposal will be based upon the Base Bid Proposal alone or a combination of the Base Bid Proposal and one or more Bid Alternates as selected by the District. The District reserves the right to use the "blind bidding" procedures. Aneska Ines Kekula

Hawthorne Happenings Police Reports

News for the 'City of Good Neighbors'

From City Clerk Norb Huber

NEXT CANDIDATES FORUM

The next opportunity for voters to hear the candidates will be October 22 at Ramona School starting at 6:30 p.m. with refreshments, sponsored by the Ramona Neighborhood Association. The following is a list of candidates: Running for mayor: Chris Brown, Alex Vargas, Angie Reyes English and

Analilia Joya. Running for two seats on the city council: Haidar Awad, Katrina Manning, Osvaldo Ramirez, Olivia Valentine, Amie Shepard, Nilo Michelin, Frances Stiglich, and L. David Patterson.

COMMUNITY DINNER – TONIGHT!

The Hawthorne President's Council is sponsoring a community dinner on Thursday, October 15 at the Memorial Center. Proceeds from the dinner will go to the holiday assistance programs during the holiday season. Auction items can be donated to the council to help raise additional funds. The price of the dinner is \$5 per person. The meal is served from 5 to 6:30 p.m.

WEST BASIN WATER HARVEST

Water Harvest is a free and fun family event for the community to learn more about the value of water. This year will be particularly special, as we celebrate 20 years of water recycling. As part of the festivities, West Basin will offer tours of the Edward C. Little Water Recycling Facility, food, carnival games, raffle prizes, a kid's costume contest, stage shows, pony rides, reptile petting zoo, and the chance to enter into our grand prize giveaway. For more information, visit: www.westbasin.org/waterharvest. Hope to see you there! Date: Saturday, October 24, 2015 Time: 10 am - 2 pm Place: Edward C. Little Water Recycling Facility 1935 S. Hughes Way, El Segundo, CA 90245

HISTORICAL SOCIETY MEETING

Our next meeting will be Monday night, October 26 at 6:30 p.m. Our speaker will be Jerry Florey, who has been involved with baseball and softball in Hawthorne for over 50 years. The discussion will be related to "Baseball in Hawthorne". It should be interesting to hear just how many famous players have come out of our area.

HAWTHORNE AUTHOR BOOK **READING AND SIGNING**

You are invited to a really neat event coming up

on Saturday, October 24. William Snyder, a Hawthorne native, will be reading and signing his recently released book entitled, "How 'bout them Apples". It's shorts stories from his 29 years in the teaching biz. He is a graduate of Hawthorne High School and will be returning to his home town for this event which begins at 1 p.m. and runs for two hours.

Food and music will also be on the schedule that day at the Hawthorne Museum. He will have all three of his books for sale that day, all of them sell for under \$10. Try to make it by the museum for this fun time.

SHREDDING EVENT - OCT. 24

Republic Services is offering to shred your personal documents for free at the city hall parking lot on Saturday October 24 from 10 a.m. to 12 noon. At the same time you can help yourself to free compost for your garden or lawn. Bring your small truck or large plastic bags to haul the good stuff away.

I DO NOT CONDON **HEAVY DRINKING**

To be honest, I don't really drink much. When I encourage you to have a cold one, I'm implying that we all should just go home and relax and enjoy your favorite beverage. Your cold one might be some iced coffee or some pink lemonade, whatever your preference. I certainly do not want you or our young people to develop a life long problem of alcoholism like a recently fired college football coach. If you drink, drink responsibly. "Everything in moderation" seems to make life safer for all concerned.

NO MORE CAHSEE

Governor Brown sign a bill that does away with the California High School Exit Exam for all students and it is retroactive to 2006. Since I have been teaching high school Math and getting students prepared for the Exit Exam, I was kind of upset by this decision. I saw first hand that the exam motivated many students to really buckle down and learn the Math skills needed to pass the test. Now, students just have to worry about having enough credits to graduate. Once again, I am not in agreement with a liberal, California legislature just throwing out something that held students accountable. I guess I need to have another "cold one" or maybe I should move to Idaho. •

Morningside Rallies Past Peninsula in Bay Opener

By Joe Snyder Photos by Joe Snyder

Morningside High's football team is off to one of its best starts in decades at 6-0 overall and 1-0 in the Bay League after rallying for a 24-21 win over host Peninsula High last Friday in Rolling Hills Estates.

Playing without starting quarterback Jerome Rosebrough, head coach LaFayette Fletcher, who also was celebrating his birthday, went to Travion Magee. Magee had to get adjusted as a starter as he struggled at first as the Panthers, who are 2-4 overall and 0-1 in league, took a 14-0 lead early in the second quarter.

