Contract Extended for Medical Services Provider In Police Department’s Jail Facility

By Cristian Vasquez

Members of the Inglewood City Council, along with Mayor James T. Butts, approved a two-year agreement with Vital Medical Services to provide non-emergency, on-call services at the Inglewood Police Department jail facility. The contract was approved in the amount of \$75,000 and with a one-year extension option.

“In-custody prisoners occasionally require non-emergency medical treatment,” states the staff report signed by Inglewood Chief of Police Mark Fronterotta. “For this reason the Police Department must have an agreement with a medical facility to provide services when requested.”

The agreement with Vital Medical Services was needed and approved in order to ensure that service times be reduced during non-emergency medical situations. Based on the staff report, non-emergency situations include but are not limited to: asthma, high blood pressure, diabetes, bruises/abrasions, simple fractures and even pregnancy. When a detainee is suffering from a more serious condition and is in need of urgent care the police department will refer to person to Centinela Hospital.

“Currently, any prisoner that requires medical clearance must be taken to a medical facility for treatment,” states the staff report. “As a result, officers are placed out of service for an extended period of time while they await a doctor.”

Based on the agreement Vital Medical Services will send a qualified medical professional when they receive a call for service. The professional will conduct a medical examination at the jail facility and determine if the patient is in a condition to receive medical clearance or in need of additional treatment.

“It should be noted that the Department previously used their service under a short

term agreement,” states the staff report. “In addition to providing above satisfactory service, a significant reduction in out of service time related to medical clearances was observed.”

Council Approves Two-Year Agreement For Landscaping Services

A two-year agreement, with the option to extend twice in two-year increments, was approved with BrightView Landscape Services in the amount of \$300,000 to be paid for by the city’s general fund.

BrightView Landscape Services, formerly Valley Crest Landscape Maintenance Inc., will provide complete landscaping and maintenance services such as edging, mowing, fertilizing, disease control, insect control, weed control, pruning, staking, debris cleanup and other services as needed and outlined in the contract.

“The Park Maintenance Section is responsible for the maintenance of natural aesthetics of approximately 100 acres of parks and green areas located throughout the city,” states the staff report signed by City Manager Artie Fields. “In addition, this section services the underdeveloped park sites, Civic Center Complex, Grevillea Mall, Water Treatment Plant, City Service Center and 45 acres of parkways, street medians, traffic islands, service roads and parking lots.”

With the help of BrightView Landscape Services, the Park Maintenance Section will be better able to assist in special events such as cultural celebrations by providing staff and logistical support, as well as cleaning and maintenance duties for restrooms, picnic areas and playgrounds.

“The City’s crews will continue to handle Civic Center Complex, Grevillea Mall, Water Treatment Plant, City Service Center, and service roads, as well as assist in all cultural and special events, park facilities and equipment,”

states the staff report. “BrightView will be contracted to provide maintenance services for the 19 median/parkway sites.”

Those medians and parkways include: South La Cienega Boulevard between W. Fairview Boulevard and W. Hillsdale Street; W. 64th Street, between S. Fairfax and N. La Brea Avenue; N. La Brea Avenue, between Ellis Avenue and Centinela Avenue; the inner section of E. Fairview Boulevard and E. Hyde Park Boulevard; N. La Brea Avenue, between E. Ivy and E. Beach Avenue; W. Florence Avenue, between N. Ash and N. Fir Avenue; E. Florence Avenue between N. Fir and N. Ash Avenue; E. Florence Avenue between N. Fir Avenue and Redondo Boulevard; N. Hillcrest Boulevard between Florence and Manchester Boulevard; Crenshaw Boulevard between W. 80th Street and W. 85th Place; Van Ness and Maitland Avenue; Manchester Center Medians from Van Ness to La Cienega; E. Hillcrest Boulevard between S. Grevillea Avenue and W. Manchester Boulevard; S. La Brea Avenue between E. La Palma Drive and W. Century Boulevard; the parking lots on West Arbor Vitae between S. La Cienega and S. La Brea Avenue; Crenshaw Boulevard between Manchester Boulevard an W. 118th Place; S. Hawthorne Boulevard between W. 103rd and W. 104th Street; slopes and parkways along W. Century Boulevard between Crenshaw Boulevard and S. Van Ness Avenue; parkways along W. Imperial Highway between S. Prairie and S. Van Ness Avenue and on Market Street between La Brea Avenue and Manchester Boulevard.

