Hawthorne City Council Meets with Full Agenda

By Nancy Peters

Tuesday, October 14 was no different on the dais in the Hawthorne City Council Chambers than any other second or fourth Tuesday. Declarations are made that a motion will receive a negative vote by certain City Council members who are vocal about the resolutions, ordinances, or other agenda topics about which there are strong opinions. The public hearings have more input from Council members than from the general public. And sniping comments are exchanged between many of the elected officials.

The first controversial resolution involved the increase of the monthly vehicle allowance from the current \$100 to \$200 for each City Council member, thus eliminating the need for a filing of a reimbursement request for mileage that might exceed the \$100 stipend. The motion passed with a vote of 3-2 with Council member's Alex Vargas and Nilo Michelin casting the dissenting votes following comments and statements and questioning of the City Finance Director. The Finance Director noted that most cities in the County have a much higher stipend and avoid reimbursements and unnecessary handling of filing expense reports and reimbursement checks.

The Local Agency Investment Fund (LAIF) will now include the Finance Director and Accounting Supervisor as authorized persons who can order the deposit or withdrawal or transfer of funds in this State Treasury fund for purposes of investment. The City Manager and City Treasurer will continue to have authority in the LAIF for the city. The Municipal Auditing Services, LLC, will be the authorized city representative for examining and auditing the sales and use tax records. Both of these resolutions passed with a 5-0 vote within the City Clerk's Consent Calendar items, along with declaring October "Breast Cancer Awareness" month and approving the cities of Torrance and Lomita as members of the South Bay Workforce Investment Board.

A resolution for the execution of a Joint

Exercise of Powers Agreement relating to the California Municipal Finance Authority sparked debate on the merits of such a membership for the city since it could be misinterpreted that building of multi-unit dwellings will be facilitated by participation in this Finance Authority. It was clarified by Gregg McClain, Planning Director, that no participation would translate to no grants for economic development, no promotion of cultural and community activities, no financing from the Title I agencies that participate and benefit from the state of California, and the benefit to build multi-unit dwellings is minimal by participating. Council member Alex Vargas abstained from the vote, Michelin cast a dissenting vote, but the motion passed with three votes in the affirmative.

A first reading of a proposed ordinance was introduced prohibiting any open containers of alcoholic beverages in designated public places with a specific qualification that this will not affect any serving of alcohol at open air, sidewalk restaurants.

The demolition of two properties at 12711 and 12717 Hawthorne Boulevard was approved following the bidding process to obtain bids from vendors who are skilled in demolishing structures destroyed by fire. The properties were recently purchased by the city in order to facilitate the cleaning up the blight in downtown Hawthorne.

The New Star Family Justice Center Fundraising Dinner and Step for Success Job Fair are now added to the list of charities and entities that may be designated for stipend funds allocated by the City Council members from their City fund.

The presentation of two bids for earthquake insurance for city structures resulted in no action taken to choose either the \$50 million coverage or the \$25 million coverage with a 5 percent deductible. The City Council chose to request that more bids for better coverage for less premium be researched by staff members.

Two members were appointed to the new Senior Citizens Commission: Darlene Love and

Juanita Douse. Kenneth Lester was appointed to the Veteran's Commission. Jason Gromsky was appointed to become part of the Civil Service Commission.

The City of Hawthorne is invited to be a Host City for the 2015 Special Olympics World Games set to be held in Los Angeles July 21-23, 2015 in various venues throughout the area. The City Council requested that staff obtain more information on the factors of participation by any host city, particularly the costs expected to be part of the obligation of participating. The item of any consideration of a motion for this request was continued until the next meeting of the City Council.

Staff was instructed to present a thorough report on the establishment of a Hawthorne Arts and Entertainment Foundation as a 501(c)(3) nonprofit organization, including any monetary participation of the city in any way.

Several comments were made about more effective police monitoring of the Hawthorne Mall property where gang activity is prevalent, drug use, and homeless/vagrant occupation as "living" quarters. It was suggested that the owner of the Mall be issued violation citations for the presence of feral cats, vagrants on the property that is not protected by any security measures, and that loose dogs who roam neighborhoods be rounded up. Other comments included concern that the crime rate is escalating with more shootings, looting of vehicles, and robberies. The Chief of Police will prepare a crime statistics report to be published on the city website.

On October 25 from 9 a.m. to 12 Noon, Republic Waste will sponsor a secure documents shredding event on the Civic Plaza in front of City Hall. All participants will be given a free 32-gallon covered container to store earthquake preparedness supplies.