Magee finally got things going by midway in the second quarter as he finished the game, completing 17 of 34 passes for 382 yards, two touchdowns and one interception. Wide receiver Adarras Wilson scored the Monarchs' first TD on a 15-yard pass from Magee and, later in the second quarter, Jontrell Hogan ran 51 yards for a score as the Monarchs cut Peninsula's lead to 14-12.

The Panthers brought their lead back up to 21-12 when quarterback Daniel Schubert found Jack Grimes in the clear for a 77-yard touchdown play. Morningside, though, got within three points with 48 seconds before halftime when Jaylin Wright completed a 50-yard drive on a two-yard run into the end zone.

Morningside High ballcarrier Jaylin Wright attempts to get past Peninsula defenders during last Friday's Bay League football opener. The Monarchs came from behind to top the Panthers 24-21.

Morningside quarterback Travion Magee throws the ball in last Friday's Bay League football opener against Peninsula.

Monarchs finally took their first lead when Magee found Wright for a 47-yard TD play. Morningside sealed the game on an interception off Schubert with 2:45 left in the game. The Monarchs had a pair of key first downs to successfully run down the clock for their sixth win, already the most since their 2003 squad went 11-3 and made it to the CIF-Southern Section Northwest Division championship game before falling at Lompoc. That squad was also head coached by Fletcher, who was with Morningside's football program since the late 1980's before stepping down after the 2011 season, then returning to replace the departed Derwin Henderson, now head mentor at Long Beach Millikan.

"The Bay League is all tough," Fletcher said. "Peninsula did a real good job on us. I'm glad we pulled this game out. These kids are pretty happy to be 6-0. We had no spring football. We have no junior varsity or freshman team, so we have a lot of young players (on the varsity)."

Fletcher knows that the Bay League will be a tough road. The Monarchs will take their unbeaten record to Redondo, which is 5-1 overall and 1-0 in league after breezing past host Inglewood 37-13 last Friday at Coleman Field. Despite just a 34-player roster, the Sea Hawks

done well against a tough preseason schedule where their only loss was on September 25 against Mission Viejo (7-0 overall and 1-0 in the South Coast League), the top ranked team in the tough CIF-Southern Section West Valley Division and rated seventh in California, 35-16. Redondo is currently ranked third in the Southern Section Western Division and is led by the passing combination of quarterback Jacob Silvera and six-foot-five wide receiver Warren Jackson. The Sea Hawks' defense is led by returning first team all-Bay League end Cedric Muzick and linebacker Preston Faecher, who is another key receiver.

MURRAY LIFTS LAWNDALE OVER CULVER CITY

Lawndale High's football team had a shootout against host Culver City but it was dominating quarterback Chris Murray that helped the Cardinals top the Centaurs 48-41 in their Ocean League opener last Friday. Murray figured on six of Lawndale's seven touchdowns. He rushed for 250 yards and five TD's on 17 carries, and completed five of eight passes for 56 yards and one score. That touchdown was on a 28-yard pass to Jalen Walker.

Bryant Perkinson rushed for 168 yards and one TD on 13 carries. Perkinson, though, left in the third quarter due to cramps and an injured ankle. The Cardinals improved to 5-1 overall and 1-0 in league. Lawndale faces Santa Monica High, head coach Travis Clark's former team, at Santa Monica City College Friday at 7 p.m. The Vikings are off to their worst start since their 0-10 squad of 1992 at 0-6 after losing at Hawthorne 20-6 last Friday.

COUGARS GET FIRST WIN

After going 0-5 in non-league, Hawthorne High's football team is off to a good start after topping Santa Monica 20-6 last Friday at Hawthorne. Quarterback Marte Mapa scored a touchdown and passed for another in keying the Cougars (1-5, 1-0) to their first win of the season. Hawthorne will be seeking to begin league at 2-0 as it hosts Beverly Hills, which is 0-6 overall and 0-1 in Ocean play after a 35-6 loss to El Segundo last Friday,

Friday at 7 p.m.

LEUZINGER FALLS TO WEST

Leuzinger High's football team played host West Torrance tough before being worn down by the Warriors 41-20 in their Pioneer League opener last Friday. West surged to a 21-0 lead before the Olympians scored two TDs on passes by quarterback Malik Jackson to Andre Hunt (74 yards) and Earia Culpepper (nine yards). Adrian Galeria added a 36-yard touchdown run. He rushed for 100 yards on 14 carries.

The Olympians had trouble holding down West running back Brylen Baucham, who rushed for 135 yards and two touchdowns on 15 carries. Leuzinger (1-5, 0-1) will seek its first league win as it hosts Torrance (0-6 overall and 0-1 in league after a 21-14 loss to South Torrance Friday) Friday at 7 p.m.