The Manchester Center Medians from Van Ness to La Cienega and the parking lots on West Arbor Vitae between S. La Cienega and S. La Brea Avenue will be serviced three-times a week, unlike the rest of the locations which will only be serviced twice a week. •

News for the City of Good Neighbors from City Clerk Huber

VETERANS' DAY EVENT

The Hawthorne Veterans Commission is sponsoring their second annual Veterans' Day Event on Friday, November 11th starting at 10:15 a.m. at the Memorial Center. Last year's event was well attended. Plan to honor our vets with your attendance. For all of the freedoms that we take for granted, we owe so much to our men and women who have put their lives on the line to protect us and preserve this great country, the greatest country in the world, the USA.

THE END OF THE TUNNEL

It been a long haul. It's been full of ups and downs, mostly downs. It's thrown many curves at us along the way. It's thrown us for a loop. It's turned us off. We're sick of it all. Now, we are faced with a dilemma. Do we vote or do we just stay home and have a cold one? Someone has to win. Someone has to be the leader of the free world. No matter what the outcome is next Tuesday, I hope and pray that our country can come together enough to fight the real battles facing us here and abroad. We all can agree that we want a safe place in which to live, work and raise our families. We all can agree that we want jobs right here in America so that our citizens can make a living and support their families. We all can agree that all people should be respected, young and old; and for me that respect begins at conception. We all can agree that all people, black, brown, white, or yellow, should be treated fairly. We have much we can agree upon, but it's how we achieve these goals that bogs us down, that makes us burning mad, that divides us so much that we lose sight of the fact that we are all Americans and we want our country to win, prosper, grow and be truly the "United" States. Maybe we should just look at our currency and remember the motto written on it, "In God We Trust". Maybe, just maybe, our differences would be diminished and we can work together. With the end of the dark tunnel in sight, we can get back to enjoying life, smelling the roses along the way and having a cold one once in awhile.

VOTING PLACES

If you do decide to vote and you are uncertain where your precinct is, you can go online to: www.lavote.net/locator and type in your

name, birthdate and address and it will tell you where to go to vote. If you have your sample ballot, your precinct should be printed on the back cover. I would recommend that you fill out your sample ballot before entering the ballot box, the California ballot is long this time.

TIME CHANGE

Changing our clocks is a hassle. Some blue tooth gadgets automatically adjust for the time change. Some clock radios are really easy. But, then comes the car clocks. Every automobile clock is slightly different. I can never remember from one year to the next how to adjust my Honda's clock. Who wants to get the owners manual out to read two pages on which button to press and hold to reverse the electronic hour setting? It's "fall back Sunday" this Sunday. We gain an hour of sleep this Saturday night. To tell you the truth, I would love to gain about ten hours of sleep instead of just one. Us "grumpy, old guys and gals" sometimes don't get enough good sleep. Grumpy? Me? Yes, it must be my Germanic make up. I was born grumpy, now I'm just old and grumpy. Good thing God loves me even if I'm a big grump.

HOUSING SHORTAGE

Hawthorne has a shortage of housing. Of course there are not a lot empty lots or open space on which to build more homes. It seems like as soon as we build more units they are filled. There are far more people who want to live here in Hawthorne than what our city can accommodate. Everything is relative to the cost of living anywhere in SoCal. House prices are rising, apartment rents are increasing. Affordable housing for many is just a dream. We have people sharing homes just to have a place to sleep. A friend of mine has lived in the same apartment in Moneta Gardens for over 30 years and is being displaced because a new owner wants to remodel and start over with new tenants. My friend has been looking for a suitable place to live the past four weeks and is having trouble locating anything in our area. For all the negatives that come with living so close together, there are still a lot of people who want to make Hawthorne their home •

El Segundo Offense Too Much for Hawthorne

By Eric Ramos
Photos by Greg McMullin

Hawthorne pulled off an incredible upset win over El Segundo last season, however, the Eagles’ defense forced four turnovers in a 35-7 dominating win last Friday at Halcap field. The Cougars fall to 3-6 on the season and 2-2 in Ocean League play.