The City Council meeting for the fourth Tuesday in November, scheduled for November 25 will be cancelled. The next meeting of the City Council will be held on Tuesday, October 28 at 6 p.m. •

Planning for Life's 'What Ifs'

(BPT) - It's impossible to anticipate what life will throw your way. But still many families spend countless hours considering life's many "what ifs." What if we have kids? What if they are not healthy? What if we build a life that requires two salaries to make ends meet? What if we haven't saved enough for the future? What if something happens to one of us?

While seemingly daunting, the answer for many of these "what ifs" is simple: careful planning and for many families, the protection of life insurance.

It can be difficult to anticipate exactly how much, and for how long, you will need the protection of life insurance. Like your family and a career, your policy should evolve over time to fit your evolving needs.

To get started in assessing your needs for life insurance, MassMutual offers the following questions to consider:

Do I Need Life Insurance?

On the practical side, you know you're not going to be around forever, and you need to do something about it. But life insurance forces you to really think about

this eventuality.

"I can make a sound case for anyone to consider life insurance given everything that it has to offer, but if you're a parent with dependent children, it's a no brainer," says Michael Fanning, an executive vice president with MassMutual. "The coverage helps ensure that your financial future isn't left to chance

should the unthinkable happen. Rather than shy away from the inevitable, take the step to plan ahead and assure those you care about that you've prepared for their future."

What Kind of Life Insurance Is Best for Me?

This all depends on your specific situation. Term life insurance coverage may be an ideal solution for young families with modest incomes - offering critical protection at an affordable cost. However, as your family, income and responsibilities expand, your protection needs may change and a whole life insurance policy may make more sense. A convertible term life insurance policy allows you to convert from your term life insurance policy to a whole life insurance policy.

A whole life insurance policy offers a guaranteed premium, death benefit and cash value accumulation that can be accessed for supplemental retirement income, funding for a child's education, or cash for emergencies. (Just be aware that access to cash values through borrowing or partial surrenders will reduce the policy's cash value and death benefit, increase the chance the policy will

lapse, and may result in a tax liability if the policy terminates before the death of the insured.)

How Much Life Insurance Do I Need?

It is important to assess the financial needs of your family in order to determine the amount of coverage that can help protect their standard of living. Online calculators are available to help estimate your needs. Visit MassMutual's online calculator.

Once you have life insurance, it's a good rule of thumb to assess your needs at least once a year and whenever you experience a significant life change, like the birth or adoption of a child, a marriage or divorce, or the purchase of a home. These are all factors that could impact your life insurance needs. During your annual assessment, also make sure your beneficiaries are up-to-date.

Still playing the 'what if' mantra in your head? What do I do next? What other financial decisions have I made that may not have been the best choices? What else should I be considering? Who can I trust? Meet with a qualified financial professional who can offer guidance specific to your situation. •

Richstone Family Center in Hawthorne Participates in Keenan “Impact Days”

The Richstone Family Center in Hawthorne was a featured non-profit organization for the 2014 Keenan Impact Days held on Sept. 29 and 30, 2014, in Long Beach. Headquartered in Torrance, Keenan is the largest privately held insurance brokerage and consulting firm in California, with additional Southern California offices in Riverside and San Clemente.

The Richstone Family Center is dedicated to preventing and treating child abuse and trauma; strengthening and educating families; and decreasing violence in families, schools and communities. Inglewood Returns to Action on Sour Note

By Joe Snyder
Photos by Joe Snyder

After a pair of forfeit losses due to a bench-clearing confrontation in the September 26 non-league football game against North Torrance, then its other non-league contest from October 3 against West Los Angeles University, Inglewood High's football team returned to action in its Bay League opener at Redondo but its result was not what it hoped for last Friday. The Sentinels were stifled by the Sea Hawks 32-0.

Against a very good defensive Redondo squad, that two weeks earlier had held Southern California power Mission Viejo to only two touchdowns in a 19-5 non-league loss, Inglewood was not able to get on track and also lost premier all-around player Michael Williams to a knee injury in the first quarter.

Most of the first half was a defensive battle, as Redondo only led 8-0 until nearly the end of the first half when the Sea Hawks, who improved to 2-4 overall, took a 15-0 lead behind a three-yard touchdown run by junior running back Guy Alford.

Redondo got more dominant in the second half on both sides of the ball. The Sea Hawks added a 32-yard field goal from senior kicker Dominik Eberle, then a blocked punt helped Redondo extend its lead to 25-0 on a short one-yard run from Jerone Jackson as time expired in the third quarter. The Sea Hawks finished off their scoring with 5:15 left in the game on a four-yard TD run by Dallas Branch.

"Right now, we're in the process of getting things back together," Inglewood head coach Jason Miller said. "I wish we would be further along."