INGLEWOOD LOSES TO REDONDO

Inglewood High's football team lost its Bay League opener at home to Redondo 37-13 last Friday. After seeing the Sea Hawks (5-1, 1-0) jump out to a 37-0 third quarter lead, the Sentinels came back with two touchdowns to make the game a little more respectful. Inglewood stays at home against Palos Verdes, which began Bay action with a 9-7 home win over Mira Costa Friday, Friday at 7 p.m. •

Morningside ballcarrier Jeune Patrick attempts to break the tackle of Peninsula's Alex Martinez in Friday's Bay League opener. The Monarchs are 6-0 overall after the league opening win as they face a stiff test at Redondo Friday at 7 p.m.

Morningside Remains Undefeated

Photos by Dirk Dewachter, www.dewachter.net

Marcello Merola (Peninsula#8) is tackled by Murningside's Adarrus Wilson (Morningside #3) and Marcus Turnage (Morningside #4) during the Morningside - Peninsula varsity football game.

Jontrell Hogan (Morningside#2) in action during the Morningside - Peninsula varsity football game.

Morningside's Darion Jones (Morningside #70) tries to block Peninsula's Spencer Ness (Peninsula #51) for Morningside quarterback Travian Mcgee (Morningside #17) run. Morningside remains undefeated with their 24-21 victory of host Peninsula.

Morningside's Darren Morgan's catch at midfield set up the next play for a 65-yard touchdwown run.

NASA Orbiter Views Sites of Fiction Film's Mars Landings

Based on press releases from NASA and the White House, provided by Bob **Eklund**

Images from a NASA Mars orbiter's telescopic camera reveal details of real regions on Mars where the new Hollywood movie The Martian, places future astronaut adventures. The novel of the same name, originally self-published by Andy Weir in 2011, used actual locations on Mars for the landing sites for its "Ares 3" and "Ares 4" missions. The landing site for "Ares 3" is on a Martian plain named Acidalia Planitia. The base for the "Ares 4" mission was set inside a crater named Schiaparelli.

Views of these two sites, and other locations pertinent to the fictional story, are in the latest weekly release of images from the High Resolution Imaging Science Experiment (HiRISE) camera on NASA's Mars Reconnaissance Orbiter. They are available online at http://uahirise.org/martian

Each observation by HiRISE covers an area of several square miles and shows details as

small as a desk. More than 39,000 of them have been taken since the Mars Reconnaissance Orbiter reached Mars in 2006. They are available online for anyone to explore, from the comfort of home, at http://hirise.lpl.arizona.edu.

WHITE HOUSE ASTRONOMY NIGHT

"There are a lot of mysteries left, and there are a lot of problems for you students to solve-and I want to be a President who makes sure you have the teachers and the tools that you need to solve them," President Obama said to middle school students, astronauts, and citizen scientists during the first-ever White House Astronomy Night in 2009 [https://www.whitehouse.gov/ the-press-office/remarks-president-astronomyevent-with-students].

Since then, the President has recognized the unique contributions of scientists, engineers, mathematicians, tinkerers, and entrepreneurs, hosting five White House Science Fairs, the first-ever White House Maker Faire, and the first White House Demo Day. The Administration has also led efforts to improve opportunities for

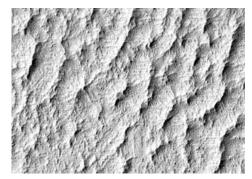

all students in science, technology, engineering, and mathematics (STEM) education to inspire students to pursue careers in science, technology, and innovation-driven disciplines.

On October 19, 2015, the White House will host another Astronomy Night. The event will bring together scientists, engineers, and visionaries from astronomy and the space industry to share their experiences with students and teachers as they spend an evening stargazing from the South Lawn of the White House.

The President expressed the hope that scientists and amateur astronomers throughout the country will join the White House in celebrating Astronomy Night by hosting their own events at observatories, schools, planetariums, museums, and astronomy clubs nationwide on October 19.

If you or your organization is interested in hosting an observing night or watch party in conjunction with the White House Astronomy Night, you are invited to tell the White House about your event at https://www.whitehouse. gov/webform/astronomy-night-share-yoursupporting-event.

If you want to take new actions to help inspire and educate the next generation of scientists, engineers, and inventors, the President wants to hear from you. To tell about your new commitments and ideas, email the White House at: AstronomyNight@ostp.gov. •

NASA's High Resolution Imaging Science Experiment (HiRISE) camera on NASA's Mars Reconnaissance Orbiter captured the site of 'Ares 4,' the setting of the science fiction novel (and recent movie) *The* Martian, on July 14, 2015. Ares 4 is actually a shallow area in the Schiaparelli Crater, and the pitted surface is covered with Mars dust at least a meter thick. Image by: NASA/JPL-Caltech/Univ. of Arizona.