El Segundo (8-1, 3-1) is locked in a

three-way tie for first place with Lawndale and Culver City. The Ocean League will be decided Friday when all teams play in the season finale.

El Segundo took an early 7-0 lead in the first quarter when quarterback Kobe Lagarde hit Billy Brasher for a 21-yard touchdown. The Cougars responded with quarterback Marte Mapu’s 15-yard touchdown pass to wide

receiver Carlos Jacobo, tying the game, 7-7, with 9:00 left in the second quarter.

The Eagles come right back with a 67-yard drive, capped by a 10-yard touchdown pass from Lagarde to Ashton Saltz. After back-to-back interceptions by Mapu, El Segundo capitalized on the turnovers with 26-yard touchdown run by running back Taz Tauaese, extending the lead, 21-7, with two minutes left in the second quarter.

On the ensuing drive, Mapu is intercepted by the Eagles’ Taj Balogun, which set up Palmer’s 25-yard touchdown pass to Brasher, with just under a minute left in the first half. El Segundo took a 28-7 lead into halftime.

On defense, the Eagles were able to shut out Hawthorne in the second half with tough defensive line play. Mapu was intercepted four times and sacked twice. Brasher hauled in an 8-yard touchdown pass from Jake Palmer for his third touchdown of the night and putting the game out of reach in the fourth quarter.

Tauaese finished with 102 yards on 15 carries while Brasher added five receptions for 101 yards. Jacobo finished with four receptions for 42 yards and a touchdown for the Cougars.

Hawthorne will play its final game of the season Friday when they travel to Lawndale

Friday for a 7 p.m. kickoff.

LAWNDALE VS. BEVERLY HILLS

Lawndale remains in a three-way tie for first place in the Ocean League with a 67-0 rout of Beverly Hills last Friday. The Cardinals (4-4, 2-1) will host Hawthorne Friday at 7 p.m. in the season finale.

LEUZINGER VS. WEST TORRANCE

Leuzinger was led by its ground game as they rushed for 432 yards to help the Olympians defeat Torrance, 25-10, last Friday. Leuzinger remains undefeated in the Pioneer League as they head towards the season finale against Centennial Friday at 7 p.m.

Leuzinger running back Daniel Carmicle rushed for 194 yards while adding touchdown runs of 88 and 65 yards. The Olympians (7-2, 4-0) led 18-10 at halftime and added a touchdown in the fourth quarter to seal the win.

INGLEWOOD VS. REDONDO UNION

Inglewood was held to 117 yards of total offense in a 29-6 Bay League loss to Redondo Union last Friday. The Sentinals remain winless in league play and fall to 3-6 overall on the season. Inglewood will play rival Morningside in the season finale Friday at 7 p.m. •

1. Preheat oven to 350 degrees. Cut 1/2-inch top off the stem end of the apples. Remove the stems, leaving a small hole into which you can insert a cinnamon stick. Core the apples with a melon baller. Discard cores. Scoop out the inside of the apples, being careful not to pierce the skin. Chop the flesh. Set aside.
2. Combine the cranberries, raisins, chopped apple flesh, orange juice, butter, nutmeg, vanilla, and orange peel in a medium bowl. Stuff this mixture inside the hollowed-out apples and place in lightly greased oven-proof dish.
3. Replace cap on each apple, with a cinnamon stick through the stem opening. Spread any extra stuffing around the apples and bake in preheated oven until tender, about 45 minutes.