The Sentinels totaled just 76 total yards and three first downs on offense, including only one until quarterback Kindric Johnson ran 18 yards for a first down with approximately four minutes remaining. He also had a nine-yard first down

on the same drive, but Inglewood, which fell to 1-5 overall, was stopped short on a fourth down and three play when Johnson mustered only one yard to the Redondo 47-yard line with 40 seconds to go. The Sea Hawks were able to down the ball once to finish the game.

"We had a good defensive game and our defensive coordinator Keith Ellison had a good game plan," Redondo head coach Matt Ballard said. "We played tough teams in non-league. Our offense is getting better."

Inglewood will definitely need big improvement as it visits South Bay power Palos Verdes Friday at 3 p.m. At Mira Costa in Manhattan Beach last Friday, the Sea Kings dominated the Mustangs 37-0 for their 19th consecutive league victory dating back to the 2011 season. Palos Verdes usually has very good depth behind running back Stanton Gilbertson, who scored four touchdowns against Mira Costa, which is being plagued with several key

injuries. The Sea Kings are usually known for their good discipline, mentality and are very well coached by head mentor Guy Gardner.

LAWNDALE ROUTS CULVER CITY

Lawndale High's football team began the Ocean League with high hopes with an impressive 42-10 rout of Culver City last Friday. Junior quarterback Chris Murray continued to shine. He passed for two touchdowns and scored two more to spark the Cardinals to their first win over the usually very good Centaurs, who were hit with seven key players transferring to other schools and injuries, leaving them with an 0-6 record.

Murray got things started with a pair of TD passes of five yards to Jalen Walker and 15 to Dawan Ballard for a 14-0 first quarter lead. The Centaurs came back with a 31-yard field goal from Anthony Caiseros and an 87-yard interception return for a touchdown by Justin Manyweather to cut Lawndale's lead to 14-10 by halftime.

In the second half, the Cardinals, who improved to 3-3 overall, broke the game open behind TD runs of 25 and 11 yards by Murray and scoring runs of 35 and 41 yards from running back Austin Manigo. Lawndale will remain home with a challenging Ocean game against Santa Monica Friday at 7 p.m. At Santa Monica City College last Friday, the

Vikings blanked Hawthorne 41-0.

MORNINGSIDE FALLS IN BAY OPENER

After a 4-1 preseason, things were not quite as good for Morningside High's football team, which lost to Peninsula 24-13 last Friday at Coleman Stadium. The Monarchs, who fell to 4-2 overall, had two touchdown passes from quarterback Travion McGee to Adarrus Wilson of 35 and 25 yards in the first half. McGee completed 11 of 37 passes for 118 yards.

Morningside also had 142 yards rushing by running back Christian Williams but the Panthers, who won their second game of the week that included a 52-25 non-league home rout of Compton Centennial on October 6 in a make-up game from one that was postponed due to hot weather from October 3, were able to hold him scoreless.

The Monarchs will continue to be tested at home against Redondo, a league opening 32-0 winner over Inglewood last Friday, Friday at 7 p.m.

HAWTHORNE GETS STIFLED BY SAMO

Hawthorne High's football team was shut out by host Santa Monica 41-0 in their Ocean League opener last Friday. The Cougars (2-4 overall) will seek their first league victory as they visit Beverly Hills Friday at 7 p.m. The Normans (1-5) are coming off a 50-0 loss at El Segundo last Friday.

WEST PROVES TOO MUCH FOR LEUZINGER

Leuzinger High's football team began the Pioneer League with a 45-7 home loss to West Torrance last Friday. The Warriors (6-0) are the top ranked team in the CIF-Southern Section Western Division. The Olympians fell to 3-3 overall. Leuzinger visits Torrance Friday at 7 p.m. Last Friday at Zamperini Field, the Tartars outlasted crosstown rival South Torrance 62-47. •

Pets
Pets Without Partners Purrrfect Companions

Gabbie is a Boxer who needs a home without small animals or children.

Adopt a “pet without a partner” and give a homeless pet a second chance in life.

Gabbie is a stunning 2-and-a-half year old little Boxer girl. She adores people and loves to play. Gabbie would be best placed with a dog her size or larger, so she can exude all of her playful energy. With her prey drive, she is not small dog safe, cat safe, or bunny safe, etc. Older children (over the age of 9) would be best, so no little ones get knocked over. Gabbie has been to basic obedience school and knows the commands of come, sit, down, lay, leave it, and no jumping. (She knows the last command, but sometimes she can't contain herself.) Gabbie is housebroken, loves to cuddle, and is very healthy. Gabby would also be fine as an only dog with lots of attention whether watching TV curled up with her person, hiking trails, or taking classes. Gabbie is spayed, current on vaccinations, and microchipped.

Although we don't usually have cats, these sweet little kittens snuck right into our all dog rescue. **Flash** and **Helen** were born August 9, 2014, and are stunning with their hazel

eyes and black and white coats. These two are very sweet, playful little kittens looking for their forever homes.