PETSPETS LECUSPETSPETS Wowser Schnauzers

Elsa is recovered from her illness and is back to playing.

We are looking for volunteers to help with our pet adoption fairs which are held every Saturday at the Petco located at 537 N. Pacific Coast Highway Redondo Beach 90277, from noon-3: 30 p.m. If you are interested in volunteering and can commit to at least one Saturday a month, please contact us at info@msfr.org. You can also visit all of our Miniature Schnauzers & Friends rescues at the adoption fair or check out our website, www.msfr.org. If you have any questions about a particular dog's availability you can email us at info@ msfr.org. Schnauzers! Bet you can't adopt just one!

My name is **Elsa** – I think it's because my coat is frosty white but I'm not Frozen! I am, however, a little nine-month old female cutie who was rescued from a LA county shelter. My previous owners dumped me there because I was sick - vomiting and diarrhea - and had a bit of an attitude problem. I don't know about you but it's hard to be happy instead of crabby when you're sick and feeling as badly as I was. I spent the whole week at the vet's and had a bunch of tests (x-rays, Parvo, fecal, etc.) done and everything came back negative. Go figure! It was probably something I ate but now I'm all better and playing like mad with all of the other dogs. I'm 12 pounds of affection with a sweet disposition who loves to play - people or dogs are just fine with me. If you are interested in Elsa, please email info@msfr.org for more information.

Tippy is my name because of my unique appearance. I have a natural tail, and my legs are darker on the bottom so it looks like I'm wearing socks! I'm a three-year old female Miniature Schnauzer/mix who was rescued from a LA county shelter. I got lost and ended up as a stray. I actually had a family who was supposed to adopt me but sadly, they changed their minds so now I'm looking for my own family. Even though I'm a bit shy until I get to know you I'm always a real sweet, little (13 pounds) girl. I'm just certain you would love to adopt me - come to our adoption fair and see for yourself. If you are interested in Tippy, please email info@msfr.org for more information.

They call me Ella because I believe in fairy tales and I'm looking for my Cinderella ending! I'm a five-year old female Miniature Schnauzer who was rescued from a LA county shelter. I ended up there with a laceration on my head, which required stitches and an abscess on my neck that was removed and stapled. Obviously I wasn't looking my best - a matted mess with a bald spot and an abscess - so it was no surprise that there was no interest in adopting me while I was at the shelter. I'm 16 pounds of love and affection who is looking marvelous and feeling so much better after my make over

Tippy is a mini-schnauzer mix.

Tess would love to be your home companion.

compliments of my MSFR fairy godmother! I am looking for my happily ever after family to share my life with. If you are interested in Ella please email info@msfr. org for more information.

Hello – my name is Tess. I'm a very lucky 60 pound, six-year old female Chow mix who was rescued from the San Bernardino City Shelter on the day I was to be euthanized. My former owners left me

Ella is looking for her happily-ever-after home.

at the shelter because "I could no longer go on long walks." I was immediately taken to the Vet and x-rays revealed a disc problem that was extremely painful. It took just a few acupuncture treatments and I'm back to my happy, mobile self with a lot of good walking years left. I'm a gorgeous gal who is affectionate with people, good with kids, and I do fine with other dogs (large and small). I enjoy car rides, I'm not a barker and even though I walk well, I prefer to spend time inside with my people. I'm housebroken and am very content with just an occasional outside bathroom break. I'm sure I'd be the perfect addition to almost any home. Tess can be seen anytime at Yellow Brick Road Doggie Playcare in El Segundo Call 310-606-5507 or email southbaydoggie@ hotmail.com for an appointment. •

lappy Tails

old, sweet, little Miniature Schnauzer/mix - and her new family. Marcie now lives in Torrance with her siblings, a 7-year old Lab,

Congratulations to Marcie - our 2-year a 17-year old human and a stay-at-home Mom! It looks like Marcie, now named Mia has hit the doggie lottery and we wish them a lifetime of happiness.•

THEYELLOW DOG PROJECT.com

If you see a dog with a YELLOW RIBBON or something yellow on the leash, this is a dog who needs some space. Please do not approach this dog with your dog. Please maintain distance or give this dog and his/her person time to move out of your way.

There are many reasons why a dog may need space: HEALTH ISSUES IN TRAINING BEING REHABILITATED

SCARED OR REACTIVE AROUND OTHER DOGS

THANK YOU!

Those of us who own these dogs appreciate your help and respect! lustrated by Lili Chin www.doggiedrawings.net

Marcie has found the perfect family to love.