Wowser Schnauzers

We are looking for volunteers to help with our pet adoption fairs which are held every Saturday at the Petco located at 537 N. Pacific Coast Highway Redondo Beach 90277, from noon to 3:30 p.m. If you are interested in volunteering and can commit to at least one Saturday a month, please contact us at info@msfr.org. You can also visit all of our Miniature Schnauzers & Friends rescues at the adoption fair or check out our website, www.msfr.org. If you have any questions about a particular dog's availability you can email us at info@msfr.org. Schnauzers. Bet you can't adopt just one.

Let me introduce myself, I'm **Eugene**, a 3-year-old male purebred Miniature Schnauzer. One night my brother, Banks, and I decided to go for a walk and visit some pals. The next thing we knew we were at an Inland Empire shelter and we were labeled as strays. So much for socialization! I love hanging out with other dogs and since, at 21 pounds, I'm larger than my brother I guess I'm the "big" brother. The shelter folks said we were 4 years of age but everyone thinks we act a lot more like 3 than 4. If you're looking for a handsome guy to enrich your life, I definitely would be the perfect companion for you! If you are interested in Eugene, please email info@msfr.org for more information.

I believe that you've met my brother, Eugene, and heard our tale. I'm **Banks**, and at 17 pounds, I'm the "little" brother. I too am a male, purebred Miniature Schnauzer whose behavior more resembles that of a 3 year old than that of a 4 year old. Who would have

I am a 2-year-old male purebred Miniature Schnauzer. Not quite sure how it happened but I ended at an L.A. area shelter where everyone called me a stray. I heard that I was going to be adopted by someone but they must have changed their mind because no one ever came for me. Unbeknownst to me, the MSFR folks had heard my story and when it looked like I was going to be stuck at the shelter, they swooped in and rescued me. I'm a very good-natured pup who gets along with everyone. I'm still a youngster so I'm very playful but I have a really sweet

face that no one can resist. I'm a bit tall for my 21 pounds but I expect that I'll fill in. I have natural ears, a docked tail and if I have to say so myself I'm quite the looker. If you are interested in McGee, please email info@msfr.org for more information.

My original name was Lucky but boy, my life has been anything but! It's hard to imagine that I was abandoned at a doggie day care facility when I was two years old. Seriously, who would do such a thing to an adorable apricot Miniature Poodle? The owner of the doggie day care was really nice and found me a great home with a loving family. They decided to give me a new name for my new life so they named me **Ricky**. I thought my problems were behind me until I lost my sight due to juvenile cataracts at age 4. I have to admit that at first it was pretty rough but with the love and support of my family I adjusted without ever losing my good-natured disposition. Little did I know that the hardest blow was yet to come. Recently, my loving and adoring Dad became very ill and is now in hospice care so at 8 years of age, here I am looking for my forever family - again. I'm a very affectionate, loyal, well-mannered, quiet little guy. Despite everything life has handed me, I still have a lot of love and life to share with someone who will just give me a chance. If you're looking for wonderful, loyal companion I just know I'm exactly the one to fill that bill. If you're interested in Ricky please email gin.munoz@gmail.com. •

Happy Tails

Ditto is one of two recent amputees, who were happily rescued and now part of a fun, new family!

Another celebration is in order. Congratulations to **Ditto** and his new family. Ditto is one of the two recent amputees, the other being Serena, who were rescued from a shelter shortly after the 4th of July. In addition to being avid MSFR supporters, Ditto's new Mom and Dad are also extended family of a

MSFR 2014 alumnus. Poppy, formerly known as Beverly, was adopted by Ditto's mom's mother so that makes Poppy his aunt. He also has a Schnauzer sister named Schooner who is also a rescue. It sounds like there's going to be a lot of fun, happiness and many adventures in this family. •

THE YELLOW DOG PROJECT.com

If you see a dog with a **YELLOW RIBBON** or something yellow on the leash, **this is a dog who needs some space**. Please do not approach this dog with your dog. Please maintain distance or give this dog and his/her person time to move out of your way.

There are many reasons why a dog may need space:

- HEALTH ISSUES
- IN TRAINING
- BEING REHABILITATED
- SCARED OR REACTIVE AROUND OTHER DOGS

THANK YOU!

Those of us who own these dogs appreciate your help and respect!