Rumba is a darling apricot Poodle mix who was found as a stray, very matted and full of fleas. She had no form of identification on and she was not microchipped; we were unable to locate her owners. Rumba is about 7 months old and weighs 8 pounds. She is very sweet, loves to sit on your lap and loved sleeping on the bed of the good Samaritan who found her. Rumba is a good-natured dog, a little shy at first, but she warms up quickly. Rumba is current on vaccinations, microchipped, fine with other dogs, and would be best with children over 6 years old.

wonderful dogs, visit our website at www.animalsrule.org. If a dog is on our website, it's available. Come to our Saturday adoption events from 11 a.m. – 3 p.m. at 305 North Harbor Blvd., San Pedro (just off the 110 near the cruise port). We are always in need of donations for veterinarian bills and our senior dogs. Donations can be made through our website or by sending a check payable to: Animals Rule Placement Foundation at 305 North Harbor Blvd., San Pedro, CA, 90731. All donations are tax-deductible; we are a registered 501(c)3 non-profit organization.

Happy Tails

Coco, the belle of Pasadena.

Tanya is sweet and loves to cuddle.

Add a little love when you adopt your purr-fect partner.

Tanya was rescued from a shelter with an injury that required amputation. This spunky girl can run, jump, play, climb, and wrestle with all her foster friends like any other kitten. It's hard to remember that's she's only got three legs when watching her race around - she's fast! Tanya is a very sweet girl who loves to cuddle. Once you've got her and you're sitting down, she will nuzzle your face and hands, begging for more pets while purring up a storm. Tanya is dog friendly and would be just fine with a cat friendly, calm dog in the home. She loves playing and snuggling with her kitty buddies, so Tanya must have a cat friend in her home.

Baby Ming was found by a Kitten Rescue volunteer when she was just 3 weeks old. She still needed to be bottle-fed and grew into a very calm and cuddly kitten who loves all people. Baby Ming is great with children and will just purr for hours in your arms. She is also a high energy little girl who loves to romp, wrestle, and play with her fellow kittens. Baby Ming would be very lonely without a young kitty companion for her to chase and wrestle with. She is not a fan of dogs at all!

Athena was left behind in a yard when her owner decided to move away. She is a gentle, calm girl with soulful eyes and a penchant for looking simply stunning. Being the sweetest kitty around, she loves long luxurious pets and scratches behind her ears and chin. Athena would be just fine as a single cat or with another kitty who will mostly leave her to her own devices. She loves attention and just wants a home where she can be the spoiled princess she should always be.

These kittens are available for adoption through Kitten Rescue, one of the largest cat rescue groups in Southern California. All of our kitties are spayed/neutered, microchipped,

Being mistreated and confined outside was how little **Coco** started her life. However, sweet Coco was destined for love and adoration in a wonderful life with her new mom:

"Coco is a doll! She settled in very quickly. She ate the first night. She is my shadow and we love each other very much. We go on long walks every day. She enjoys the many fountains my neighborhood has to offer. She "chases" squirrels, stares at pigeon and is very polite to other doggies who happen to be out on a walk. She grooms well, is very trusting, aims to please, is confident and will shamelessly instruct you with her paw to pet her. My partner takes her out to go potty regularly and she loves to lick him. I left her with him for two hours and she was just fine--but boy, were we happy to see each other! She knows where to sleep and she

tested for FeLV and FIV, dewormed and current on their vaccinations. For additional information and to see these or our other kitties, please check our website www.kittenrescue.org or email us at mail@kittenrescue.org. Your tax deductible donations for the rescue and care of our cats and kittens can be made through our website or by sending a check payable to Kitten Rescue, 914 Westwood Blvd. #583, Los Angeles, CA 90024.

On Saturdays, we have adoptions from noon to 3:30 p.m. in Westchester at 8655 Lincoln Blvd. just south of Manchester Ave. and also in Mar Vista at 3860 Centinela Ave, just south of Venice Boulevard. Our website lists additional adoption sites and directions to each location.

You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, this information can be obtained from one of the following three companies: LPS Agency Sales and Posting at (714) 730-2727, or visit the Internet Web site www.servicelinkASAP.com (Registration required to search for sale information) or Priority Posting and Publishing at (714) 573-1965 or visit the Internet Web site www.priorityposting.com (Click on the link for "Advanced Search" to search for sale information), or auction.com at 1-800-280-2832 or visit the Internet Web site www.auction.com, using the Trustee Sale No. shown above. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. A-4488667 10/09/2014, 10/16/2014, 10/23/2014 Lawndale Tribune Pub. 10/9, 10/16, 10/23/14 HL-24428
